Sunil Hitech Engineers awarded Ash Dkye Package for Kudgi Super Thermal Power Project worth Rs 183.03 crores

Mumbai, November 5, 2015: Sunil Hitech Engineers Limited (SHEL) has received Letter of Award for Ash Dkye Package for Kudgi Super Thermal Power Project, Stage-I (3x800MW) for a contract value of Rs. 183.03 crores. The order has been awarded by NTPC Limited for its Kudgi Super Thermal Power Project in the state of Karnataka. The project shall be completed within 30 months from the date of Letter of Award.

Commenting on the order wins **Mr. Sunil Gutte, Managing Director of Sunil Hitech Engineers Limited** said *"We are happy to receive the contract for Ash Dkye Package at Kudgi Super Thermal Power Project as we are already executing another order at the same site for Erection, Testing and Commissioning of Boiler Unit III worth Rs. 83.71 crores for one of our other client. Another order at same site will lead to better utilization of resources.*

With the receipt of order for Ash Dkye package our Power business continues to show a steady growth. We expect that with the receipt of new order in Power as well as Non-Power Business, the profitability margin will improve with execution of new projects. As an order book diversification strategy, we will continue to take orders in both Power & Non-Power Business and improve our profitability. Over a period of next 2-3 years we expect that both these businesses will contribute equally to our total orderbook."

Safe harbor Statement
