Q1FY27 OPERATIONAL UPDATE

Sat Kartar Life Expands Insured Patient Access and Strengthens Ayurveda Healthcare Growth Initiatives

New Delhi, 20th July, 2026- Sat Kartar Life Limited (NSE: SME - SATKARTAR), a leading listed player in the preventive Healthcare and Ayurvedic Wellness space, is pleased to provide an update on the progress of its strategic growth initiatives and business outlook for Q1 FY27.

The Company has established **health insurance empanelment arrangements** with General Insurance Council (GIC), enabling qualifying policyholders to access healthcare services at its existing operational beds. These empanelments are expected to enhance patient accessibility, strengthen the Company's integrated healthcare ecosystem, and provide a foundation for extending similar arrangements to the Company's upcoming Ayurveda hospital beds as the network expands.

The Company's Memorandum of Understanding with **Jeena Sikho Lifecare Limited** is currently in the implementation phase, with the joint sales team undergoing training. The parties are working towards advancing the collaboration in a phased manner, including evaluating the use of Jeena Sikho Lifecare's healthcare infrastructure and Sat Kartar Life's customer and patient outreach capabilities to support patient access and bed utilisation.

Sat Kartar Life continues to witness strong H1FY27 growth momentum and remains on track with its stated growth plans. The Company remains focused on disciplined execution across its healthcare expansion, wellness portfolio and international initiatives.

During FY27, the Company remains focused on:

- ⇒ Progressing towards its guided expansion of **300 operational beds**.
- ⇒ Scaling the **Jeena Sikho Lifecare collaboration** across identified healthcare facilities.
- ⇒ Expanding **USA operations**, which are expected to commence revenue contribution during the third quarter of FY27.
- ⇒ Expanding health insurance empanelment and collaboration opportunities with eligible insurance partners for existing and upcoming Ayurveda beds.
- ⇒ Strengthening its position across Ayurveda-based preventive healthcare, wellness products and integrated patient-care services.

Commenting on the development, Mr. Manprit Singh Chadha, Founder and Chief Operating Officer, said: “The commencement of joint team training marks an important step in advancing our collaboration with JSLL. Our strong customer reach, together with an expanding healthcare delivery network and health insurance empanelment initiatives, provides us with a differentiated platform to build a scalable Ayurveda wellness ecosystem. We continue to witness strong H1FY27 growth momentum and remain on track with our stated growth plans while progressing our bed expansion and international initiatives.”

About Sat Kartar Life Limited:

Sat Kartar Life is an Ayurveda healthcare company committed to providing natural wellness solutions relating to specific therapeutic areas and general lifestyle products, committed to promote a healthier lifestyle. We integrate traditional Ayurvedic knowledge with modern research to empower individuals to adopt healthier lifestyles. With a strong market presence and a diverse product portfolio, we focus on innovation, responsive product development, quality and effectiveness in holistic wellness offerings.
