**Commenting on the results, Raman Bhatia, Managing Director, Servotech Renewable Power System said, “We’re pleased with our strong performance in this quarter, which is a clear reflection of the consistent hard work, dedication, and focus that Servotech has put in. We have had great opportunities to step into new territories and expand our reach across India and beyond in both Solar and EV sector. However, we view this growth as a stepping stone, there’s still immense potential to unlock and we remain committed to pushing boundaries, delivering superior products, and building on this momentum in the quarters ahead. With innovation and customer satisfaction at the core of our vision, we’re confident of achieving even greater milestones on our journey toward global leadership in the green tech space.”**

**--Press Release Ends --**

**About Servotech Renewable Power System Limited (Formerly known as Servotech Power Systems Ltd.):**

Servotech Renewable Power System Limited (Formerly known as Servotech Power Systems Ltd.) is an NSE-listed organization that develops tech-enabled EV Charging solutions leveraging their over two decades of experience and expertise in the electronics space. **Disclaimer:**

This press release contains “forward- looking statements” that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are to different degrees, uncertain. For us, uncertainties arise from the behavior of financial, software and real estate industry, from future integration of businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different from those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
