The Company presents solutions and technologies for sustainable, efficient and smarter mobility ecosystem

Schaeffler India showcases Advanced Mobility Solutions at Bharat Mobility Global Expo 2025

New Delhi | January 18, 2025, | **Schaeffler India**, a leading motion technology company, announces its participation in The Auto Expo Components Show 2025, part of the Bharat Mobility Global Expo in New Delhi. Schaeffler India will showcase its advanced mobility solutions, underscoring its commitment to digitalization, electrification and sustainable mobility tailored to the unique needs of the Indian market.

Visitors can experience Schaeffler's comprehensive range of products and solutions that address both existing and future demands of the mobility ecosystem including transmissions systems, engines, chassis, and e-mobility. This is in line with the company's holistic approach to the automotive segment that encompass vehicle lifecycle management.

Micah Shepard, President, Vehicle Lifetime Solutions Asia Pacific, commented, "The automotive industry is undergoing rapid change which requires a continuous commitment towards innovation. As trends such as digitalization and sustainability come into focus in the automotive industry, we are taking a holistic view of the mobility ecosystem to offer comprehensive solutions and create sustainable long-term value."

Schaeffler India will display an array of market-centric products, customer-oriented services, and future-ready technologies through its Vehicle Lifetime Solutions (VLS) division. Featuring repair and service solutions for combustion engines, hybrid vehicles, and electric vehicles under its renowned brands INA, FAG, LuK, **Schaeffler TruPower**, and the **service brand, REXPERT**, the solutions and technologies on display will demonstrate how the division is sharpening its focus to be the ideal partner for the changing mobility ecosystem.

Sharad Bhatia, President, Vehicle Lifetime Solutions India, said, "India's diverse and growing mobility ecosystem demands innovative solutions that are both sustainable and reliable. At Schaeffler India, we combine our global expertise with localized engineering to deliver products that meet these needs. Backed by a robust distribution and supply chain network, our repair and service solutions from Vehicle Lifetime Solutions division offer value across the entire vehicle lifecycle, empowering customers and supporting India's sustainable mobility ambitions."

Another focal point of the exhibition will be the demonstration of Schaeffler's advanced automotive solutions, including the **3-in-1 Electric Axle**, which integrates the motor, transmission, and power electronics for superior EV performance. Additionally, the display will feature the **high-voltage axle drive (EMR4), sensors, controls, and actuator solutions** from the integrated portfolio in collaboration with Vitesco Technologies, a Schaeffler Group company. Schaeffler India reaffirms its commitment to supporting India's automotive transformation at The Auto Expo Components Show 2025.

Visitors can experience the company's advanced solutions and engage with its experts at **Hall-1, Booth: E5, Yashobhoomi, Dwarka, New Delhi, from 18th to 21st January 2025.**
