**NOTES :-**

- 1) The above results were reviewed by the Audit Committee and approved by the Board at its Meeting held on January 25, 2011.
- 2) The following companies have been considered for the purpose of preparing Consolidated Financial Statements as per Accounting Standard on Consolidated Financial Statements (AS 21).

| Name of the Company          | Ownership in % |
|------------------------------|----------------|
| a) Shreyas Relay Systems Ltd | 100%           |
| b) Haytrans (India) Ltd      | 51%            |

- 3) The Statutory Auditors have carried out a limited reviewed of the Consolidated Financial Results for the Quarter ended December, 31 2010. During the Previous Year the Company had opted to publish Standalone Results, which were being reviewed during each quarter. Therefore the Consolidated Results for Quarter / Period ended December 31, 2009, disclosed above, were not reviewed.
- 4) The Company has exercised the option provided by the Government notification dated 31st March, 2009, under Accounting Standard 11 to capitalise/adjust the foreign exchange differences arising on reporting of long term foreign currency monetary items in so far as they relate to acquisition of depreciable capital assets. As per FAQ issued by the Institute of Chartered Accountants of India (ICAI) on the above Notification, exchange difference arising from foreign currency borrowings, to the extent they are regarded as an adjustment to the interest costs is to be considered as 'borrowing costs' as per Accounting Standard 16. Had the company followed this, the profit for the quarter ended December 31, 2010, would have been higher by Rs.0.95 lac and less by Rs 11.34 Lacs for the period ended on that date. Also the opening Reserves for the current year would have been less by Rs 182.19 lacs. The Auditors have qualified this non-adoption of FAQ issued by ICAI. Company does not agree with this interpretation of ICAI of the notification.
- 5) The Company has deferred the Dry dock expenses incurred during this quarter proportionately to the last quarter of the year instead of charging off the same to the Profit and Loss account on their incurrence, which is not in accordance with Accounting Standard 25 on interim financial reporting, due to which Dry dock expenses are understated and profit overstated to the extent of Rs 116.99 lacs for this quarter and for the period. The Auditors have qualified their review report for the quarter and period on this issue. However in the opinion of the Board this reflects the profit for the period more correctly.
- 6) Segment Reporting
- 7) While there were no investor complaints pending at the beginning of the quarter ending 31st December, 2010, the company received 7 investor complaints during the said quarter and the same have been resolved. Hence there are no pending complaints at that the end of the quarter ended 31st December, 2010.
- 8) Previous year/period figures have been regrouped/recast, wherever necessary.

- 4) The Company has exercised the option provided by the Government notification dated 31st March, 2009, under Accounting Standard 11 to capitalise/adjust the foreign exchange differences arising on reporting of long term foreign currency monetary items in so far as they relate to acquisition of depreciable capital assets. As per FAQ issued by the Institute of Chartered Accountants of India (ICAI) on the above Notification, exchange difference arising from foreign currency borrowings, to the extent they are regarded as an adjustment to the interest costs is to be considered as 'borrowing costs' as per Accounting Standard 16. Had the company followed this, the profit for the quarter ended December 31, 2010, would have been higher by Rs.0.85 lac and less by Rs 11.34 Lacs for the period ended on that date. Also the opening Reserves for the current year would have been less by Rs 182.19 lacs. The Auditors have qualified this non-adoption of FAQ issued by ICAI. Company does not agree with this interpretation of ICAI of the notification.
- 5) The Company has deferred the Dry dock expenses incurred during this quarter proportionately to the last quarter of the year instead of charging off the same to the Profit and Loss account on their incurrence, which is not in accordance with Accounting Standard 25 on interim financial reporting, due to which Dry dock expenses are understated and profit overstated to the extent of Rs 116.89 lacs for this quarter and for the period. The Auditors have qualified their review report for the quarter and period on this issue. However in the opinion of the Board this reflects the profit for the period more correctly.
- 6) Segment Reporting
- 7) While there were no investor complaints pending at the beginning of the quarter ending 31st December, 2010, the company received 7 investor complaints during the said quarter and the same have been resolved. Hence there are no pending complaints at that the end of the quarter ended 31st December, 2010.
- 8) Previous year/period figures have been regrouped/recast, wherever necessary.
