"Shera Group has secured an increase in production capacity"

We are pleased to inform you that Shera Group has successfully enhanced its production capacity. This significant development reflects our commitment to growth and operational excellence.

Consolidated Production Capacity:

On a consolidated basis, the production capacity has risen from 41,130 MT to 46,750 MT.

Mr. Sheikh Naseem, Chairman & Managing Director of Shera Group, stated:

"We are proud to announce approximately 15% enhancement in production capacity across our operations. This achievement reflects the robustness and adaptability of our organization, reinforcing our strategic focus on sustainable growth and our commitment to delivering consistent value to our stakeholders." "

The Chartered Engineer Certificate received from M/s Bidadhar & Techno Associates have been enclosed herewith.

This is to keep our esteemed investors informed of the latest developments within the company.

Thank you for your continued support.

Yours Faithfully

For Shera Energy Limited
