'Satin Finserv Deepens Funding Strength Through Debt and Equity Capital Infusion'

Gurugram, August 03, 2026: Satin Finserv Limited (SFL), a wholly owned subsidiary of Satin Creditcare Network Limited (SCNL), has demonstrated strong funding momentum in YTD FY27, mobilizing over Rs. 650 crore through a mix of debt and equity capital. This reflects continued confidence from lenders, investors, and shareholders in the Company's business model and growth strategy.

Debt Funding Momentum

During Q1 FY27, SFL raised Rs. 345 crore in borrowings, reflecting strong lender confidence and the Company's disciplined approach to growth and liquidity management. Building on this momentum, SFL further strengthened its funding franchise and capital market presence by successfully raising ~Rs. 200 crore in July 2026 alone, including two NCD transactions aggregating Rs. 160 crore.

- Raised Rs. 75 crore in a single transaction, marking SFL's largest NCD raise at the time and a significant milestone in its capital markets journey.
- Raised Rs. 85 crore, bringing together three investors in a single transaction, further diversifying SFL's funding base and reinforcing investor confidence.

The issuances witnessed participation from both existing and new investors, reaffirming confidence in SFL's business fundamentals and growth strategy.

Strengthening Capital Base

Alongside its debt funding efforts, SFL received equity infusions aggregating Rs. 120 crore from SCNL, comprising Rs. 50 crore in May 2026 and Rs. 70 crore in July 2026. The capital infusion further strengthens the Company's balance sheet and provides additional support for future growth.

Together, these debt and equity raise mark an important milestone in SFL's funding journey, strengthening its capital base, deepening its access to capital markets and reinforcing its long-term growth aspirations. They also reflect the Company's growing credibility in the financial markets and its ability to execute diversified funding strategies while maintaining a strong focus on asset-liability management, operational efficiency, and sustainable growth.

The Company's robust funding momentum has been supported by steady business growth and continued execution of its strategic priorities.

Commenting on this, Mr. Pramod Marar, MD & CEO, Satin Finserv Limited, said:

"The strong support received from lenders, investors, and our parent company underscores confidence in Satin Finserv's long-term vision and execution capabilities.
