Hi Suresh,

Over the years, you have assigned various responsibilities to me based on the needs of the organization and I have given my best and have gotten the satisfaction that I was able to make a difference in every one of them.

In the current role, I feel that I am not fully leveraging my capabilities and experience. As a result, I have decided to step down and look at pursuing opportunities where I can better leverage my knowledge and experience.

I would like February 13th to be my last working day. Please approve this so I can work with Venkat on a smooth transition.

Thank you so much for placing trust in me and giving your support and encouragement in performing the various roles over the last 5+ years.

You have a great team in place on the ground, and I am confident that they will bring humongous success to the organization.

Wishing you all the best and I will keep in touch.

Regards
