Mahindra Satyam and IFS enter into strategic global partnership

To work towards joint sales and marketing for IFS Applications

HYDERABAD – August 28, 2012 – Mahindra Satyam, a leading global consulting and IT services provider, today announced that it has partnered with IFS, the global enterprise applications company, for joint sales and marketing activities around the IFS Applications software suite as well as staff training.

The agreement covers joint marketing, including sponsorship of the 2012 IFS World Conference, which will be held in October in Gothenburg, Sweden. The companies will cooperate on a number of key market opportunities and are already working together on a number of large projects.

Alastair Sorbie, CEO, IFS said *"We are pleased to announce the global partnership with Mahindra Satyam. Developing our partner ecosystem is a key part of our global strategy and increases our execution capabilities. Mahindra Satyam's industry focus and experience is a perfect match for IFS, as is the company's dedication to providing service excellence to their customers. Combining IFS's leading-edge technology with their domain knowledge and global coverage enhances our offering to new and existing customers."*

Commenting on the occasion, **C P Gurnani, CEO, Mahindra Satyam** said *"We see great opportunities in the partnership with IFS, especially given their success over the last years. IFS's consistent performance and impressive list of world-renowned customers make them an ideal partner. We look forward to a long and mutually beneficial partnership as we continue to develop new opportunities together."*
