Sub.: - Intimation under Regulation 30 of SEBI (LODR) Regulations, 2015 – Press Release on Maiden Order received from Karnataka under the PM KUSUM B Scheme.

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and we glad to inform you that Company has made another significant addition to its order book today with the receipt of maiden order from **Karnataka Renewable Energy Development Limited**, for installation of **16,780** Solar Photovoltaic Water Pumping Systems (SPWPS) with an aggregate order value of **Rs. 654.02 Crores** (inclusive of GST). It marks the latest in a series of wins during the last one month in various states including Madhya Pradesh, Jharkhand, Haryana, Maharashtra, Karnataka, etc., cumulatively amounting to **Rs. 1,900 Crores** (inclusive of GST).

Press Release for the same is enclosed below.

Kindly take note of the above.

Thanking You,

Yours Faithfully,

For Shakti Pumps (India) Limited

**Ravi Patidar
Company Secretary**

Encl.: As above

SHAKTI PUMPS (INDIA) LIMITED

Shakti Pumps Gains Further Traction in Order Book with Maiden Order Win in Karnataka for 16,780 Solar Pumps worth Rs. 654.02 Crores

Indore, Madhya Pradesh (India), 12 January 2026 – Shakti Pumps (India) Limited (SPIL) [BSE: 531431, NSE: SHAKTIPUMP], India's leading manufacturer of energy-efficient pumps and motors, is pleased to announce its maiden order from Karnataka Renewable Energy Development Limited, for installation of 16,780 Solar Photovoltaic Water Pumping Systems (SPWPS) with an aggregate order value of Rs. 654.02 Crores (inclusive of GST). This maiden order win in Karnataka marks the Company's entry in the Southern region, further expanding its reach and opening up new markets.

These order wins during the last one month in various states including Madhya Pradesh, Jharkhand, Haryana, Maharashtra, Karnataka, etc., cumulatively amounting to Rs. 1,900 Crores (inclusive of GST), further reinforce the Company's leading position in solar pump programs and highlights Shakti Pumps' continued focus on delivering high-quality, reliable, and energy-efficient solar pumping solutions.

The order has been awarded under the Karnataka Government's solar agriculture initiative, aimed at promoting renewable energy adoption and enhancing irrigation infrastructure across the state.

Mr. Dinesh Patidar, Chairman of Shakti Pumps (India) Limited, shared his thoughts on this achievement: "The order received from the Karnataka Renewable Energy Development Limited marks another important milestone for Shakti Pumps and reflects the continued trust placed in our capabilities by state agencies. The cumulative orders received recently across various states reaffirm the growing adoption of solar pumping solutions across the country, as well as our ability to effectively address this growing demand. As we move forward, we remain focused on timely execution, technological innovation, and contributing to India's renewable energy and sustainable agriculture goals."

About Shakti Pumps (India) Limited

SPIL founded in 1982 as a partnership firm and later converted to a public limited company in 1995, manufactures solar pumps, energy-efficient stainless-steel submersible pumps, pressure booster pumps, pump-motors, and other products. SPIL is the only company that manufactures a wide range of products for solar pump installation in-house, including Variable Frequency Drives, Structures, Motors, Invertors, and so on. Pithampur, Madhya Pradesh, is home to two manufacturing facilities with a combined capacity of 500,000 pumps and motors per year (India). Shakti Pumps is at the forefront of sustainable innovation and reliability in solar pumping solutions, while also being environmentally responsible. The company has been at the forefront of transforming the agriculture sector through solar pump technology. All Shakti submersible pumps are based on Stainless Steel (SS), which is a testimony to the latest technology and quality in manufacturing. Notably, Shakti Pumps has the distinction of being India's first 5-star rated pump manufacturer, supplying its products to more than 100 countries across the globe and manufacturing its own solar pumps, motors, structures, controllers & VFDs. Shakti Pumps is committed to helping India meet its energy goals.
