Note:
(1) The Standalone and Consolidated Financial Results of IL&FS Investment Managers Limited (the "Company") have been reviewed and recommended by the Audit Committee at its meeting held on May 29, 2019 and approved by the Board of Directors at its meeting held on May 30, 2019. The Financial results for the year ended March 31, 2019 have been audited by the Statutory Auditors of the Company.
(2) The Financial results of the Company for the year and quarter ended March 31, 2019 are in compliance with Indian Accounting Standards (Ind AS), as notified by the Ministry of Corporate Affairs, Government of India, has vide its letter dated October 1, 2018 instructed investigation by Serious Fraud Investigation Office (SFIO) against IL&FS, the Holding Company and its subsidiaries (including the Company) under Section 23(1) of the Companies Act, 2013. As a part of its investigation, SFIO has been seeking information from the Company on an ongoing basis. The investigation is in progress and the Company is fully cooperating with the investigation agencies. On December 3, 2018, MCA on the directions of the National Company Law Tribunal, Mumbai (NCLT) has implicated various Group Companies of IL&FS which includes the Company and its subsidiaries as respondents to the Petition filed by them on October 1, 2018. Further based on another petition of the MCA under section 10(1) of the Companies Act, 2013, the NCLT has, on January 1, 2019, ordered re-opening of books of accounts for the past financial year 2017-18 of IL&FS, FIN (a fellow subsidiary) and IL&FS Transportation Networks Limited (ITNL) (a fellow subsidiary). On April 29, 2019, the Supreme Court of India has issued order granting a stay on the above referred NCLT order to reopen the books of accounts. While the Company, based on its current understanding, believes that the above would not have a material impact on the financial results, the implications, if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage.
(3) The Company is dependent on information from the Holding Company of its Related Parties as defined under Ind AS 24 and under the Companies Act, 2013. During the period from 1st April, 2017 to 31st March 2019, the Holding Company has not been able to provide the said information to the Company for the whole of the period referred to above. In the absence of the above information, the Company has identified its related party relationships on the basis of information made available by the Holding Company in the past. Accordingly, the related parties identified by the Company may not be complete and accurate. However, the Company believes that unavailability of the required information may not have a material impact on the financial results.
(4) A major portion of the existing funds being managed/advised by the Company are approaching their end of term over the next 12 months which is likely to result in significant reduction in the Company's fee revenue thereafter. Management expects that its future income from existing funds being managed/advised together with liquid assets held by the Company as at March 31, 2019 will be adequately sufficient to meet the Company's existing and future obligations arising over the next 12 months. Management believes that, subject to receipt of necessary Board approvals, the Company has adequate funds to commit seed capital for new fund raise as part of its efforts to increase revenues. Further, NCLT vide its order dated February 13, 2019 has also classified the Company under the "Green Category" based on a 12 month cash flow solvency test, which enables the Company to continue to meet all its payment obligations (both financial and operational) as and when they become due. Meanwhile, the IL&FS Board has been working on a resolution plan, with a view to enable value preservation for stakeholders of IL&FS Group. The resolution plan, inter alia, involves sale of assets/businesses/companies owned by IL&FS. And in this regard, the IL&FS Board has on December 21, 2018 initiated a public Expression of Interest (EOI) for its sale of entire stake in the Company. Accordingly, the Company's plans for new fund raise have been kept on hold pending completion of the stake sale and while there is material uncertainty with regard to the stake sale, management believes that use of the going concern assumption for preparation of these financial results is appropriate.
(5) The above is an extract of the detailed format of year ended Financial Results filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing and Other Disclosure Requirements) Regulations, 2015. The full format of the unaudited Financial Results are available on the Stock Exchange websites at <http://www.nseindia.com/> and <http://www.bseindia.com/>. Bitcoin trader kills self, names cop in suicide note

EXPRESS NEWS SERVICE
AHMEDABAD, MAY 19

A 50-YEAR-OLD Bitcoin trader from Rajpur area was on Sunday found hanging at his residence. A suicide note found there alleged he was harassed by a deputy superintendent of police (DySP) rank officer from Gandhinagar and his brother. Police have registered a case of accidental death and further investigation are on.

The deceased trader has been identified as Bharat Patel. The suicide note was recovered from Patel's room, where he was found hanging from a ceiling beam. The note says that DySP Chirag Savani and his 'elder brother' had been harassing Patel with reference to some investment done on their behalf in Bitcoins.

Bharat had recently experienced loss in the share market, the police said.

The suicide note says Bharat had invested in some amount of Bitcoin on behalf of the Savani brothers in the past and suffered losses. He alleges that DySP Savani used to come to Bharat's home along with his elder brother and asked him about the Bitcoin transaction and put extreme pressure on him.

"I am extremely troubled and my life is in turmoil. The two had threatened and asked me to return all the Bitcoins that I had invested for them. I am left with no other option than to commit suicide, and the reason behind this act is the pressure made by the two brothers. My family is not responsible in anyway for this act," the suicide note reads.

