Public statement issued by Max Healthcare Institute Limited

Following the due process of law, we have filed an appeal with the appropriate authority against cancellation of registration of Max Hospital Shalimar Bagh. Earlier, we had also requested Delhi Government to review their decision and restore the registration. This decision has caused significant inconvenience to thousands of patients and local residents and this is further compounded by unavailability of suitable alternatives for their medical needs in the vicinity.

Max Hospital, Shalimar Bagh on a monthly basis treats around 14000 patients in the OPD, attends to over 1600 emergency patients and additional 3000 are treated in inpatient wards. In compliance of the cancellation order, not only did we have to turn down the OPD and new IPD, but, planned procedures such as 171 chemotherapies, 63 surgeries and 241 dialysis sessions had to be cancelled, rescheduled or transferred.
