The Foundation of Ayurveda

Charaka Samhita

THE IMPORTANCE

Charak Samhita is an ancient and foundational text in the field of Ayurveda, the traditional system of medicine that originated in India over **3,000 years** ago. Attributed to the sage **Charaka**, the text is one of the earliest and most comprehensive compilations of Ayurvedic knowledge, composed between the 2nd century BCE and the 2nd century CE.

Our offerings are rooted in the Charak Samhita, an authoritative Ayurvedic text that aligns with the **National AYUSH Mission (NAM)**.

At Sat Kartar, we've embraced the ancient wisdom of Charak Samhita as the foundation for our Vision and Mission, guiding our authentic Ayurvedic approach:

COMPANY'S VISION

To be a global leader in Ayurveda, bridging traditional practices with contemporary health needs.

We aim to set new standards in personalized wellness, enhancing life quality worldwide through our unique, effective solutions.

COMPANY'S MISSION

Revolutionize wellness with personalized Ayurvedic solutions, merging traditional wisdom and modern lifestyles. Focus on niche therapeutic areas, delivering premium quality and exceptional service, striving to become a global synonym for innovative, effective health products.

Ayurveda

The Science of Life

Sat Kartar Growth Formula

CASH EFFICIENCY + SCALE = PROFITABLE GROWTH

Company's major focus is to be asset light and generate **higher cashflows**.

Grow without heavy assets keeping **capital free and margins strong**

More scale = better cost efficiencies and higher profitability per unit.

