Sattva Engineering makes industrial comeback with Bimbo Bakeries India, part of the world's largest baking company

Chennai, India – August 07, 2026 – Sattva Engineering Construction Limited has secured a purchase order from Bimbo Bakeries India Private Limited, a major packaged food and bakery enterprise in India and a **subsidiary of Grupo Bimbo**, the world's largest baking company. The company disclosed the order pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Project background:

The project marks Sattva Engineering's re-entry into the industrial & utility building segment through civil construction works at Bimbo Bakeries India's manufacturing facility in Serkadu Village, Tamil Nadu. The project is scheduled to be completed within 20 weeks, with a basic order value of ₹9.51 crore excluding GST and a total PO value of ₹11.22 crore including applicable taxes.

1. Bimbo Bakeries India Project

- **Location:** Serkadu Village, Tamil Nadu
- **Segment:** Industrial & Utility Building
- **Scope:** Construction of civil works / facilities at the manufacturing plant
- **Order type:** Domestic
- **Basic order value: ₹9.5 crore excluding GST**
    - **Total PO value: ₹11.2 crore including other applicable taxes**
- **Execution timeline: 20 weeks**
- **Payment terms:** 90% against RA Bills, payable within 15 days from certification and submission of invoice; balance 10% after commissioning and handover against submission of PBG[1] valid for the DLP[2] period

The order adds a leading packaged food and bakery company to Sattva Engineering's client portfolio and strengthens its presence in the **industrial & utility building segment**. With the project scheduled for execution over **20 weeks**, the assignment provides an opportunity to further build the company's execution credentials in industrial civil construction and expand its participation in manufacturing infrastructure projects.

1. Performance Bank Guarantee | 2. Defect Liability Period

About Sattva Engineering and Construction Limited:

Sattva Engineering Construction Limited ("Sattva Engineering" or the "Company") is an engineering and infrastructure company with expertise in executing turnkey industrial and environmental infrastructure projects, with a growing presence in water and wastewater treatment solutions. The Company offers integrated capabilities across engineering design, procurement, construction, commissioning, and long-term operations & maintenance, enabling end-to-end project execution. Its clientele includes government agencies, public utilities, and industrial customers requiring technically complex infrastructure solutions. Sattva focuses on delivering quality-led execution across water treatment, wastewater management, and allied infrastructure segments, supported by disciplined project management and engineering expertise.
