The Chairman, Mr. Balmukund Jhunjhunwala welcomed all co-owners and express his gratitude to all the stakeholders and management. He started with details of the business activities carried out by the company and he mentioned that Sati Poly Plast Limited is engaged in the manufacturing of plastic packaging materials.

He further mentioned that it gives immense pleasure to welcome all our investors into the growing Sati family.

He further added that the Auditor's report on the financial statements of the Company does not have any qualifications on the financial transactions or matters as having any adverse effect on the functioning of the Company.

Further, there are no qualifications, observations or comments in the Secretarial Auditor's report too. Accordingly, the reports are not required to be read out at the meeting.

Further, he stated that the Future outlook is relatively better and management is hopeful that performance of manufacturing sector shall improve in coming years.

The Company is engaged in the business of manufacturing of plastic packaging materials. Total Revenues from operations of the Company for FY 2025-26 was Rs. 273,31,80,000 (around 273 crores).

However, he further stated that last year, a major fire accident took place at one of our plant cum corporate office that temporarily hampered our business but we managed to cope up with it. During the year, we have also started a new manufacturing facility/ production unit at SP 1 Industrial Area (RICO), Visnodha, Dholpur, Rajasthan- 328028 on lease basis which has a production capacity of around 800 tonnes per month. This has increased the production capacity with optimum utilisation of resources that will cater to the needs of the customers. The management just want full cooperation and support and thank for bestowing the trust on the company.

The Chairman further addressed the concerns of ours shareholder who has raised few queries/concerns that what is the legal status and expected timeline for the fire insurance claim?

As on date, the process of insurance claim is undergoing, we have received an email from the insurance company that they are reviewing our documents submitted further and processing the same and very soon, we hope to receive a positive reply from them.

Further, the proceeds of fire insurance claim will be solely utilised for business purposes and meeting further our working capital needs like purchase of plant and machinery, payment of creditors and other working capital needs. All updates regarding the status of insurance claim and utilisation of its proceeds will be provided to all our members from time to time.

For future growth, company is making huge efforts and chasing new customers and new clients. Few we have taken on board recently like Mother Dairy, Fena Detergent and also chasing for new customers.

Our share prices were relatively a bit low during the year which is the impact of fluctuating market conditions and in this regard we are also working hard and making our best possible efforts for growth which will definitely led to increased share price in future.

Our success is powered by visionary leadership, a committed team, and a regional structure that ensures agility and responsiveness. Our focus is unwavering—on precision, innovation, and staying aligned to our core values of Trust, Team, and Transparency.

At last, he stated that he would like to take this opportunity to express his sincere appreciation towards the whole-hearted support and co-operation of Banks, employees, various government authorities and all other stakeholders. He further said that he is also thankful to each of the stakeholders for their invaluable support and confidence reposed in the company, which motivates the company to scale new heights.

Finally, he thanked all the colleagues on the Board for their valuable guidance and advice, which enabled the successful management of your Company and would like to reassure shareholders that the company will leave no stone unturned in its effort to make it another decade of growth.
