From Waste to Worth: A Decade of Powering Change

India stands at a pivotal crossroads—every year, close to 700 million metric tonnes (MMT) of agricultural residue is generated. After fulfilling critical rural needs like cattle feed, composting, and household fuel, 220 MMT of surplus biomass remains. This leftover, often seen as mere waste, is in fact an enormous renewable energy resource waiting to be tapped.

A decade ago, rural households managed much of this biomass efficiently. Yet, as agricultural practices evolved and lifestyles changed, traditional uses waned. The pressure to prepare fields for repeat cropping intensified, while widespread, organized methods for surplus biomass disposal failed to materialize.

This gap led to a troubling consequence: the rise of open-field burning, especially in agrarian belts like Punjab, Haryana, and Uttar Pradesh. The results have been severe:

Widespread Air Pollution

Smog and particulates threaten both rural and urban air quality and public health.

Greenhouse Gas Emissions

Crop burning releases massive volumes, compounding climate challenges.

Soil Degradation

Valuable nutrients and organic matter are lost, weakening agricultural productivity and long-term soil health.

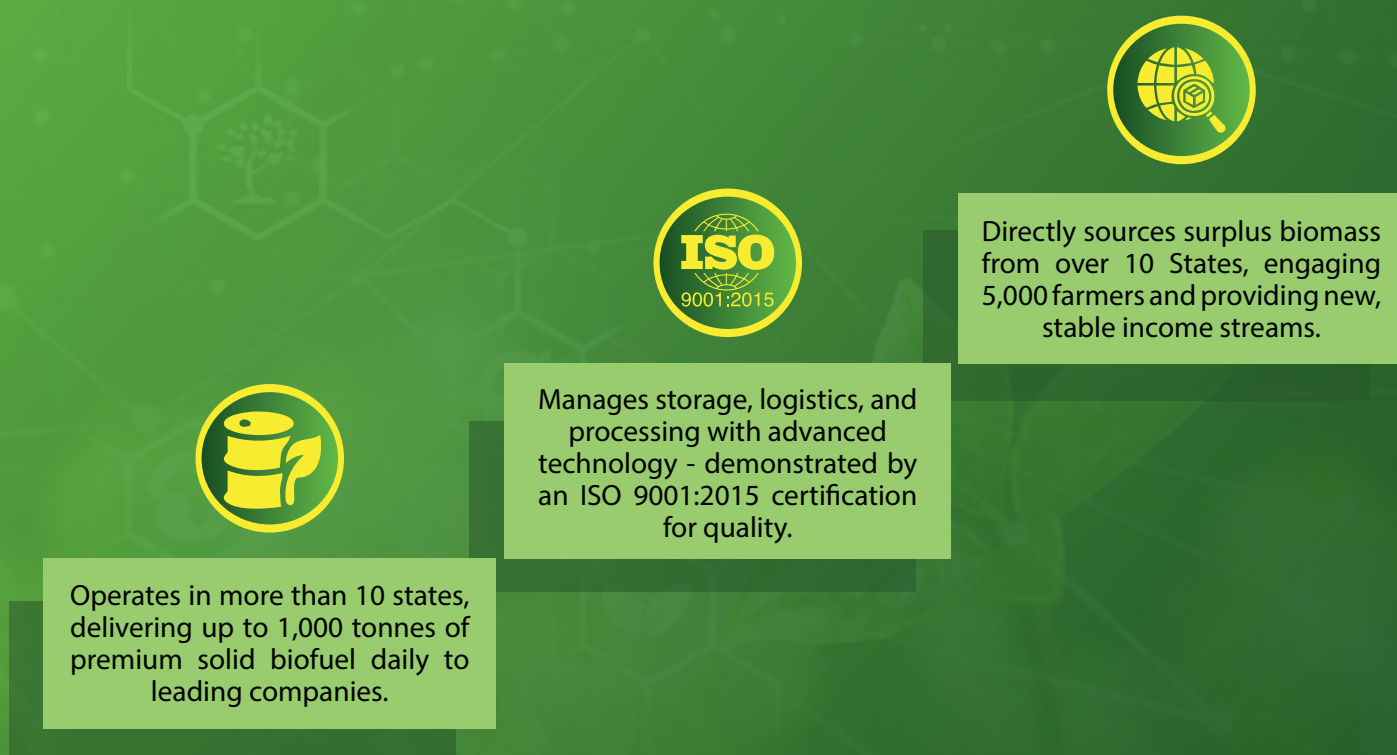

Lost Opportunities

Treating biomass as waste ignores its immense worth as a clean energy source.