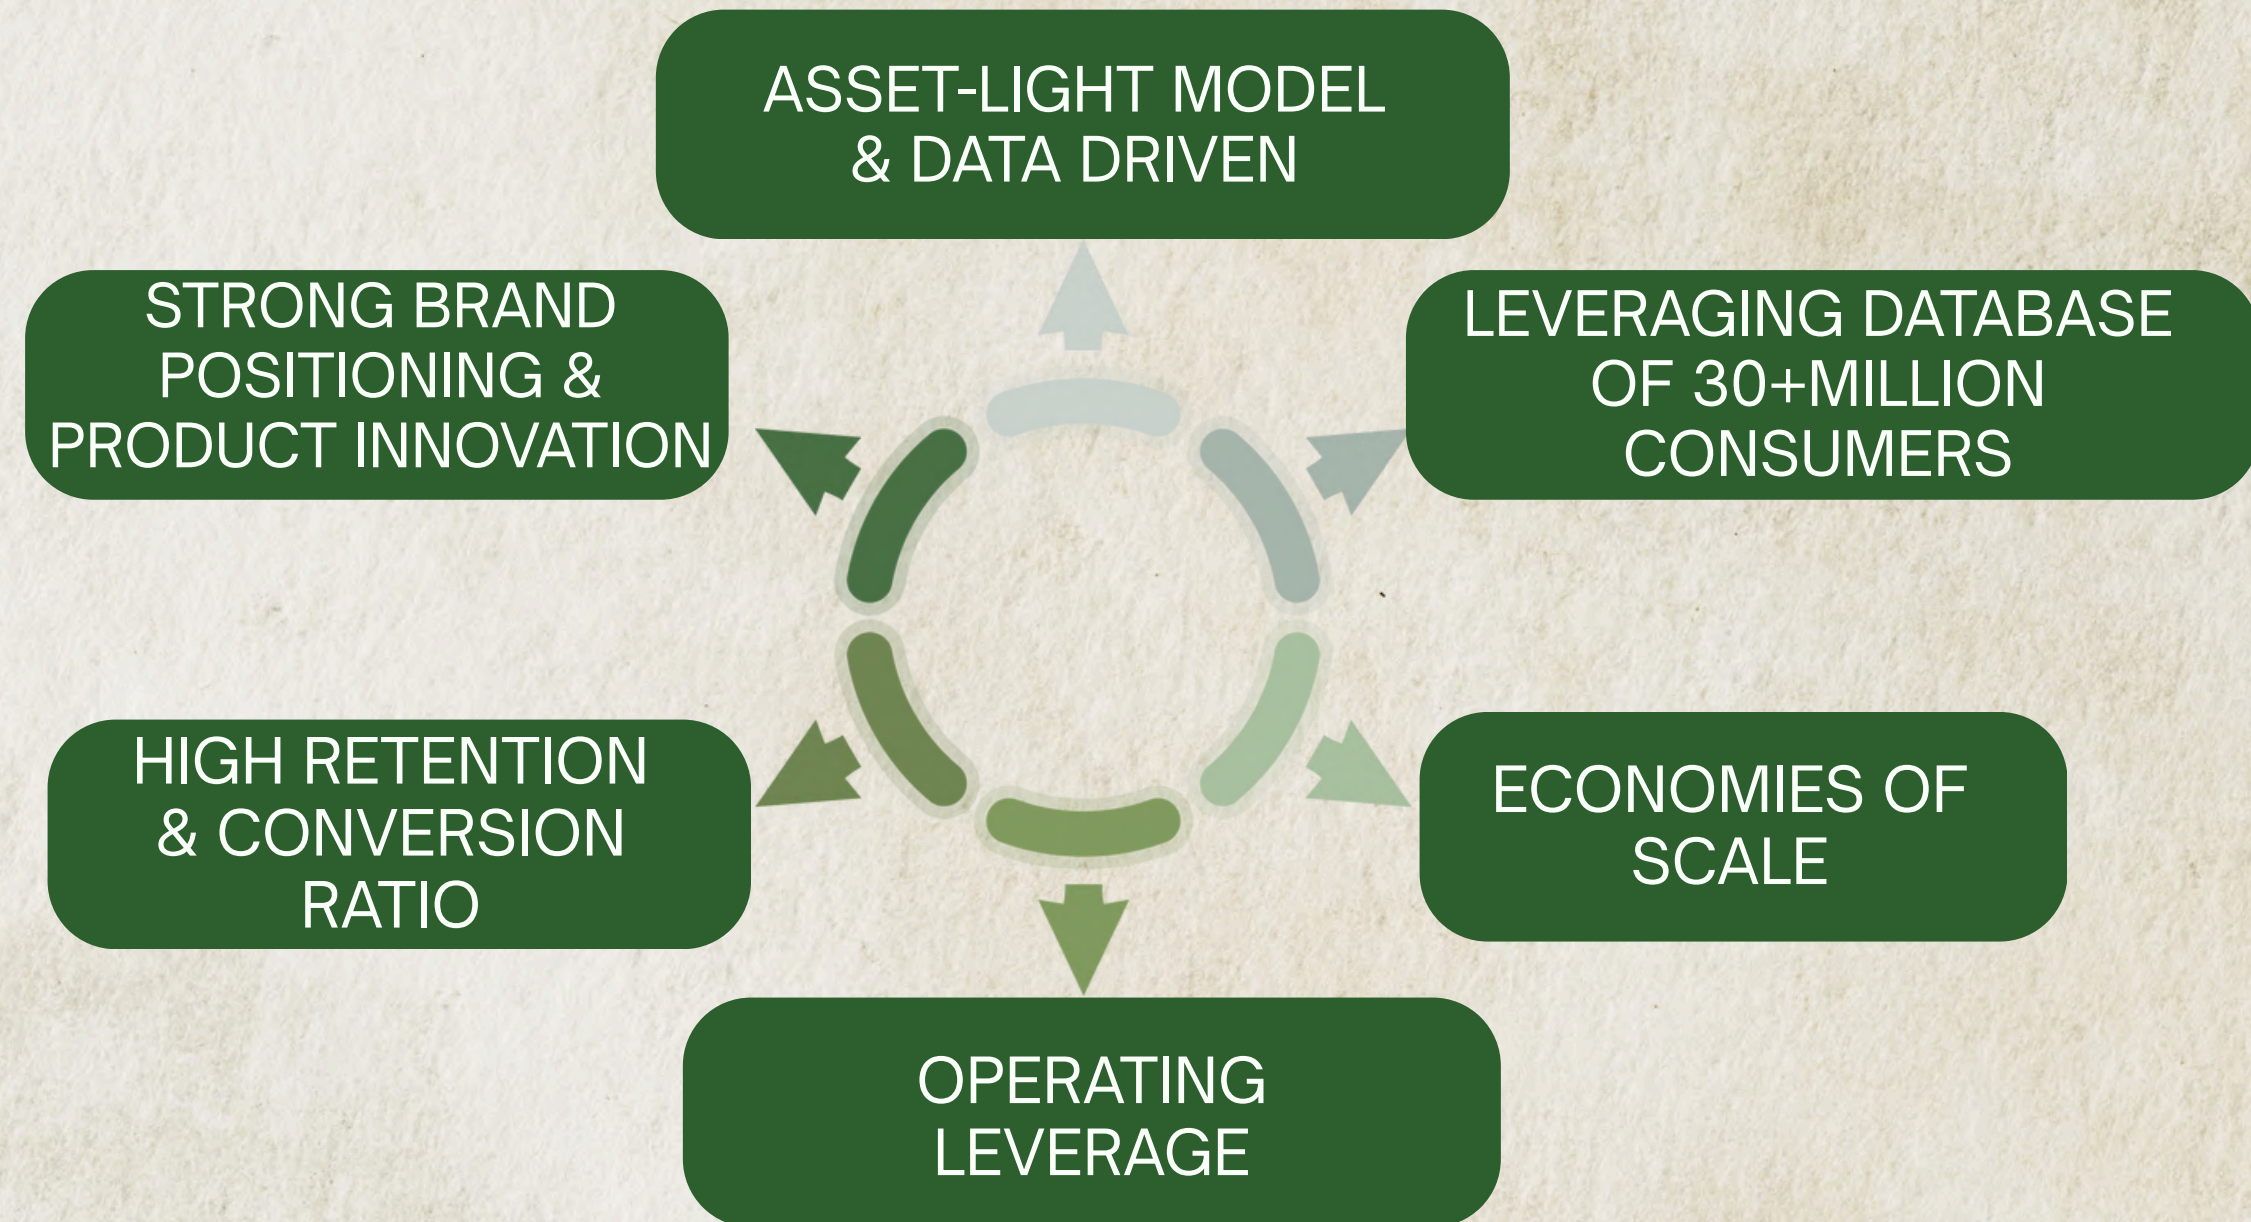

Fixed costs stay stable, but revenues multiply; **amplifying margins**

25% Repeat Customers drive predictable, low-cost revenue.

We get paid before we spend, turning operations into a **cash-generating engine**.

Our Growth Strategy

In-House Manufacturing & Diversification

Way Forward

VISION 2028

We're maximizing the value of our **unique customer database of 30+ Million Consumers** by implementing personalized engagement strategies.

We're penetrating the most **underserved regions** of India, and strategizing a **global expansion** in countries like **USA**.

Strategically increase the **marketing spend** as a percentage of revenue to fuel sustainable growth and also make **Inorganic Acquisitions**.

We're expanding from an Ayurveda products company into Ayurveda healthcare delivery through the upcoming **Sat Kartar Ayurveda Hospitals**.

We're periodically expanding into complementary wellness verticals to **diversify our offerings** and capture new **high margin** market segments.

₹500 Cr Targeted Revenue Aspiration

We aspire to outpace industry growth by achieving more than 2x the sector's growth rate, driven by our operational efficiency, disciplined execution, and strong demand visibility. With scale benefits and operating leverage kicking in, our focus remains on **doubling PAT margins** and delivering sustainable value creation.

From the Promoter's Desk

Sat Kartar Shopping Ltd. has delivered an outstanding financial performance in H1FY26, reaffirming our commitment to profitable growth, operational excellence, and innovation-led scalability. Our disciplined execution and brand-led strength have positioned Sat Kartar as a market leader in Ayurveda-driven wellness solutions, setting a solid foundation for accelerated growth in the coming quarters.

This half-year also marks a transformational milestone as we evolve from a pure Ayurveda product company into a comprehensive Ayurveda healthcare enterprise, with the upcoming **Sat Kartar Ayurveda Hospitals** adding a powerful second growth engine to our existing product vertical. Together, our **Products & Hospitals** ecosystem will drive form a **dual-engine growth model**, powered by the strength of our Pan-India customer base and the continuous inflow of new users and data that fuel insight-driven growth.

