Sarveshwar Foods Signs MoU with German Firm for Advanced Rice Storage & Smoke Technology

Jammu, September 03, 2025 – Sarveshwar Foods Limited, one of India’s leading producers of organic and basmati rice, has entered into a strategic Memorandum of Understanding (MoU) with a German technology Company to bring in next-generation solutions for rice storage, preservation, and preparation. This milestone comes as the company continues to expand capacity and presence across domestic and international markets, fueling its journey towards becoming a global leader in value-added food products.

Key Highlights of the MoU:

- CO₂-based storage system to preserve rice freshness without chemical preservatives.
- Reusable cocoons for storage, reducing contamination and waste.
- Smoke generator technology to create a premium smoky flavor, catering to international demand.
- Supports global expansion by enhancing product differentiation in Europe, the Middle East, and North America.

These technologies are set to strengthen Sarveshwar’s premium product portfolio while aligning with its long-term strategy of innovation, sustainability, and global competitiveness. By blending traditional expertise with advanced solutions, the company aims to accelerate export growth, build deeper consumer trust, and capture new market opportunities.

Mr. Rohit Gupta, Chairman of Sarveshwar Foods Limited expressed, “This arrangement reflects our commitment to continuous innovation and sustainable practices. As we expand our presence and capacity, these technologies will play a pivotal role in enhancing quality, boosting efficiency, and delivering unique product experiences to consumers worldwide. This is yet another step towards fueling our growth story and positioning Sarveshwar as a trusted global food brand.

With a legacy of over 130 years, our flagship brands Sarveshwar and Nimbark have consistently delivered authentic and healthy food products across India and international markets. Along with scaling our organic farming base, strengthening our farmer network, and diversifying into premium FMCG categories, this initiative further fuels our growth journey and reinforces our vision of positioning Sarveshwar as a trusted global food brand.”

About Sarveshwar Foods Limited:

Sarveshwar Foods Limited (SFL) is an ISO 22000:2018 and USFDA (United States Food and Drug Administration) certified Company. SFL also has BRC (biggest global standard for food safety), Kosher, NPPO USA & CHINA along with NOP- USDA Organic certifications for its products.

The Company is engaged in the business of manufacturing, trading, processing, and marketing of branded and un-branded basmati and non-basmati rice in the domestic and international markets. Our operations are based out of the Jammu Region in the State of Jammu and Kashmir and Gandhidham region in the State of Gujarat. SFL has sustainable and eco+ve legacy of serving healthy and tasty rice for more than 130 years and in last couple of decades proliferated its heritage to other premium

categories of FMCG and Organic products.

SFL belongs to the lands in foothills of Himalayas which is nourished by fertile mineral-rich soil, organic manure and snow melted waters of river Chenab, wherein without using any artificial fertilizers and chemicals, they produce full range of 'ORGANIC' products, being sold with brand name 'NIMBARK'- conceptualized to spread the philosophy of the 'SATVIK' conscious lifestyle.

To sell its products, SFL has adopted 3-way strategies, first through conventional channels, another to have its own retail outlets, and to tap young and tech-savvy generations' growing tendency of buying products online through www.nimbarkfoods.com and various E-commerce platforms such as Amazon, Flipkart.

SFL is the first private sector NSE and BSE listed Food Company in Jammu & Kashmir.