Powering Change - The Shubhshree Approach

It was against this backdrop of crisis that Shubhshree Biofuels Energy Limited (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) became a catalyst for a decade of change. By reframing surplus agricultural residue as a storehouse of worth, the company launched pioneering systems to collect, process, and convert this untapped resource into dependable,

Shubhshree's Integrated "Farm-to-Fuel" Model

This approach has replaced the old "waste disposal" paradigm with a circular, value-driven model. By transforming what was once burned into a sustainable substitute for fossil fuels in thermal power plants, industrial units, and brick kilns, Shubhshree sets the benchmark for "waste-to-worth" impact.

Enabling a Decade of Impact-Policy, Partnership, and Progress

Policy and Ecosystem Support

In recognition of this urgent transition, the government has implemented pivotal policies:

- » Mandated co-firing: Up to 7% biomass in thermal power plants by FY 2025–26.
- » Progressive adoption in brick kilns: Brick kilns in Punjab and Haryana must use 50% biomass fuels by 2028.
- » Support mechanisms: State infrastructure funding, capital subsidies, and institutional procurement, all sustaining a robust biomass value chain.

Multi-Layered Benefits

Farmers and Rural Communities:

By turning surplus biomass into a valuable resource, Shubhshree helps increase farmers' incomes and generates new jobs, strengthening rural livelihoods and local economies.

Industrial Customers:

Industries receive a reliable supply of clean, renewable biomass fuels that support their compliance with national clean energy goals and ESG commitments, reducing their environmental impact.

Society and the Environment:

Shubhshree's efforts lead to a sharp decline in crop residue burning, improving air quality, preserving soil health, and contributing to India's climate action targets.

Women Empowerment:

By creating inclusive opportunities in biomass collection, processing, and allied activities, Shubhshree enables women in rural areas to participate actively in the value chain. This not only enhances their incomes and financial independence but also promotes social equity and stronger community development.

Looking Ahead

Shubhshree's unwavering commitment to growth and innovation—expanding closer to raw material hubs and investing in R&D—ensures continued leadership in the biomass revolution. This decade-long journey epitomizes the transition from waste to worth, lighting the way for energy independence and a greener, cleaner India.

Together with stakeholders and policy leaders, Shubhshree is shaping a brighter future—one where every pellet tells the story of waste transformed into enduring worth.

Integrated Annual Report Suite | FY 24-25

BOARD'S WELCOME ADDRESS

We are delighted to present the Shubhshree Biofuels Energy Limited Integrated Annual Report for FY2024-25. Our relentless commitment continues—transforming India's vast surplus agricultural residue into a sustainable energy future. Through persistent innovation and a spirit of collaboration, we nurture optimism and ingenuity, empowering rural livelihoods while driving a nationwide transition toward clean energy.

Our journey is anchored in robust corporate governance, integrity, and complete transparency. With deep gratitude for all stakeholders, we reaffirm our dedication to India's sustainable growth, environmental stewardship, and energy independence.

ABOUT THIS REPORT

This Annual Report offers an encompassing review of Shubhshree's financial and non-financial performance for FY2024-25. It provides actionable insights into our strategy, community investments, supply chain innovation, and risk management. Highlighting our collaboration with over 5000 farmers this year, this report reflects our continuous efforts to create positive impact—locally and nationally.

This edition is meticulously prepared through multi-level stakeholder engagement and adheres to leading principles of sustainability, integrated reporting, and regulatory compliance.

ADVANCING THE SUSTAINABLE DEVELOPMENT GOALS

In line with India's clean energy ambitions and the United Nations Sustainable Development Goals (UN SDGs), Shubhshree places a special focus on:

- ◇ Responsible Production & Consumption
- ◇ Affordable & Clean Energy
- ◇ Decent Work & Economic Growth
- ◇ Climate Action

These priorities are embedded into our "farm-to-fuel" model—turning crop residue once considered waste into clean energy, better incomes for rural families, and cleaner air for all.

REPORTING PERIOD

This Annual Report covers our standalone and consolidated operations for the period April 1, 2024 to March 31, 2025. All major Key Performance Indicators, with reference to organizational structure and Board composition are disclosed as of 31st March, 2025.

REPORTING PRINCIPLES & FRAMEWORK

Our disclosures in this report are rooted in:

- ◇ Companies Act, 2013 (India)
- ◇ SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015
- ◇ Institute of Company Secretaries of India Secretarial Standards
- ◇ International Integrated Reporting Council (<IR>) framework to the extent applicable.
- ◇ Global Reporting Initiative (GRI) Standards to the extent applicable.

