6	The World Health Organization announced a global health emergency because of a new strain of coronavirus ("COVID-19") and classified its outbreak as a pandemic on March 11, 2020. On March 24, 2020, the Indian government announced a strict 21-day lockdown across the country to contain the spread of the virus. This pandemic and response thereon have impacted most of the industries. Consequent to the nationwide lock down on March 24, 2020, the Company's operations were scaled down in compliance with applicable regulatory orders. Subsequently, during the year, the Company's operations have been scaled up in a phased manner taking into account directives from various Government authorities. The impact on future operations would, to a large extent, depend on how the pandemic further develops and it's resultant impact on the operations of the Company. The Company continues to monitor the situation and take appropriate action, as considered necessary in due compliance with the applicable regulations.	
The management has made an assessment of the impact of COVID-19 on the Company's operations, financial performance and position as at and for the half year ended September 30, 2021 and has concluded that no there is no impact which is required to be recognised in the financial statements. Accordingly, no adjustments have been made to the financial statements.
