SEPC Limited Bags Massive Order worth ₹854.57 Crore from SAIL; New Order Strengthens Its Industrial EPC Leadership

Chennai, August 6, 2026: SEPC Limited (NSE: SEPC | BSE: 532945), a leading EPC company with established expertise in industrial infrastructure, process plants, water and wastewater management, has secured a **Letter of Acceptance (LoA)** from **Steel Authority of India Limited (SAIL) – IISCO Steel Plant (ISP), Burnpur**

As part of the project, SEPC will execute the **Pellet Plant BOP including Civil and Structural Works** for the Pellet Plant Package-2 at **SAIL-IISCO Steel Plant, Burnpur**, supporting the steel producer's **4.08 MTPA Crude Steel Expansion Project**.

The order, valued at ₹854.57 Crore (net of Input Tax Credit), entails the execution of Pellet Plant BOP including Civil & Structural Works (Pellet Package-2) and will be completed over a period of **32 months**.

This prestigious order further strengthens SEPC's presence in the industrial EPC segment and reflects the continued trust of marquee customers in the Company's engineering capabilities and project execution expertise. Over the years, SEPC has built a diversified portfolio across industrial infrastructure, water and wastewater management, roads and mining, successfully executing complex projects for both government and private sector clients.

The Company remains focused on expanding its project portfolio by leveraging its technical expertise, disciplined execution approach, and strong customer relationships. **With a healthy pipeline of opportunities across infrastructure and industrial sectors, SEPC continues to strengthen its position as a trusted EPC partner,** supporting India's long-term infrastructure and manufacturing growth.

Commenting on the update Mr. Venkataramani Jaiganesh, Managing Director, SEPC Limited, said:
"We are pleased to receive this prestigious Letter of Acceptance from SAIL-IISCO Steel Plant for the Pellet Plant BOP Package. This order reflects the confidence placed in SEPC's engineering expertise and execution capabilities in delivering large-scale industrial infrastructure projects. As India's steel industry continues to expand to meet the country's long-term infrastructure and manufacturing aspirations, SEPC remains committed to delivering this project with the highest standards of quality, safety and operational excellence. We believe this order further strengthens our position in the industrial EPC segment and provides strong momentum to our project portfolio."
