

PRESS RELEASE

2012 EPC Outstanding Pump Company Award to Shakti Pumps (India) Limited

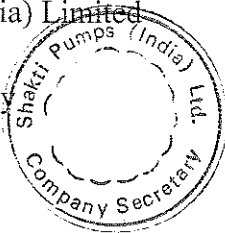

At a glittering ceremony at Ashoka Hotel, New Delhi, the award for 2012 EPC Outstanding Company in the pump category, was presented to Shakti Pumps (India) Ltd. on 15th Dec. 2012. The award was presented by EPC World Media Group- a publication of Engineering, Procurement & Construction Industry on the occasion of the 3rd EPC awards.

In this context, it is important to note that EPC World Awards was established in the year 2010. It is a national platform which recognizes the qualitative and quantitative performance of the companies and individuals in the Infrastructure & Construction sector. The awards are decided on the basis of the unanimous decision taken by eminent jury members from the infrastructure industry along with the knowledge partner Ernst & Young.

This year Shakti Pumps (India) Ltd. was selected unanimously by the jury members for manufacturing reliable & superior quality pumps. It is to be noted that Shakti Pumps (India) Ltd., which is located at Pithampur near Indore (M.P.), has been acknowledged worldwide for manufacturing state-of-the-art pumping solutions. Shakti Pumps are in great demand in the industrial, domestic & agricultural sector. The company has a strong presence in more than 70 countries today. In keeping with this, Shakti Pumps (India) Ltd. was naturally a unanimous choice of the judges for the 2012 EPC Awards in the pump category.
