EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

ITEM NO. 1 - APPROVAL FOR CHANGE IN IMPLEMENTATION DETAILS OF THE EXPANSION PROJECT, WITHOUT ANY VARIATION IN OBJECTS OR UTILISATION OF THE IPO ISSUE PROCEEDS

Pursuant to the Board resolution dated February 7, 2025 and the special resolution passed pursuant to Section 62(1)(c) of the Companies Act, 2013 in the Extra-Ordinary General Meeting (“EGM”) by the shareholders of our Company held on February 8, 2025, the Company had raised Rs.7003.44 Lacs from the Initial Public Offer of its equity shares (the ‘Issue’). The net proceeds from the Issue were Rs.5448.51 Lacs (hereinafter referred to as “Net IPO Proceeds”).

The Company had, in terms of Prospectus, proposed to utilise the IPO Proceeds towards:

- (i) Part finance the capital expenditure to be incurred towards Construction of the Building, Plant & Machinery (Potato Flakes Line Machine), Utilities (Boiler, ETP Plant, Power Generator, Solar Panel), other miscellaneous assets, etc. (“**Expansion Project**”);
- (ii) Part finance the working capital requirement for Expansion Project; and
- (iii) General corporate purposes.

The Company has utilised the proceeds of the Initial Public Offer strictly in accordance with the ‘Objects of the Issue’ as disclosed in the prospectus. The Prospectus envisaged establishment of an additional manufacturing unit (“Expansion project”) adjacent to the existing facility, situated at Khasra No. 634 MI, Village Mahua, Paragana Gorai, Tehsil Iglas, Aligarh, Uttar Pradesh (‘Iglas Unit’)

However, due to space and layout limitations, for avoiding congestion within the existing factory, and for better compliance with hygiene, safety and regulatory requirements, the management proposed to implement the expansion project on the land situated at Gata Number 803, 391, 804, Village Madrak, Agra Road, Pargana Tehsil Kol, District Aligarh, Uttar Pradesh (‘Madrak Unit’).

Accordingly, the proposed change even though is an implementation-level refinement and does not constitute a variation from the objects or end-use of funds stated in the Prospectus, the Board in its meeting dated February 19, 2026, and in the interest of enhanced transparency, shareholder confidence and robust corporate governance, proposed to seek shareholder approval for the change in land parcel for the Expansion project.

A) Capital Expenditure (“Expansion Project”)

Pursuant to detailed evaluation during the ongoing project planning phase, the management re-assessed the feasibility of the originally contemplated location, and based on the detailed technical, operational and execution-level evaluation undertaken, management proposes to implement the expansion project on the land situated at Gata Number 803, 391, 804, Village Madrak, Agra Road, Pargana Tehsil Kol, District Aligarh, Uttar Pradesh (‘Madrak Unit’).

The proposed land parcels for the Expansion project are owned by the Promoters of the company and the same has been granted on long term lease to the company via Lease deeds duly registered for a period of 29 years and 11 months. The land details are as follows:

S. No.	Details of Property	Lessor	Area	Tenure of Lease	Consideration	Usage
1. Shivashrit Foods Limited Formerly Shivashrit Foods Pvt. Ltd.

The above-mentioned change is being considered due to the following reasons:

- **Better plant layout and future expansion:** The land next to the existing factory has certain space and layout limitations, which may restrict efficient plant design and future expansion. The newly identified land parcel, measuring 6,300 square metres, is significantly larger than the earlier identified land of 3,651 square metres, thereby providing significantly better space planning, flexibility and long-term scalability — especially important for food processing operations that require separate areas for processing, utilities and movement of goods.
- **Faster and smoother implementation:** The new land offers better access and development flexibility, which will help in quicker execution of the project and timely commencement of commercial operations.
- **More suitable for food processing operations:** A standalone facility on separate land will allow better compliance with hygiene, safety and regulatory requirements applicable to food processing units, without operational overlap or congestion with the existing factory.
- **Better alignment with State policy and cost efficiency:** The new land allows efficient structuring of the project as a new unit under the Uttar Pradesh Industrial Investment & Employment Promotion Policy, 2022, enabling optimal use of available incentives, without any change in the project scope, scale or State location.

Further, the company has obtained or in process of obtaining all requisite regulatory approvals for setting up the Expansion project on the proposed land in Madrak. This includes the following:

- Obtained the Change of Land Use certificate from Agricultural use to Industrial Purposes, via certificates dated March 29, 2025.
- Obtained the Consent to Establish from the Uttar Pradesh Pollution Control Board for setting up of a Potato Processing plant on the said land dated 7th November, 2025.
- Building Plan Approval from Aligarh Development Authority (ADA) has been duly applied.
- FSSAI license has also been duly obtained for the proposed new food processing unit on the said land on December 24, 2025.

The members are further informed that:

- There is no change in the object of the project, proposed capacity, product mix, or overall project cost as disclosed in the Prospectus;
- The change relates solely to the final selection of land parcel for implementation, based on commercial and technical considerations;
- The project continues to be implemented within the State of Uttar Pradesh and in alignment with the Company's disclosed growth strategy.

The Board, having considered that all requisite approvals in respect of the proposed land have been obtained, has approved the same and recommends the proposal for approval of the Members.

B) Working Capital Requirement for Expansion Project - No variation.

The members may note that the utilization under this object is as per the Object of the Issue as provided in the Prospectus. Considering the seasonal availability of the raw material required for the Expansion Project, the Company has undertaken bulk procurement to secure adequate supply at optimal cost. The above has been duly considered and noted by the Audit committee and the Board in its meeting dated February 19, 2026.

Shivashrit Foods Limited

Formerly Shivashrit Foods Pvt. Ltd.

C) General Corporate Purposes – No variation.

The Board of Directors believes that the proposed variation is in the best interest of the Company and its stakeholders and will enable more efficient deployment of funds.

5. Risk factors pertaining to the new objects

The risks associated with the revised objects are broadly similar to those disclosed in the Prospectus. The Board has assessed these risks and believes that appropriate mitigation measures are in place.

6. The place from where any interested person may obtain a copy of the notice of resolution to be passed.

Any interested person may access the notice of the EGM from the Company's website at www.shivashritfoods.com and the website of National Stock Exchange of India (NSE) at www.nseindia.com, the Stock Exchange where the securities of the Company are listed.

7. Name of the director who voted against the proposed variation/alteration.

None of the directors present at the board meeting held on February 19, 2026 had voted against the proposed variation/alteration.

8. Any other relevant information which is necessary for the members to take an informed decision on the proposed resolution

Accordingly, in terms of the provisions of Sections 27 of the Companies Act, 2013 and any other applicable provisions and the rules made there under, the Company seeks approval of the members by way of Special Resolution for Change in Implementation Details of The Expansion Project, Without Any Variation in Objects or Utilisation of the IPO Issue Proceeds

None of the Directors, Key Managerial Personnel and their relatives are concerned or interested, in the resolutions set forth in Resolution No. 1 of this Notice except to the extent of the promoter directors giving the proposed land for the expansion project on lease to the company and to the extent of their shareholdings in the Company.