Taking cognizance of the note, Police Inspector J G Patel said, "It has come out in our initial probe that the deceased used to invest in share markets and he had recently experienced heavy losses."

The inspector said that the allegations made against DySP Savani and his elder brother would be investigated.

EXIT POLLS

Jubilant BJP says it's 'Modi wave', Cong dismisses forecast

EXPRESS NEWS SERVICE
GANDHINAGAR, MAY 19

WITH EXIT POLLS predicting a clean sweep for the BJP-led National Democratic Alliance (NDA) in the Lok Sabha elections, Gujarat Chief Minister Vijay Rupani on Sunday said the people of the country had already made up their minds that they want Narendra Modi to be the prime minister again.

"The way the election progressed in phases, only one issue had remained: in whose hands the country will be safe. Who will give strong leadership? Who will be the Prime Minister? And Modi ji is unbeaten in that," Rupani said, reacting to the results of several exit polls announced on Sunday. "When there is a wave in elections, it covers all the states. I believe that NDA will get more than 330 seats. BJP will also get more than 282 seats. In Gujarat too, we will win all 26 seats."

Most of the exit polls showed the BJP winning all the 26 seats in Gujarat. Rupani pointed out that the exit polls also showed a BJP victory in most seats in states like Madhya Pradesh and Rajasthan where Congress had formed the government just three to four months ago.

In Gujarat's December 2017 Assembly elections, the Congress had won a very competitive 77 seats in the 182-member Assembly, nearly snatching away victory from the BJP. The Congress has been expecting to ride that wave of support in the state to bag several of the 26 seats in the Lok Sabha elections. However, the exit poll numbers predict a rout.

Congress spokesperson in Gujarat Manish Doshi dismissed the exit poll results. "Instead of the exit poll, we believe in the actual poll. As per the actual poll, Congress fought the elections on the issues of the country. We did issue-based politics and we got response also. And in that regard, I do not find these exit polls correct," said Doshi. "We are optimistic that the Congress will get much better results (than shown by most exit polls). And Congress will get more seats in the country and in Gujarat than shown by the exit polls."

The ruling BJP, however, was sure that the exit polls results were in tune with the people's belief that the country wants to see Narendra Modi as Prime Minister, as it did in 2014.

There is no reason why we should lose a single seat (in Gujarat), People's trust and affection towards Modi has continued," Rupani said. He added that BJP national president Anurag Shah fighting the elections from Gujarat had given a boost to

party workers. Rupani also said that all the party workers, even those who are sitting Members of Parliament and had been denied a ticket, had worked tirelessly for the party.

Rupani lashed out at the Opposition Congress and West Bengal Chief Minister Mamata Banerjee and alleged that Congress would blame EVMs or the alleged bias of the Election Commission to cover up for the "false leadership" of party president Rahul Gandhi.

"Congress's attitude has been like that. They will not accept Rahul Gandhi's leadership failure. The entire blame of the defeat will be put on EVM, EC and other people," Rupani said.

Gujarat BJP's spokesperson Bharat Pandya said, "One thing is certain that all the exit polls are showing BJP (winning the government). Each exit poll reflects the people's support for the BJP. So, we believe that BJP and NDA will clearly form the government." In 2014, there was a current pushing for Modi to be made PM, he said. "Similar situation is there this time also," he added.

The counting of votes will take place on May 23.

CHARGES DROPPED, FORMER COPS FELICITATED

I and Amin had a big role in securing Modi's life, political career: Vanzara

EXPRESS NEWS SERVICE
AHMEDABAD, MAY 19

WEEKS AFTER being discharged by the special CBI court in the 2004 Ishrat Jahan alleged fake encounter case, former police officer D G Vanzara and N K Amin took part in a bike rally in Ahmedabad on Sunday as part of their felicitation by Jafer Nagrik Samman Samiti, an umbrella outfit of 25 small organisations in Gujarat and Rajasthan, including Karmi Sena.

Speaking at the felicitation ceremony, Vanzara, who was deputy commissioner of police in the Division of Crime Branch (Ahmedabad) when the alleged fake encounter took place 14 years ago, said, "We (I and Amin) had a big role in securing (Prime Minister) Narendra Modi's life and his political career. Because

in another alleged fake encounter of Sohrabuddin Sheikh, his wife Kauser Bi and Tulsiram Prajapati, the AIS had then claimed that Sohrabuddin, 'a man with terror links', was in Ahmedabad to kill 'a big political leader'."

"The credit for securing Modi's life goes to Gujarat Police. By making him a target, arresting us at that time, we did not let the issue reach him," Vanzara added. He concluded his address saying that he had been drumming up nationalism for the last 40 days to end terrorism, to finish Pakistan and to teach China a lesson. "Gujarat Police has stopped Gujarat from becoming another Kashmir," he added.

The convenor of Sunday's ceremony to felicitate Vanzara and Amin was Ajay Singh Rajput. He is vice-president of Gujarat unit of Karmi Sena and head of Rashtra Vandana Manch.
