This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Further, we have not reviewed / audited any financial statements of the Company as of any date or for any period subsequent to June 30, 2025.
7. We conducted our examination of the Statement and Annexure 1, on test check basis, in accordance with the Guidance Note on Reports or Certificates for Special Purposes issued by the Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements
9. Our scope of work did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial results of the Company taken as a whole. We have not performed an audit, the objective of which would be the expression of an opinion on the financial results, specified elements, accounts or items thereof, for the purpose of this report. Accordingly, we do not express such opinion.
10. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement; and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Limited assurance engagement includes performing procedures to obtain sufficient appropriate audit evidence on the reporting criteria mentioned in paragraph 5 above. The procedures selected depend on the auditor's judgment, including the assessment of the associated risks with the reporting requirements. We have performed the following procedures in relation to the Statement:
 - a) Obtained and read on a test check basis, the Debenture Trust Deeds and the Information Memorandum in respect of the secured Debentures and noted the particulars of security cover and the security cover percentage required to be maintained by the Company in respect of such Debentures, as indicated in the Statement.
 - b) Traced and agreed the principal amount of the Debentures outstanding as at June 30, 2025 with the unaudited standalone financial results referred to in paragraph 6 above, and the books of account maintained by the Company as at and for the quarter ended June 30, 2025.
 - c) Traced the book value of assets indicated in the statement to the standalone financial results as at and for the quarter ended June 30, 2025 referred to in paragraph 6 above and other relevant records maintained by the company.
 - d) Obtained the list of the security cover maintained by the Company.
 - e) Obtained the list and the book value of assets placed under lien or encumbrance for the purpose of obtaining any other loan and determined that such assets are not included in the calculation of security cover in respect of the Debentures on a test check basis.
 - f) Examined and verified the arithmetical accuracy of the computation of security cover indicated in the Statement.
 - g) Performed necessary inquiries with the Management and obtained necessary representations.

Conclusion

11. Based on the procedures performed by us, as referred to in paragraph 10 above and according to the information and explanations received and Management representations obtained, nothing has come to our attention that causes us to believe that as at June 30, 2025;
- The computation of security cover available for debenture holders contained in the Statement is not in agreement with the unaudited standalone financial results and the books of account and other relevant records and documents maintained by the Company.
 - Security cover available for debenture holders is not 100% or more than the cover required as per Offer Document/ Information Memorandum in respect of listed debt securities.
