Dear Ma'am / Sir,

The Company's main business is manufacture, design and servicing of Gears & Gear Products. The Chief Operating Decision Maker (CODM i.e. Board of Directors) review the operating results as a whole for the purposes of making decisions about resources to be allocated and assess its performance and hence, the entire operations are to be classified as a single business segment. The geographical segments considered for disclosure are India and Rest of the World. All the manufacturing facilities are located in India. Accordingly, there are no separate reportable segments as per Ind AS 108 - Operating Segments.

Thanking you,
