Independent Auditor's Review Report on Unaudited Quarterly and Half Yearly Financial Results of Satia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

To

The Board of Directors
Satia Industries Limited

1. We have reviewed the accompanying statement of unaudited financial results of **Satia Industries Limited** (the "Company") for the quarter and half year ended September 30, 2026 and the year to date results for the period April 1, 2026 to September 30, 2026 (the "Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) including relevant circulars issued by the Securities and Exchange Board of India ("SEBI") from time to time.

2. The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, "Interim Financial Reporting" ('Ind AS 34'), prescribed under Section 133 of Companies Act, 2013 (the "Act"), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters and might be identified in an Audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Note

1. The above financial results are prepared in accordance with the Indian Accounting Standard prescribed under section 133 of the Companies Act, 2013 and are in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

2. The unaudited financial results for the quarter ended September 30, 2026 after being reviewed by the Audit Committee have been approved by the Board of Directors at its meeting held on November 13, 2026. The statutory auditors have expressed an unmodified opinion in the review report on these consolidated financial results.

3. The Company has business segments namely a) Paper and b) Agriculture.

4. Figures for previous periods have been revised or reclassified, wherever necessary, for consistency.

5. As on September 30, 2026, the Company does not have any subsidiary/ associate/ joint venture company.

6. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 – consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as "Statutory impact of new Labour Codes" under "Exceptional Items" in the standalone statement of profit and loss for the year ended March 31, 2026. The Company continues to monitor the finalisation of Central/ State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed. The incremental impact consisting of gratuity cost of ₹ 479.89 Lakhs and leave encashment cost of ₹ 187.36 Lakhs primarily arise due to changes in wage definition. This approach is consistent with the guidance issued by the Institute of Chartered Accountants of India (the 'ICAI').

7. With effect from financial year 2026-27, the Company has opted for the concessional tax regime under Section 200 of the Income-tax Act, 2025, corresponding to Section 115BAA of the erstwhile Income-tax Act, 1961. Accordingly, the Company is no longer eligible to claim deduction under Section 80-IA of the Income-tax Act, 1961 in respect of its Cogeneration Division and, consequently, separate books of account are no longer required to be maintained. The Cogeneration Division is primarily an integral captive utility supporting the Company's manufacturing operations and has no external sales. Accordingly, the Chief Operating Decision Maker ("CODM"), based on the principles of Ind AS 108, "Operating Segments", has discontinued presenting the Cogeneration Division as a separate reportable segment.

   Consequently, the segment information for the corresponding previous periods has been presented on a comparable basis, in accordance with the current basis of segment reporting, to facilitate meaningful comparison of the reported financial information.

8. The Company's Profit after Tax (PAT) for the half year has been impacted by a significant one-time, non-cash deferred tax charge arising from its transition to the concessional tax regime under Section 200 of the Income-tax Act, 2025. Consequent to the Company's plan to stop claiming deduction under Section 80-IA of the Income-tax Act, 1961 and the applicable tax rate of 22% plus surcharge and cess (effective rate of 25.168%), the Company has remeasured its deferred tax balances in accordance with Ind AS 12, "Income Taxes". The resultant charge has adversely impacted PAT and does not represent a corresponding cash outflow or deterioration in operating performance.

9. During the current quarter, the Company's production and profitability were adversely impacted by the planned shutdown of Paper Machine 3 undertaken for refurbishment and modernisation. The Paper Machine 3 (PM 3) has been successfully commissioned in the current quarter and it is expected to enhance overall operational efficiency. Consequent to such replacement, the carrying amount net of realisable value of the old paper machine 3 has been recognised as a loss on disposal. Considering the one-time and non-recurring nature of this loss, the same has been disclosed as an exceptional item.

10. The results of the Company are also available for investors at www.satiagroup.com, www.bseindia.com, and www.nseindia.com.
