6 The spread of COVID-19 has severely impacted businesses around the globe, including India. There has been severe disruption to regular business operations due to lock-downs, disruptions in transportation, supply chain, travel bans, quarantines, social distancing and other emergency measures. Shipping industry was struggling since last couple of years and suffered more as compared to other industries due to this COVID 19 pandemic. Consequent to the Government advisories issued for controlling the spread of Covid 19, the operations of Company were suspended . The Company resumed the operations partially since 02nd June, 2021 in line with the regular lockdown relaxation measures issued by Ministry of Home Affairs. During nine months ended 31st December, 2020, The Group reported revenue loss of about 15% in operating income, 27% in rental income and increase in the operating expenses of about 10%.
7 The net worth of the Group as on 31.3.2021 is negative and the current liabilities exceed its total current assets by Rs. 1,601.33 lakhs. The Management, on the basis of future operational plans, is confident of restructuring the operations to recoup the losses and arranging requisite financing as has been done in the past years also. Further the market value of the assets held by the Group would sufficiently cover shortfall if any. Hence the accounts have been prepared on a going concern basis.
8 a)The Company had a loan from Chowgule & Company Pvt Ltd amounting to Rs 1,913.98 (including interest accrued Rs 143.98) outstanding as on 31.03.2020. During the year, the Company provided interest on this loan upto 31.12.2020 as per the terms then attached. A Memorandum of Family Settlement (MOFS) dated 11.01.2021 has been executed between the members of Chowgule Family (Promoters of the Company) to divide the businesses and other matters mentioned therein. MOFS provides that the aforesaid loan is not to be "repaid". Accordingly the Company has written back the said loan as a liability no longer existing.
b)An amount of Rs 811.72 was due from a party to whom the Company had sold a vessel. The Party has dishonoured the advance cheques issued at the time of sale and has also not made good the default. The Party has claimed that the vessel is not being operated and hence no further payments would be made. Accordingly the Company has written off the amount due from this party as irrecoverable receivables.
