11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Friday, May 15, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.
- As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and, if any Eligible Shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or the Registrar to the Buyback and the same shall be provided.
- The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (i) reserved category for Small Shareholders (defined below); and (ii) general category for all other Eligible Shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares whose market value, on the basis of the closing price on the Indian Stock Exchanges having the highest trading volume as on the "Record Date" is not more than Rs. 2,00,000 (Rupees Two Lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to Buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Buyback being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement, in the Buyback.
- In accordance with Regulation 9(x) of the Buyback Regulations, in order to ensure that the same Eligible shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common permanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholdings, if applicable, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories.
- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.
- The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate in part or in full and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participating in the shortfall created due to non-participation of some other Eligible Shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.
- The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.
- The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.
- Participation in the Buyback by Eligible Shareholders may trigger capital gains taxation in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.
- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to Eligible Shareholders.

12. PROCESS AND METHODOLOGY TO BE ADOPTED FOR BUYBACK

- The Buyback is open to all Eligible Shareholders and beneficial owners of the Company holding Equity Shares either in physical and/or in dematerialized form as on the Record Date.
- The Buyback shall be implemented using the "Mechanism for acquisition of shares through Stock Exchange" as specified by the SEBI Circulars ("Stock Exchange Mechanism") and following the procedure described in the Companies Act and the Buyback Regulations and as may be determined by the Board (including the committee of the Board authorized to complete the formalities of the Buyback) on such terms and conditions as may be permitted by law from time to time.

- In the event the Seller Member(s) of any Eligible Shareholder is not registered with BSE as a trading member/stockbroker, then that Eligible Shareholder can approach any BSE-registered stock broker and can register themselves by using quick unique client code ("UCC") facility through the BSE registered stock broker (after submitting all details as may be required by such BSE registered stock broker in compliance with applicable law). In case the Eligible Shareholders are unable to register using UCC facility through any other BSE registered broker, Eligible Shareholders may approach the Company's Broker i.e., Monarch Network Capital Limited, to place their bids, subject to completion of KYC requirements as required by the Company's Broker.
- Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the tendering period of the Buyback. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance. Eligible Shareholders are requested to consult their respective Stock Brokers regarding the same. The cumulative quantity of Equity Shares tendered shall be made available on the website of BSE (www.bseindia.com) throughout the trading session and will be updated at specific intervals during the tendering period.
- Further, the Company will not accept Equity Shares tendered for Buyback which are under a restraint order of the court / any other competent authority for transfer/ sale and / or title in respect of which is otherwise under dispute or where loss of share certificates has been notified to the Company and the duplicate share certificates have not been issued either due to such request being under process as per the provisions of law or otherwise. In accordance with Regulation 24(v) of the Buyback Regulations, the Company shall not buyback locked-in Equity Shares and non-transferable Equity Shares until the pendency of the lock-in or until such Equity Shares become transferable. The Company shall also not accept the Equity Shares offered for Buyback where the title to such Equity Shares is under dispute or otherwise not clear.