We have set our sights on achieving a **₹200 Crore** revenue milestone by FY26, an objective we view as highly achievable given our strong trajectory, operational leverage, and robust brand recall. Looking further, we aspire to reach **₹500 Crore** in revenue by FY28, while doubling our PAT margins as efficiency gains, automation, and economies of scale take effect. Our recently commissioned Ayurvedic Capsule Facility, now operating at full capacity, has become a cornerstone of our manufacturing strength driving cost optimization, quality enhancement, and faster go-to-market execution. We will continue pursuing strategic acquisitions that enhance our value chain in the Ayurveda and holistic wellness space. Despite temporary supply-chain disruptions during the India-Pakistan border tensions, our agile operations and diversified distribution network ensured minimal customer impact and swift business recovery.

As we look ahead, Sat Kartar is moving decisively toward international expansion. The integration of our USA subsidiary and planned launches across global wellness markets will help position Sat Kartar among the world's leading Ayurveda and holistic health brands.

Domestically, we continue to deepen our reach by strengthening our multilingual salesforce operating across 10+ Indian languages and onboarding specialized medical consultants to enhance engagement and service quality.

Our AI initiatives, having completed beta testing, are now ready for rollout ushering in a new era of automation, predictive analytics, and superior customer engagement. Alongside, we proudly launched our ESOP 2025 Scheme, a reflection of our belief that our people are Sat Kartar's greatest asset. The scheme is fully inclusive, ensuring every eligible employee participates in our collective success, fostering a culture of ownership and unity.

With our asset-light model, expanding SKUs, strong cash flow management, and data-backed operating leverage, we remain confident of delivering consistent outperformance and long-term stakeholder value.
