# Sat Kartar Life Advances Healthcare Vision with First Ayurvedic Hospital Inauguration

## MONTHLY BUSINESS UPDATE – FEBRUARY 2026

**New Delhi, 5<sup>th</sup> March, 2026**– Sat Kartar Life Limited (NSE: SME – SATKARTAR) continues to strengthen its brand positioning and healthcare ecosystem through focused initiatives spanning wellness advocacy, social impact, and integrated healthcare expansion.

### **1. Inaugurated Sat Kartar Life Ayurveda Hospital – Integrated Healthcare Expansion**

The Company has inaugurated **SAT KARTAR SANJEEVAN** on 5<sup>th</sup> March 2026, its first Ayurveda Hospital in the Delhi NCR region, is a dedicated hospital focused on chronic lifestyle disorders, where patients receive doctor-guided **Panchkarma**, supervised therapies, and root-cause treatment in a calm and structured healing environment.

➤ **The hospital will focus on:**

- Integrated Ayurvedic treatment protocols backed by research and structured methodology.
- Disease management and lifestyle-based preventive healthcare.
- Building long-term patient trust through holistic recovery and comprehensive care.
- Creating a comprehensive Ayurveda-led healthcare ecosystem that bridges prevention, treatment, and long-term wellness.

This expansion represents a structural move toward building a comprehensive Ayurveda-led healthcare ecosystem that bridges preventive wellness, therapeutic intervention, and long-term patient engagement.

➤ **Total Addressable Market (TAM):**

India's Ayurveda market reached USD 11.8 billion in 2024 and is projected to hit USD 35.7 billion by 2030, growing at a 20.3% CAGR. The broader AYUSH wellness sector eyes USD 70 billion by 2025, fuelled by rising demand for holistic, preventive care amid government initiatives like the Delhi Declaration. *(Source- Grand View Horizon, IBEF)*

## 2. The 600 KM Run And Launching the “8849” Range

Sat Kartar Life has sponsored a landmark 600 KM non-stop ultra-endurance run, building on our prior support for Mr. Aman Bharadwaj's extraordinary running record. This goes beyond typical corporate engagement, embodying our belief in discipline, resilience, and Ayurveda-led strength.

### Why this matters:

- Demonstrates true wellness through consistency, discipline, and pushing beyond limits.
- Positions Ayurveda as a proven system for building endurance, stamina, and long-term physical resilience.
- Reinforces our brand philosophy: healthcare extends beyond products to habits, consistency, and holistic living.

Inspired by these feats and Mount Everest's 8,849-meter height, a global symbol of endurance amid scarce oxygen and harsh conditions- we're launching the "**8849**" **product range**. This patented new line of Ayurveda-based solutions will include products like energy drinks, Chyavanprash, pills, capsules, powders, and liquids enhancing products for endurance, vitality, and peak performance will bring this spirit to global consumers.

**“8849 – Bringing the strength of Ayurveda to the summit of human endurance.”**

## 3. Council of Indian Ministry of Social Justice and Empowerment- Brand Ambassador Recognition

Mr. Manprit Singh Chadha, Promoter and Chief Operating Officer, was facilitated as a **Brand Ambassador** at the **Social Justice & Empowerment Council of India (SECI)**, a prestigious council which falls under **Indian Ministry of Social Justice and Empowerment**. This recognition aligns with our commitment to create meaningful social impact.

### Our focus areas:

- Promoting de-addiction awareness and supporting individuals in their journey toward wellness.
  - Contributing to nation-building efforts through social responsibility and public health advocacy.
  - Integrating wellness with community transformation, recognizing that healthcare is incomplete without social responsibility.

#### 4. Technology & AI Initiatives

The Company has successfully launched its **advanced AI Agent**, evolving from trial phases into a fully integrated, ever-learning, self-improving model deeply embedded in consult-led workflows. This breakthrough positions AI as a transformative force for operational efficiency, personalized wellness insights, and scalable service delivery poised to drive incremental revenues as adoption accelerates.

By continuously adapting and enhancing user outcomes, the AI Agent will redefine our Ayurveda ecosystem, fueling sustainable growth and competitive edge in the digital health era.

---

**Commenting on the monthly initiatives, Mr. Manprit Singh Chadha, Promoter and Chief Operating Officer, said:** *"We are excited to inaugurate SAT KARTAR SANJEEVAN, our first Delhi NCR Ayurveda hospital, expanding into integrated care with a huge addressable market size. This bridges prevention, treatment, and wellness, building patient trust and give us scalable revenues. Complementing this, our sponsorship of a 600 KM endurance run inspires the patented "8849" range- Ayurveda solutions embodying Everest-like resilience for global vitality demand. Lastly but very important for the company, successfully launching our advanced AI Agent is a game-changer in terms of automation and incremental revenues. Each initiative is part of our long-term vision to promote preventive wellness, strengthen community trust, and create meaningful impact in people's lives. This is how we build a brand that doesn't just sell products as we become the trusted partner in India's health journey.*