SCOPE AND BOUNDARY

The scope extends well beyond statutory requirements, encompassing operational performance, strategic risk, governance, climate impact, stakeholder relationships, and value creation. It covers all manufacturing and logistics assets, sustainability projects, and community engagement initiatives driven by Shubhshree Biofuels Energy Limited for FY2024-25.

PRECAUTIONARY APPROACH

Shubhshree is firmly committed to a safe and sustainable operating environment. We prioritize ethical conduct, transparent disclosures, and proactive risk management. Our core values—responsibility, collaboration, and innovation guide our mission to deliver consistent value to all stakeholders, while continually striving to minimize our environmental footprint and support a regenerative energy ecosystem.

Company Overview

Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) Empowering Industries, Sustaining Future

Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited), headquartered in Jaipur, Rajasthan, is India's pioneering listed company solely dedicated to the production and supply of solid bioenergy. Established in 2013, Shubhshree has rapidly positioned itself as a leading force in the biomass fuel industry by transforming agricultural waste into high-quality biomass pellets and briquettes — a 100% coal substitute that supports India's green energy transition.

With a fully integrated "farm-to-fuel" model, the company exerts complete control over its supply chain, from raw material procurement — primarily sourced directly from over 10 states and 5000 employed farmers — to manufacturing and distribution, ensuring consistent product quality and operational efficiency. Shubhshree's production capacity exceeds 5 lakh metric tonnes annually, fulfilling the energy needs of power plants, large industries, and multinational corporations across more than 10 Indian states.

The company's product portfolio includes a wide range of eco-friendly biomass fuels such as non-torrefied pellets, briquettes, and biomass husk products, crafted using advanced mechanical compression and binderless technology. These products offer a sustainable, cost-effective, and regulatory-compliant alternative to conventional fossil fuels, helping customers reduce their carbon footprint.

Shubhshree is committed to environmental sustainability and social empowerment. By mitigating the harmful practice of crop residue burning, the company contributes meaningfully to air quality improvement, CO₂ emission reduction, water conservation, and enhancement of rural livelihoods. It has demonstrated strong community impact by creating thousands of rural jobs and providing additional income streams for farmers.

Backed by robust government regulations, including mandatory biomass co-firing in thermal power plants and institutional support such as capital subsidies and priority sector lending, Shubhshree is strategically positioned to capitalize on the growing demand for renewable bioenergy solutions in India. Its experienced leadership team with deep industry knowledge, coupled with state-of-the-art manufacturing facilities and a widespread logistics network, reinforce its competitive advantage in the fragmented biomass sector.

Financially, Shubhshree has exhibited accelerated growth, achieving over 72% year-on-year revenue increase in the latest fiscal year, driven by expanding production capacity and deepening market penetration. The company targets further scaling with a focus on innovation, quality enhancement, and sustainability to deliver long-term value to its stakeholders and contribute significantly to India's renewable energy goals.

Our Journey

At Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited), our journey embodies rapid growth, transformative impact, and an unwavering commitment to sustainability. Since our inception in 2013, we have achieved remarkable milestones, scaling operations and expanding our reach across India while generating significant positive

National Expansion & Capacity Growth

Our vision for national leadership took shape through:

◊ Extending our delivery network to serve over 10 states across India.

◊ Commissioning three new plants in Madhya Pradesh, Chhattisgarh, and Haryana, solidifying our manufacturing footprint.

◊ Boosting our production capacity to over 1,000 tonnes per day, enabling us to efficiently cater to increasing demand and deliver on our green energy promise.

Community Impact & Growth

Our impact quickly broadened:

◊ Over 5,00 farmers joined hands with us, gaining employment through biomass collection and processing activities.

◊ We expanded our initial deliveries, extending our reach to five states, and deepening our engagement with rural communities.

2025

2024

2022

2021

High-Volume Supply Achieved

We celebrated a significant milestone by scaling our supply to 600 tonnes per day, demonstrating our operational capability and readiness to serve large-scale industrial and power sector demands.

Biomass Fuel Operations Commenced

We launched our maiden operations by supplying high-quality biomass briquettes and pellets, initiating raw material collection from over 16 villages. This marked our crucial step into the bioenergy sector, establishing the foundation for an integrated and scalable supply chain.

Throughout our journey, we have consistently focused on technological enhancement, rural empowerment, and responsible business practices. Each milestone has propelled us further on our mission to make clean, sustainable biofuels accessible, affordable, and impactful, as we contribute meaningfully to India's renewable energy future.

