Sub: Newspaper advertisement confirming dispatch of the Notice of 20th Annual General Meeting (AGM)

Dear Sir/ Madam,

Pursuant to Regulation 30 read with Schedule III of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015, please find enclosed the copy of the Notice published in the newspapers i.e. Financial Express and Loksatta on September 01, 2020, intimating the members of the dispatch of the Notice of 20th AGM of the Company, through electronic means and e-voting information, both newspapers having electronic editions.

We request you to kindly take the above information on record.

Thanking you

Yours Faithfully,

Vinod Koyande
Company Secretary

Rupee falls 21p amid border tensions

PRESS TRUST OF INDIA
Mumbai, August 31

THE RUPEE STALLED its three-session winning run on Monday, sliding 21 paise to 73.60 against the US dollar after fresh tensions along the India-China border dented the forex market sentiment. At the interbank forex market, the domestic unit opened on a strong note at 73.26, but lost momentum as the trade progressed and finally ended at 73.60 against the greenback, down 21 paise over its previous close of 73.39. During the session, the local unit witnessed an intra-day high of 73.25 and a low of

73.80 against the US dollar. Besides, weak macroeconomic data suggesting a long road to recovery also brought the rupee under pressure.

Meanwhile, the dollar index, which gauges the greenback's strength against a basket of six currencies, was trading 0.09% higher at 92.45. Brent crude futures, the global oil benchmark, rose 1.40% to \$46.45 per barrel. "The Indian rupee depreciated against the US dollar amid concerns over escalating geopolitical tensions between India and China," said Sriram Iyer, senior research analyst, Reliance Securities. "Given the direction of FPI and the possibility of FDI and ECBs to be positive, the rupee would tend to strengthen in the region of 73.5-74/USD in the short run until economic activity recovers and imports increase," Care Ratings said in a report. During August, FPI flows were buoyant and nearly \$6.8 billion was registered till the previous week, it said. The agency said accretion in forex reserves is probably the quick indicator of the net effects of all forex inflows and outflows. Reserves could have gone up further in the last week of August as the rupee gained significantly in the last few trading sessions ending August 28, 2020. It further said the RBI intervention will weigh heavily on the market to stem the appreciation of the rupee and could be the deciding factor.

Maha farmer producer cos do brisk biz in lockdown

NANDA KASABE
Pune, August 31

LOCKDOWNS MAY HAVE resulted in losses for many businesses, but it has meant brisk business for farmer producer companies (FPCs) in Maharashtra. Maharashtra Farmer Producer Company (MahaFPC), the apex body of 360-odd FPCs in the state, reported businesses worth ₹650 crore during the lockdown period from mid-March till date. The Sahayadri Farmer Producer Company, a collective of 800 farmers based in Nashik, did business of ₹125 crore during the lockdown period. Yogesh Thorat, MD, said FPCs are emerging as a major force, providing an

alternate marketing platform for farmers in the state. Maharashtra has some 1900 farmer producer companies (FPCs). "MahaFPC worked on three different models during this period – the G2B model (government to business) where the federation is part of the price stabilisation fund and price stabilisation scheme procurement models of the government to procure pulses under minimum support price (MSP). The second is the B2B model of corporate supply, where the commodity is procured at market prices from farmers and is sold to processing units. The last one covers perishables where onions were procured for NAFED as part of the Centre's buffer stock programme, and a retail vegetable model where vegetable packets were supplied to housing societies," he explained. Thorat said that the federation procured some 26,914 tonnes of tur with a trade of 92,219 tonnes of chana valued at ₹449.20 crore, both adding up to a total value of ₹604.6 crore. Around 38,500 tonnes of onion valued at ₹40 crore were procured on behalf of NAFED in the state, he said. The B2B business involved trade of 480 tonnes of soybean worth ₹1.2 crore. Last year, the federation had done business of 5,000 tonnes of soybean, he added. During the lockdown period, around ₹2 crore worth of vegetables were supplied to housing societies in Pune and Mumbai. Around 200 FPCs from 20 districts were active during this period. The federation now intends to foray into the business of setting up electronic agriculture markets. Here central nodal agencies of the government will partner with FPC to set up electronic agriculture markets, Thorat said. "MahaFPC and NAFED are working together to develop an e-Kisan Mandi wherein perishable and non-perishable produce as well as primary or secondary processed products of FPCs will be linked to institutional buyers/wholesalers/retailers/direct consumer through the electronic platform, he said.