12.9 Procedure to be followed by Eligible Shareholders holding Equity Shares in dematerialized form:

- Eligible Shareholders who desire to tender their Equity Shares held by them in dematerialized form under the Buyback would have to do so through their respective Seller Member by indicating to the concerned Seller Member, the details of Equity Shares they intend to tender under the Buyback.
- The Seller Member(s) would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Indian Stock Exchanges. For further details, Eligible Shareholders may refer to the circulars issued by the BSE and Indian Clearing Corporation Limited ("Clearing Corporation").
- The details of the settlement number under which the lien will be marked on the Equity Shares tendered for the Buyback will be provided in a separate circular to be issued by BSE and the Clearing Corporation.
- The lien shall be marked by the Seller Member in the demat account of the Eligible Shareholder for the shares tendered in Tender Offer. Details of shares marked as lien in the demat account of the Eligible Shareholder shall be provided by the depositories to Clearing Corporation. In case the Eligible Shareholder's demat account is held in one depository and clearing member pool and Clearing Corporation account is held with other depository, the Equity Shares tendered under the Buyback shall be blocked in the Eligible Shareholder's demat account at source depository during the tendering period. Inter Depository Tender Offer ("IDT") instructions shall be initiated by the Eligible Shareholder at source depository to clearing member / Clearing Corporation account at target depository. Source depository shall block the Eligible Shareholder's securities (i.e., transfers from free balance to blocked balance) and send IDT message to target depository for confirming creation of lien. Details of Equity Shares blocked in the Eligible Shareholders demat account shall be provided by the target depository to the Clearing Corporation.
- For orders placed with respect to dematerialized Equity Shares by clearing member entities who have been allocated a custodian participant code by the Clearing Corporation ("Custodian Participant"), early pay-in is mandatory prior to confirmation of order by the Custodian Participant. The Custodian Participant shall either confirm or reject the orders not later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, any order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.
- Upon placing the bid, the Seller Member shall provide a Transaction Registration Slip ("TRS") generated by the exchange bidding system to the Eligible Shareholder on whose behalf the bid has been placed. The TRS will contain the details of order submitted such as bid ID number, application number, Depository Participant ID, client ID, number of Equity Shares tendered, etc. In case of non-receipt of the completed tender form and other documents, but receipt of Equity Shares in the accounts of the Clearing Corporation and a valid bid in the Exchange Bidding System, the bid by such Eligible Shareholder shall be deemed to have been accepted.
- It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS is not mandatory. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted, for Eligible Shareholders holding Equity Shares in demat form.**
- The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to pro rated Buyback decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any equity shares are tendered to clearing corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the eligible shareholders would be returned to them by clearing corporation. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder broker's (seller's) depository pool account for onward transfer to the eligible shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be returned to the respective custodian depository pool account.
- Eligible shareholders who have tendered their demat shares in the buyback shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not be limited to): (i) duly attested power of attorney, if any person other than the eligible shareholder has signed the tender form; (ii) duly attested death certificate and succession certificate/legal heirship certificate, in case any eligible shareholder is deceased, or court approved scheme of merger/ amalgamation for a company; and (iii) in case of companies, the necessary certified corporate authorizations (including board and / or general meeting resolutions).

Date: May 11, 2026

Unquote**11. RECORD DATE AND SHAREHOLDER ENTITLEMENT**

- As required under the Buyback Regulations, the Company has fixed Friday, May 15, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and, if any Eligible Shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or the Registrar to the Buyback and the same shall be provided.

- The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (i) reserved category for Small Shareholders (defined below); and (ii) general category for all other Eligible Shareholders.

- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares whose market value, on the basis of the closing price on the Indian Stock Exchanges having the highest trading volume as on the Record Date is not more than Rs. 2,00,000 (Rupees Two Lakh only).

- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to Buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Buyback being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement, in the Buyback.

- In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same Eligible shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common permanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholdings, if applicable, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical.

- The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories.

- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

- The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate in part or in full and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participating in the shortfall created due to non-participation of some other Eligible Shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

- The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offer under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.

- Participation in the Buyback by Eligible Shareholders may trigger capital gains taxation in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to Eligible Shareholders.

12. PROCESS AND METHODOLOGY TO BE ADOPTED FOR BUYBACK

- The Buyback is open to all Eligible Shareholders and beneficial owners of the Company holding Equity Shares either in physical and/or in dematerialized form as on the Record Date.

The details of the Acquisition Window will be as specified by BSE from time to time.

- During the tendering period, the order for selling the Equity Shares will be placed in the Acquisition Window by Eligible Shareholders through their respective stock brokers ("Seller Member(s)") during normal trading hours of the secondary market. The Seller Member can enter orders for Equity Shares held in dematerialized form and physical form. In the tendering process, the Company's Broker may also process the orders received from the Eligible Shareholders after Eligible Shareholders have completed their KYC requirement as required by the Company's Broker.

- In the event the Seller Member(s) of any Eligible Shareholder is not registered with BSE as a trading member/stockbroker, then that Eligible Shareholder can approach any BSE-registered stock broker and can register themselves by using quick unique client code ("UCC") facility through the BSE registered stock broker (after submitting all details as may be required by such BSE registered stock broker in compliance with applicable law). In case the Eligible Shareholders are unable to register using UCC facility through any other BSE registered broker, Eligible Shareholders may approach the Company's Broker i.e., Monarch Network Capital Limited, to place their bids, subject to completion of KYC requirements as required by the Company's Broker.

- Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the tendering period of the Buyback. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance. Eligible Shareholders are requested to consult their respective Stock Brokers regarding the same.

- The cumulative quantity of Equity Shares tendered shall be made available on the website of BSE (www.bseindia.com) throughout the trading session and will be updated at specific intervals during the tendering period.

- Further, the Company will not accept Equity Shares tendered for Buyback which are under a restraint order of the court / any other competent authority for transfer/ sale and / or title in respect of which is otherwise under dispute or where loss of share certificates has been notified to the Company and the duplicate share certificates have not been issued either due to such request being under process as per the provisions of law or otherwise. In accordance with Regulation 24(v) of the Buyback Regulations, the Company shall not buyback locked-in Equity Shares and non-transferable Equity Shares until the pendency of the lock-in or until such Equity Shares become transferable. The Company shall also not accept the Equity Shares offered for Buyback where the title to such Equity Shares is under dispute or otherwise not clear.

12.9 Procedure to be followed by Eligible Shareholders holding Equity Shares in dematerialized form:

- Eligible Shareholders who desire to tender their Equity Shares held by them in dematerialized form under the Buyback would have to do so through their respective Seller Member by indicating to the concerned Seller Member, the details of Equity Shares they intend to tender under the Buyback.

- The Seller Member(s) would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Indian Stock Exchanges. For further details, Eligible Shareholders may refer to the circulars issued by the BSE and Indian Clearing Corporation Limited ("Clearing Corporation").

- The details of the settlement number under which the lien will be marked on the Equity Shares tendered for the Buyback will be provided in a separate circular to be issued by BSE and the Clearing Corporation.

- The lien shall be marked by the Seller Member in the demat account of the Eligible Shareholder for the shares tendered in Tender Offer. Details of shares marked as lien in the demat account of the Eligible Shareholder shall be provided by the depositories to Clearing Corporation. In case the Eligible Shareholder's demat account is held in one depository and clearing member pool and Clearing Corporation account is held with other depository, the Equity Shares tendered under the Buyback shall be blocked in the Eligible Shareholder's demat account at source depository during the tendering period. Inter-Depository Tender Offer ("IDT") instructions shall be initiated by the Eligible Shareholder at source depository to clearing member / Clearing Corporation account at target depository. Source depository shall block the Eligible Shareholder's securities (i.e., transfers from free balance to blocked balance) and send IDT message to target depository for confirming creation of lien. Details of Equity Shares blocked in the Eligible Shareholders demat account shall be provided by the target depository to the Clearing Corporation.

- For orders placed with respect to dematerialized Equity Shares by clearing member entities who have been allocated a custodian participant code by the Clearing Corporation ("Custodian Participant"), early pay-in is mandatory prior to confirmation of order by the Custodian Participant. The Custodian Participant shall either confirm or reject the orders not later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, any order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.

- Upon placing the bid, the Seller Member shall provide a Transaction Registration Slip ("TRS") generated by the exchange bidding system to the Eligible Shareholder on whose behalf the bid has been placed. The TRS will contain the details of order submitted such as bid ID number, application number, Depository Participant ID, client ID, number of Equity Shares tendered, etc. In case of non-receipt of the completed tender form and other documents, but receipt of Equity Shares in the accounts of the Clearing Corporation and a valid bid in the Exchange Bidding System, the bid by such Eligible Shareholder shall be deemed to have been accepted.

- It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS is not mandatory. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted, for Eligible Shareholders holding Equity Shares in demat form.

- The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to pro rated Buyback decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any equity shares are tendered to clearing corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the eligible shareholders would be returned to them by clearing corporation. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder broker's (seller's) depository pool account for onward transfer to the eligible shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be returned to the respective custodian depository pool account.

