Greetings from Amrutanjan!

Amrutanjan's emphasis on continually delivering on their promises and fulfilling consumer expectations has helped the company add another feather to its cap.

Amrutanjan has received the GOLD Award from Reader's Digest in the Health and Personal Care category. This is a remarkable commentary on the commitment of each one who made it possible. It also reinforces the company's unwavering focus on what consumers value most, that is quality and trust.

It is our 125th year and that makes this award all the more memorable. I take this opportunity to thank all those who have supported us and made this achievement possible. We have raised the bar this year and look forward to achieving many more such accolades.

My best wishes to all
