The same was scheduled to be completed by FY26, however, has not been completed as of quarter ending June 30,2026, and approval pertaining to delay in the objects and extension has not been received. Additionally, as per special resolution dated March 20, 2026, the shareholders have approved the Expansion Project to be installed on a different land from the originally contemplated in the prospectus. These factors may lead to change means of finance for the disclosed | The delay in implementation of the Expansion Project has primarily been attributable to unforeseen geo-political developments and consequential disruptions in the import and delivery schedule of critical machinery from the Netherlands. These events were outside the reasonable control and anticipation of the Company and impacted the originally estimated execution timeline. |
