Independent Auditors Review Report on the Quarterly and year to date Unaudited standalone Financial Results of the Company pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to **Board of Directors of
SHAH ALLOYS LIMITED,
Ahmedabad.**

We have reviewed the accompanying statement of unaudited standalone financial results of **SHAH ALLOYS LIMITED** (the "company") for the quarter ended 31 December 2025 and year to date results for the period from 1 April 2025 to 31 December 2025 (the "statement") attached herewith, being submitted by the company pursuant to the requirements of Regulation 33 of the SEBI (Listing obligations & Disclosure Requirements) Regulation, 2015, as amended (the listing regulation)

This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34, "Interim Financial Reporting" ("Ind AS 34") prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulations 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement.

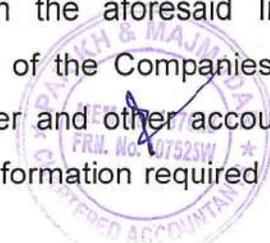

A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Opinion

- 1. For the Quarter ending on 31st December, 2025, the company has continued its practice of not making any provision of interest on loans from banks. Had the company made the provision of interest on loans from banks for the quarter ended on 31st December, 2025, the Profit for the quarter would have been lower by Rs 36.55 lakhs and current liabilities would have been higher to that extent.***
- 2. The Company has not assessed the impact of Effective Interest Method to the finance cost as per the requirement of Ind AS 109 'Financial Instruments and hence, the effect of the same, if any, on the financial results is not identifiable therefore, we are unable to comment upon its impact on the financial results for the quarter ended 31st December, 2025.**
- 3. The Company has not evaluated the provisioning requirement of a loss allowance on its financial assets so as to give impact of impairment if any as per the expected credit loss method as per the requirement of Ind AS 109 'Financial Instruments' and hence, the effect of the same if any on the Financial Results is not identifiable therefore. We are unable to comment upon its impact on the financial results for the quarter ended 31st December, 2025.**

Based on our review conducted except for the possible effects of the matter described in the Basis for Qualified Opinion as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be

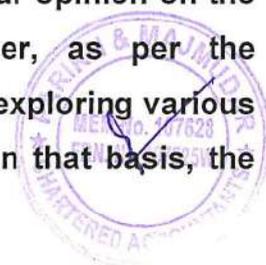

disclosed in terms of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

1. The company in its board meeting dated 21.07.2025 had declared for closure of its existing Iron and Steel plant considering the technology obsolescence and increasing higher production cost due to which there is a persistent loss since last couple of years and draining the resources of the company and accordingly the Iron and Steel plant situated at Vill. Santej, Tal. Kalol, Dist. Gandhinagar, in the State of Gujarat has been shut down and as per the management, the operations of the Plant has been closed since the month of August 2025. In view of this position, we are unable to give our opinion on the “going concern” status of the company. However, as per the representation made by management, the company is exploring various options in the best interest of its stakeholders company and on that basis, the provision for impairment of the assets has not been made by the company during the quarter ending on 31.12.2025 and the accounts have been prepared on a “going concern” basis.

This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of Parent's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMDI/44/ 2019 dated 29th March, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

The statement includes the results of the following entities

Parent Company/Holding Company:

- i. SHAH Alloys limited

Associates :

- i. SAL Steel limited. (upto 26.12.2025)

Basis for Qualified Opinion

1. ***For the Quarter ending on 31st December, 2025, the Holding company has continued its practice of not making any provision of interest on loans from banks. Had the Holding company made the provision of interest on loans from banks for the quarter ended on 31st December, 2025, the Profit for the quarter would have been lower by Rs 36.55 lakhs and current liabilities would have been higher to that extent.***

2. The Holding Company has not assessed the impact of Effective Interest Method to the finance cost as per the requirement of Ind AS 109 'Financial Instruments and hence, the effect of the same, if any, on the financial results is not identifiable therefore, we are unable to comment upon its impact on the Financial results for the quarter ended 31st December, 2025.
3. The Holding Company has not evaluated the provisioning requirement of a loss allowance on its financial assets so as to give impact of impairment if any as per the expected credit loss method as per the requirement of Ind AS 109 'Financial Instruments' and hence, the effect of the same if any on the Financial Results is not identifiable therefore. We are unable to comment upon its impact on the financial results for the quarter ended 31st December, 2025.

Based on our review conducted as above, *except as mentioned in qualified opinion*, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ("Ind AS") specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended,, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

1. The Holding company in its board meeting dated 21.07.2025 had declared for closure of its existing Iron and Steel plant considering the technology obsolescence and increasing higher production cost due to which there is a persistent loss since last couple of years and draining the resources of the holding company and accordingly the Iron and Steel plant situated at Vill. Santej, Tal. Kalol, Dist. Gandhinagar, in the State of Gujarat has been shut down and as per the management, the operations of the Plant has been closed since the month of August 2025.

In view of this position, we are unable to give our opinion on the “going concern” status of the Holding company. However, as per the representation made by management, the Holding company is exploring various options in the best interest of its stakeholders and on that basis, the provision for impairment of the assets has not been made by the Holding company during the quarter ending on 31.12.2025 and the accounts have been prepared on a “going concern” basis.

Our opinion is not modified on the above matter.

Emphasis of Matter

2. During the quarter under review, the Holding company has sold Plant and Machinery (including Capital Work in Progress [CWIP]) along with technical know-how & technology transfer for a consideration of Rs 6300.00 lakhs. The Gain arising of Rs 5347.68 lakhs out of sale of Plant and Machinery (including CWIP) along with technical know-how & technology transfer has been reflected as an “Exceptional Item” in the Statement of Profit and loss for the quarter ended on 31st December 2025.

3. During the quarter under review, the company has made disinvestment in the shares of its associate i.e. SAL Steel Limited through share purchase agreement dated 04.09.25 and discontinued the Equity Method in Consolidated Financial Statements. The loss on discontinuation of Equity Method of Rs 1310.17 lakhs has been reflected as an "Exceptional Item" in the Statement of Profit and loss for the quarter ended on 31st December, 2025.

4. During the quarter under review, the associate company has taken the stock of by-products lying at shop floor as part of Inventories and consequently during the quarter under review, the associate company has written back consumption of by-products worth Rs. 16.09 crores on the basis of physical verification of stock of by-products lying at the shop floor, and the same has been shown as exceptional item in the profit and loss statement for the quarter ended on 31st December, 2025 of the associate company.

Our conclusion is not modified in respect of this matter of Emphasis.
