EXPLANATORY STATEMENT

By way of special resolutions passed on July 25, 2018 through postal ballot/ evoting, the members of the Company authorised the Board of Directors ("Board", which term shall be deemed to include any Committee, which the Board may have constituted or hereinafter constitute from time to time by whatever name called to exercise its power including the power conferred by this resolution) to create charge upto a sum of ₹ 45,000 crores (Rupees Forty Five Thousand crores) on PROPERTY (ies) of the Company to secure any loan(s),security(ies),debenture(s), deposit(s) and other borrowings outstanding at any point of time for the purpose of business of the Company in favour of the LENDERS in connection with its borrowings.

The Company is a non-banking finance company engaged in the business of financing /lending to its customers/ borrowers. For the purpose of lending, the Company needs funds from time to time. For secured borrowings, the Company creates security by way of mortgage/ charge/hypothecation of movable/ immovable properties of the Company, both present and future, in favour of the LENDERS in such form, manner and ranking as may be required by the LENDERS including modification/ perfection thereof from time to time. This may involve sale, lease or disposal of whole or substantially whole of the Company's undertaking.

Section 180 (1) (a) of the Companies Act, 2013 provides that the Board of a public Company shall not, except with the consent of the company in the General Meeting sell, lease or otherwise dispose of the whole or substantially the whole of the undertaking of the Company or where the Company owns more than one undertaking, of the whole or substantially the whole of any of such undertakings. "Undertaking" shall mean an undertaking in which the investment of the Company exceeds twenty per cent of its net worth as per the audited balance sheet of the preceding financial year or an undertaking which generates twenty per cent of the total income of the Company during the previous financial year. The expression "substantially the whole undertaking" in any financial year shall mean twenty per cent or more of the value of the undertaking as per the audited Balance Sheet of the preceding financial year.

The business of the Company is planned to grow and growth in business requires funds/finance. Few of the sources of finance for the Company are borrowing, securitisation and assignment. In order to increase funds/ finance, the Company would borrow/raise funds from time to time for the purpose of its business by way of different types of loans, Debentures (private placement and public issue), Bonds, Securities, Deposits, financial assistance from various LENDERS apart from working capital facilities from Banks in the ordinary course of business. The proposed amount of borrowings may be upto an amount of ₹ 40,000 crores from LENDERS. The LENDERS would require securities for such borrowings. The securities to be offered may be upto be 1.25 times of the amount borrowed. The security required to be created for ₹ 40,000 crores borrowings on PROPERTY (IES) of the Company is expected to be ₹ 50,000 crores in favour of the LENDERS. The security may be created by registration of charge with Registrar of Companies or any other authority/Government by way of agreement. The terms and conditions of each such loan and the charge to be created may vary from one another. The amounts will be borrowed and charges shall be created during the course of the business at different point of time. So, the Board is required to be authorised to create charge on PROPERTY (IES) of the Company to the extent of ₹ 50,000 crores for the said loans on the terms and conditions and time of creation of such charge as may be decided suitable by the Board. The borrowings and creation or registration of charge would require different documents to be executed with such LENDER(S) by the Company. The documents to be executed for the purpose may contain a provision to take over the substantial assets of the Company in certain events.

The Company may also raise funds by securitising/ assigning the receivables/assets of the Company. Securitisation is the process by which financial assets such as loan receivables, mortgage backed receivables, hire-purchase debtors, lease receivables are transformed into securities and sold. Securitisation would amount to selling down the assets/receivables of the Company for consideration. Assignment would require the assignment of receivables to the Assignee for a consideration. Securitisation and Assignment are governed by regulations of Reserve Bank of India. Section 180 (1) (a) of the Companies Act, 2013 requires that the Board of Directors shall exercise the power to sell the assets of the Company with the consent of the Company by a special resolution. In view of increased business of the

Company which requires more funds, the Company may also raise funds through securitisation/assignment. The proposed amount of securitisation/assignment may be ₹ 7,500 crores (Rupees Seven thousand five hundred crores) outstanding at any point of time. In case of securitisation/assignments, it would require sale down or assign the assets/receivables of the Company. This would require execution of several agreements with Assignees or the Institutions/Banks/Trustees for the securitisation/assignment of the PROPERTY(IES) so securitised/assigned. This may require registration of charge/ownership by suitable modes on all or some of the movable and/or immovable PROPERTY (IES) of the Company, both present and future in favour of Assignees or the Institutions/Banks/Trustees as the case may be. The documents to be executed between the Company and such Assignees or the Institutions/Banks/Trustees may contain a provision to take over the substantial assets of the Company in certain events.

The proposed resolution set out in this Notice seeks to authorise the Board to create/modify/perfect charge the PROPERTY(IES)/ASSETS including receivables of the Company to secure loans, debentures, securities, deposits, bonds, financial assistance, credit facilities obtained/to be obtained from LENDERS, security holders, Trustees upto ₹ 50,000 crores at any point of time (previous limit ₹ 45,000 crores) and to securitise/sale down /assign from time to time the PROPERTY(IES)/ASSETS of the Company for the purpose of securitisation/assignment not exceeding ₹ 7,500 crores at any point of time. The Board recommends the passing of the resolution set out in this Notice as a Special Resolution by the shareholders of the Company. None of the Directors, Key Managerial Personnel of the Company and their relatives thereof are interested or concerned financial or otherwise in the resolution set out in this Notice except to the extent of their holding in securities of the Company.
