Appointment of Chief Sustainability Officer (CSO)

Shree Cement [SCL] today announced the appointment of Mr. Shrinath Savoor, as Chief Sustainability Officer (CSO) of the Company with effect from 9th August, 2021.

Mr. Savoor, a Fellow Chartered Accountant, will steer SCL's efforts towards strengthening of its sustainability and ESG value proposition. Mr. Savoor will focus on augmenting SCL's engagement in the areas of climate change, long term corporate sustainability and delivering inclusive growth.

The appointment will help bring more focused approach in its drive towards catalyzing sustainability as a major driver of its growth. It is a reflection of SCL's efforts to reinforce its sustainability credentials and boost stakeholder engagement.

Shree Cement [SCL] is recognized as one of the most efficient and environment friendly organization in the global cement industry. SCL is one of the first few Cement Companies in India to separately report on its sustainability performance by publishing distinct CSR Reports. SCL has the distinction of being the first Cement Company in the world to be awarded the **Highest 5 - STAR Rating** by Whitehopleman, UK, a globally renowned consulting agency. SCL is also the first Cement Company and one of the three Indian companies identified as **New Sustainability Champion** by World Economic Forum in 2011. SCL remains the first cement company to register its project under the Clean Development Mechanism [CDM] with the United Nations Framework Convention on Climate Change [UNFCCC]. SCL also has the distinction of having the largest capacity of waste heat recovery plants in the world, excluding China.