- Eligible shareholders who have tendered their demat shares in the buyback shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not be limited to): (i) duly attested power of attorney, if any person other than the eligible shareholder has signed the tender form; (ii) duly attested death certificate and succession certificate/legal heirship certificate, in case any eligible shareholder is deceased, or court approved scheme of merger/amalgamation for a company; and (iii) in case of companies, the necessary certified corporate authorizations (including board and / or general meeting resolutions).

11. RECORD DATE AND SHAREHOLDER ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed Friday, May 15, 2026, as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders, who will be eligible to participate in the Buyback.
- In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback.

As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode only, within two (2) working days from the Record Date and, if any Eligible Shareholder requires a physical copy of the Letter of Offer, a request has to be sent to the Company or the Registrar to the Buyback and the same shall be provided.

- The Equity Shares proposed to be bought back by the Company shall be divided into two categories: (i) reserved category for Small Shareholders (defined below); and (ii) general category for all other Eligible Shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, a "Small Shareholder" is a shareholder who holds Equity Shares whose market value, on the basis of the closing price on the Indian Stock Exchanges having the highest trading volume as on the Record Date is not more than Rs. 2,00,000 (Rupees Two Lakh only).
- In accordance with Regulation 6 of the Buyback Regulations, 15% of the number of Equity Shares which the Company proposes to Buyback or the number of Equity Shares entitled as per the shareholding of Small Shareholders as on the Record Date, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.
- Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, in the event of the overall response to the Buyback being in excess of the Buyback Offer Size, the Company may not purchase all of the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement, in the Buyback.
- In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same Eligible shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder Category, the Company will club together the equity shares held by such shareholders with a common permanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, if applicable, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available the Company will check the sequence of the names of the joint holders and club together the equity shares held in such cases where the sequence of the PANs and the names of joint shareholders are identical.

The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar as per the shareholder records received from the Depositories.

- After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in the other category.

- The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders holding Equity Shares of the Company can choose to participate in part or in full and receive cash in lieu of the Equity Shares accepted under the Buyback, or they may opt not to participate and enjoy a resultant increase in their percentage shareholding, after the completion of the Buyback, without any additional investment. Eligible Shareholders holding Equity Shares of the Company may also accept a part of their entitlement. Eligible Shareholders holding Equity Shares of the Company also have the option of tendering additional shares (over and above their entitlement) and participating in the shortfall created due to non-participation of some other Eligible Shareholders, if any. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body - broker" as per the beneficial position data as on Record Date with common PAN are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- The maximum number of Equity Shares that can be tendered under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account.

- The Equity Shares tendered as per the entitlement by Eligible Shareholders holding Equity Shares of the Company as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in Buyback Regulations. If the Buyback entitlement for any shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of Buyback entitlement to tender Equity Shares in the Buyback. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers, Buy-Back and Delisting" notified by SEBI Circulars.

- Participation in the Buyback by Eligible Shareholders may trigger capital gains taxation in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in view of the particularized nature of tax consequences, the Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

- Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant timetable will be included in the Letter of Offer to be sent to Eligible Shareholders.

- During the tendering period, the order for selling the Equity Shares will be placed in the Acquisition Window by Eligible Shareholders through their respective stock brokers ("Seller Member(s)") during normal trading hours of the secondary market. The Seller Member can enter orders for Equity Shares held in dematerialized form and physical form. In the tendering process, the Company's Broker may also process the orders received from the Eligible Shareholders after Eligible Shareholders have completed their KYC requirement as required by the Company's Broker.

- In the event the Seller Member(s) of any Eligible Shareholder is not registered with BSE as a trading member/stockbroker, then that Eligible Shareholder can approach any BSE-registered stock broker and can register themselves by using quick unique client code ("UCC") facility through the BSE registered stock broker (after submitting all details as may be required by such BSE registered stock broker in compliance with applicable law). In case the Eligible Shareholders are unable to register using UCC facility through any other BSE registered broker, Eligible Shareholders may approach the Company's Broker i.e., Monarch Network Capital Limited, to place their bids, subject to completion of KYC requirements as required by the Company's Broker.

- Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the tendering period of the Buyback. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance. Eligible Shareholders are requested to consult their respective Stock Brokers regarding the same.

The cumulative quantity of Equity Shares tendered shall be made available on the website of BSE (www.bseindia.com) throughout the trading session and will be updated at specific intervals during the tendering period.

