Dear Sirs,

Today, the Hon'ble Supreme Court conveyed its judgment on the Compensatory Tariff matter on the Mundra UMPP. The order verbally conveyed set aside the previous favourable order of Appellate Tribunal for Electricity which had allowed Compensatory Tariff on account of Forced Majeure conditions at Indonesia. It did not mention about the use of Regulatory Powers of the Central Electricity Regulatory Commission in adjudicating Compensatory Tariff as per previous order.

The final order has got uploaded in the evening and the Company is studying the same. The Company will continue to pursue all alternatives options at Coastal Gujarat Power Limited (CGPL), including sourcing of competitive coal from other relevant geographies as also use low grade and blended coal options to contain the onslaught of under recovery at Mundra UMPP.

Yours faithfully,
For The Tata Power Company Limited
