**Subject: Clarification on Discrepancy in Financial Results Submitted in XBRL**

This is in continuation of our earlier communication and with reference to the e-mail received from the Exchange regarding the Outcome of Board Meeting – Financial Results of SBC Exports Limited submitted on 07 November 2025, wherein a discrepancy was observed in the Half-Yearly figures submitted in XBRL.

We wish to reiterate that the said discrepancy had occurred due to an inadvertent error at the time of submission, while selecting the reporting type in XBRL mode, wherein "Half-Yearly" was selected instead of "Quarterly" and "Second Quarter".

Pursuant to the observation raised by the Exchange, the Company has revised and corrected the financial results in XBRL, including the Quarterly and Half-Yearly figures, as applicable. **The revised and corrected financial results have already been submitted through the Result Adequacy Accuracy Module on NEAPS through Acknowledgment number of Standalone and Consolidated are respectively 136792 and 136798.**

We regret the inconvenience caused and assure you of our continued commitment towards timely and accurate compliance with all regulatory requirements.

Thanking you.

Yours faithfully,
