Sezal Glass Completes three successful years of public Fixed Deposit Schemes.

January 05, 2012 - Sezal Glass Ltd one of the leading Indian player in the Value added glass business has informed that the Company has successfully completed three years of its Public Fixed Deposit Schemes. The Company had in January 2008 launched its Fixed Deposit scheme for the general public. The Company has since been getting encouraging response from the Fixed Deposit holders and has already mobilized close to Rs. 20 crores with a base of nearly 5000 Fixed Deposit holders.

The Company offers both Cumulative and Non-Cumulative Fixed Deposit schemes. The Company offers attractive rates of interest viz 11.50%/11.75%/12.00% per annum for its 1/2/3 years deposits respectively.

The Company offers additional 0.50% per annum interest to senior citizens, Shareholders, employees, defence Personnel, Para-Military Personnel, Ex-Servicemen and the physically challenged. Sezal is the only Company in the Corporate Fixed Deposit market who offers additional 0.50% interest per annum to defence Personnel, Para-Military Personnel, Ex-Servicemen and the physically challenged.

The Company has also pioneered the unique concept of obtaining confirmation of receipt of interest warrants from the Fixed Deposit holders by sending pre-paid envelopes addressed to the auditors of the Company as a proactive measure to ensure confirmation of receipt of interest warrants by the Fixed Deposit holders. The confirmations received from the fixed deposit holders are placed at the Board meetings for the perusal of the Directors of the Company.

Commenting on the occasion, **Mr. Amrrut S. Gada Chairman and Managing Director of the Company** said, "I am glad to announce the successful completion of three years of our Public Fixed Deposit scheme and am quite overwhelmed at the good response from the public for the same. Most of our fixed Deposit holders are Sr. citizens who invest their hard earned monies in the Fixed Deposit schemes of our Company and my personal belief is that it is not the money what matters but their best wishes which has helped us reach where we are today as a Corporate. I thank all the Fixed Deposit holders for the faith shown in us & assure to live up to their expectations and deliver what is expected out of us."

The Company has recently announced a Rs. 500 crore expansion plan over a period of next five years of its Value addition business. The work on the first phase of the expansion plan has already started and the project has begun taking shape.