- Further, the Company will not accept Equity Shares tendered for Buyback which are under a restraint order of the court / any other competent authority for transfer/ sale and / or title in respect of which is otherwise under dispute or where loss of share certificates has been notified to the Company and the duplicate share certificates have not been issued either due to such request being under process as per the provisions of law or otherwise. In accordance with Regulation 24(v) of the Buyback Regulations, the Company shall not buyback lock-in Equity Shares and non-transferable Equity Shares until the pendency of the lock-in or until such Equity Shares become transferable. The Company shall also not accept the Equity Shares offered for Buyback where the title to such Equity Shares is under dispute or otherwise not clear.

12.9 Procedure to be followed by Eligible Shareholders holding Equity Shares in dematerialized form:

- Eligible Shareholders who desire to tender their Equity Shares held by them in dematerialized form under the Buyback would have to do so through their respective Seller Member by indicating to the concerned Seller Member, the details of Equity Shares they intend to tender under the Buyback.
- The Seller Member(s) would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Indian Stock Exchanges. For further details, Eligible Shareholders may refer to the circulars issued by the BSE and Indian Clearing Corporation Limited ("Clearing Corporation").
- The details of the settlement number under which the lien will be marked on the Equity Shares tendered for the Buyback will be provided in a separate circular to be issued by BSE and the Clearing Corporation.
- The lien shall be marked by the Seller Member in the demat account of the Eligible Shareholder for the shares tendered in Tender Offer. Details of shares marked as lien in the demat account of the Eligible Shareholder shall be provided by the depositories to Clearing Corporation. In case the Eligible Shareholder's demat account is held in one depository and clearing member pool and Clearing Corporation account is held with other depository, the Equity Shares tendered under the Buyback shall be blocked in the Eligible Shareholder's demat account at source depository during the tendering period. Inter Depository Tender Offer ("IDT") instructions shall be initiated by the Eligible Shareholder at source depository to clearing member / Clearing Corporation account at target depository. Source depository shall block the Eligible Shareholder's securities (i.e., transfers from free balance to blocked balance) and send IDT message to target depository for confirming creation of lien. Details of Equity Shares blocked in the Eligible Shareholders demat account shall be provided by the target depository to the Clearing Corporation.
- For orders placed with respect to dematerialized Equity Shares by clearing member entities who have been allocated a custodian participant code by the Clearing Corporation ("Custodian Participant"), early pay-in is mandatory prior to confirmation of order by the Custodian Participant. The Custodian Participant shall either confirm or reject the orders not later than the closing of trading hours on the last day of the tendering period. Thereafter, all unconfirmed orders shall be deemed to be rejected. For all confirmed custodian participant orders, any order modification shall revoke the custodian confirmation and the revised order shall be sent to the custodian again for confirmation.
- Upon placing the bid, the Seller Member shall provide a Transaction Registration Slip ("TRS") generated by the exchange bidding system to the Eligible Shareholder on whose behalf the bid has been placed. The TRS will contain the details of order submitted such as bid ID number, application number, Depository Participant ID, client ID, number of Equity Shares tendered, etc. In case of non-receipt of the completed tender form and other documents, but receipt of Equity Shares in the accounts of the Clearing Corporation and a valid bid in the Exchange Bidding System, the bid by such Eligible Shareholder shall be deemed to have been accepted.
- It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS is not mandatory. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted, for Eligible Shareholders holding Equity Shares in demat form.**
- The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to pro-rated Buyback decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any equity shares are tendered to clearing corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the eligible shareholders would be returned to them by clearing corporation. If the securities transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder broker's (seller's) depository pool account for onward transfer to the eligible shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be returned to the respective custodian depository pool account.
- Eligible shareholders who have tendered their demat shares in the buyback shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not be limited to): (i) duly attested power of attorney, if any person other than the eligible shareholder has signed the tender form; (ii) duly attested death certificate and succession certificate/legal heirship certificate, in case any eligible shareholder is deceased, or court approved scheme of merger/ amalgamation for a company; and (iii) in case of companies, the necessary certified corporate authorizations (including board and / or general meeting resolutions).
