Independent Auditor's Limited Review Report on Unaudited Half Yearly Standalone Financial Results of S A Tech Software India Limited *(Formerly S A Tech Software India Private Limited)* **pursuant to regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended**

To,
Board of Directors of
S A Tech Software India Limited
(Formerly S A Tech Software India Private Limited)

1. We have reviewed the accompanying Statement of unaudited standalone financial results of **S A Tech Software India Limited** *(Formerly S A Tech Software India Private Limited)* ("the Company") for the half year ended September 30, 2026 ("the Statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. This statement, which is the responsibility of the Company's Management and approved by the Board of Directors/Committee of Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 Interim financial reporting (AS 25), Prescribed under section 133 of the Companies Act 2013, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and applying analytical procedures and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the aforesaid accounting standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by Circular No. CIR/CFD/CMD 1/44/2019 dated 29th March,2019 including the

manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter
    a) We draw attention to Note 6 to the financial statements regarding contractual claims against Bihar Rural Livelihood Promotion Society and others. Pursuant to a favourable arbitration award and based on legal opinion, the Company has recognised ₹370.45 lakh as Billing in Progress. The Company has also initiated execution proceedings before the Patna Court. Additional claims aggregating to ₹773.71 lakh towards interest and other consequential amounts remain contingent on the outcome of the ongoing legal proceedings and have not been recognised in the financial statements.
    b) We draw attention to Note 7 regarding export trade receivables of ₹473.99 lakh from the holding company, outstanding beyond the prescribed period under Foreign Exchange Management Act, 1999. The Company's application for extension of time for realization of export proceeds is pending with the authorised dealer. Accordingly, no impact has been considered in the financial statements.
    c) We draw attention to Note 8 regarding the proposed amalgamation of Mindpool Technologies Limited ("Transferor Company") with S A Tech Software India Limited ("Transferee Company") under Sections 230 to 232 of the Companies Act, 2013. The Scheme has received in-principle approval from NSE and is currently pending approval of shareholders, sanction by the Hon'ble NCLT and other regulatory approvals. Accordingly, no accounting effect of the Scheme has been given in these financial statements.

    Our conclusion is not modified in respect of above matters.

4. The Company has not received information from all of its suppliers regarding their registration status under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act). Hence, disclosures relating to amounts payable to such suppliers have not been provided.

Further, the Company has filed a petition before the Patna Court for execution of the arbitration award. Additional claims towards interest and other consequential amounts aggregating to ₹773.71 Lakhs, as per the contractual terms, are subject to the final outcome of the ongoing legal proceedings and accordingly have not been recognised in the financial statements.
8.The Company has export trade receivables amounting to ₹473.99 Lakhs from its holding company, outstanding beyond the prescribed period under Foreign Exchange Management Act, 1999. 11. Figures for the previous periods have been regrouped/reclassified/restated, wherever necessary, to conform to the current period's presentation.
