Press Release

“Sarveshwar Food Limited initiates Strategic Partnerships with NBFCs to extend Financial Support to its associated Farmers”

Jammu, September 9, 2024 – Sarveshwar Food Limited, an emerging player in the agri-food sector based in Jammu, is pleased to announce that it has initiated strategic partnerships with certain Non-Banking Financial Companies (NBFCs) to enhance financial support for farmers—who are the backbone of the company’s supply chain—and drive improvements within the agricultural sector.

Drawing on a rich history of commitment to quality and community, Sarveshwar Food Limited recognizes the vital role that farmers play in its operations. These new collaborations are aimed at providing essential financial resources, enabling farmers to invest in modern agricultural practices and infrastructure. Through these partnerships, Sarveshwar Food Limited seeks to fortify the agricultural ecosystem and ensure the stability and growth of its supply chain.

Key Aspects of the initiated Partnerships:

- **Enhanced Financial Support:** The partnerships will offer farmers improved access to funding, including working capital and investments for agricultural infrastructure.
- **Infrastructure Development:** Financial resources will be directed towards enhancing infrastructure, such as irrigation systems and storage facilities, to boost productivity and reduce post-harvest losses.
- **Technical Assistance:** Farmers will benefit from additional guidance on financial management and technical support to optimize their agricultural practices.
- **Sustainable Growth:** The initiative aims to drive sustainable agricultural practices and ensure long-term stability and growth within the sector.

Under the proposed arrangement, Sarveshwar Food Limited will facilitate the connection between NBFCs and farmers. The financing arrangements will be conducted directly between the NBFCs and the farmers, with no recourse to the company.
