## **Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

### **To the Board of Directors of S Chand And Company Limited**

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of S Chand And Company Limited ('the Company') for the quarter ended 31 December 2024 and the year to date results for the period 01 April 2024 to 31 December 2024, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Notes to standalone financial results:**

- 1 The standalone financial results for the quarter and nine months period ended 31 December 2024 were reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors at their respective meetings held on 07 February 2025. Further, the limited review of financial results for the quarter and nine month period ended 31 December 2024, in terms of Regulation 33 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, has been carried out by the statutory auditors of the Company.
- 2 The financial results of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and Companies (Indian Accounting Standards) amendment Rules 2016.
- 3 As per Indian Accounting Standard (Ind AS) 108 "Operating Segment", the Company's business falls within a single business segment viz. "publishing of books". The geographical information analyses the Company's revenue and trade receivables from such revenue in India and other countries. The Company primarily operates in India.
- 4 The Company's financial results have, historically, been subject to seasonal trend. The Company sees a higher volume of book sales during the months of January, February and March because academic sessions start from the month of April. Ongoing revenue also demonstrate signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic session. These trends are likely to continue in the future.
- 5 During the current period, the Company has granted 31,486 equity shares under the Company's Employee Stock Option Schemes.
- 6 The National Curriculum Framework for School Education (NCF-SE) was released by the Hon'ble Union Minister of Education, Skill Development and Entrepreneurship in August, 2023. This is the first ever integrated Curriculum Framework for children between ages 3-18 years in India. It is a direct outcome of the 5+3+3+4 curricular and pedagogical structure that National Education Policy (NEP) 2020 has come out with for School Education. This is in follow-up to the NCF of the Foundational Stage (NCF-FS) which was released in October 2022. The management believes that since the New Curriculum has been announced after a gap of 18 years, it would substantially reduce the second-hand book market, and which would spur strong volume growth. Further, management believes that there is no material impact on the inventory of the Company.
- 7 The quarter and nine months period ended financial results are available on the Company's website [www.schandgroup.com](http://www.schandgroup.com) and on the website of BSE Limited ([www.bseindia.com](http://www.bseindia.com)) and the National Stock Exchange of India Limited ([www.nseindia.com](http://www.nseindia.com)).

The geographical information analyses the Group's revenue and trade receivables from such revenue in India and other countries. The Group primarily operates in India.
4. The Group's financial results have, historically, been subject to seasonal trend. The Group sees a higher volume of book sales during the months of January, February and March because academic sessions start from the month of April. Ongoing revenue also demonstrate signs of seasonality, with revenue generally lower during other quarters, which are not close to the beginning of academic session. These trends are likely to continue in the future.
5. During the current period, the Holding Company has granted 31,486 equity shares under the Holding Company's Employee Stock Option Schemes.
6. The National Curriculum Framework for School Education (NCF-SE) was released by the Hon'ble Union Minister of Education, Skill Development and Entrepreneurship in August, 2023. This is the first ever integrated Curriculum Framework for children between ages 3-18 years in India. It is a direct outcome of the 5+3+3+4 curricular and pedagogical structure that National Education Policy (NEP) 2020 has come out with for School Education. This is in follow-up to the NCF of the Foundational Stage (NCF-FS) which was released in October, 2022. The management believes that since the New Curriculum has been announced after a gap of 18 years, it would substantially reduce the second-hand book market, and which would spur strong volume growth. Further, management believes that there is no material impact on the inventory of the Group.