Our Mission

Our mission is to be a leading agricultural recycling company, focused on technology, sustainability, empowerment, and innovation—ensuring inclusive growth, value creation, and strong environmental and social responsibility.

Our Vision

Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) aims to lead India's biofuel sector by delivering quality, sustainable energy solutions that create customer value and positively impact both micro and macro environments.

Our Values

At Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited), we value trust, passion, fairness, and relationships—fostering integrity, sustainability, and partnerships that drive long-term stakeholder value and contribute to a cleaner,

Our Presence

Over the past decade, Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) has transformed the bioenergy landscape of India, turning agricultural waste into valuable, sustainable fuel and touching the lives of communities across the nation. Our journey from a regional enterprise to a national force is reflected in our expansive and ever-growing presence, which now firmly spans the country's key industrial and agricultural heartlands.

With a robust and strategic presence across more than 10 states, Shubhshree has established itself as a trusted partner for customers ranging from thermal power plants and leading industries to progressive state utilities. Our operations are concentrated in prominent regions of North, Central, West, and East India, with significant revenue generated from Northern states—a testament to our vital role in supporting the area's clean energy requirements.

Our state-wise footprint encompasses:

- ◇ Delhi & NCR
- ◇ Uttar Pradesh

- ◇ Haryana
- ◇ Punjab
- ◇ Rajasthan
- ◇ Uttarakhand
- ◇ Himachal Pradesh
- ◇ Jammu
- ◇ Madhya Pradesh
- ◇ Odisha
- ◇ Chhattisgarh
- ◇ Maharashtra
- ◇ Gujarat

This widespread coverage ensures a resilient supply chain and allows us to serve a diverse client base, enhance resource accessibility, and maximize our positive impact on local economies and the environment.

Through deeply established roots in rural India, Shubhshree sources raw material directly from thousands of farmers and villages, converting waste biomass into high-value energy solutions. With operational offices strategically located in Jaipur and Gurugram, and production facilities in multiple states, we ensure seamless manufacturing, distribution, and customer support throughout our network.

Each pellet and briquette produced not only powers industries with clean energy but also supports sustainable livelihoods, prevents harmful crop burning, and delivers measurable improvements in air quality and rural prosperity. Our geographical reach amplifies our ability to deliver on the promise of the circular economy—extracting worth from waste—and exemplifies our mission of driving meaningful, large-scale change.

As we celebrate “A Decade of Powering Change,” our extensive and growing presence underscores our commitment to creating value, fostering sustainability, and catalyzing a cleaner energy

Product Portfolio

At Shubhshree Biofuels Energy Limited (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited), we offer a diverse range of high-quality bioenergy products, meticulously crafted to meet the growing demand for renewable and sustainable energy solutions. Our product offerings are categorized into three major segments:

Biomass Husk

- ◆ Paddy Straw
- ◆ Mustard Husk
- ◆ Rice Husk
- ◆ Bagasse
- ◆ Groundnut Shells
- ◆ Almond Shells
- ◆ Cashew Shells

Biomass Briquettes & Pellets

- ◆ Mustard Briquettes
- ◆ Sawdust Briquettes
- ◆ Groundnut Briquettes
- ◆ Soyabean Briquettes
- ◆ Pinewood Briquettes

Non-Torrefied Biomass Pellets

- ◆ Paddy Straw Pellets
- ◆ Mustard Pellets
- ◆ Groundnut Pellets
- ◆ Saw Dust Pellets
- ◆ Pine Wood Pellets

Competitive Strengths

From Waste to Worth: A Decade of Powering Change

At Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited), our decade-long journey of transforming agricultural residue into impactful energy solutions is driven by a set of core competitive strengths that distinguish us as a leader in India's bioenergy sector:

Experienced Leadership with Sector Mastery

Our success stems from a dedicated team of seasoned professionals, equipped with deep expertise in biomass supply chain management. This ensures seamless, efficient, and reliable operations, empowering us to convert waste into sustainable worth at scale.

Tailored, Cost-Effective Energy Solutions

We pride ourselves on delivering customized briquettes and pellets that meet diverse client needs—balancing affordability, flexibility, and performance—thereby enabling industries to transition smoothly to cleaner fuel alternatives.

Integrated, End-to-End Control

By owning the entire process—from sourcing raw biomass directly from rural communities, through advanced processing, to efficient distribution—we maintain uncompromising quality standards and operational excellence at every step.

Comprehensive, Client-Centric Service Model

Our all-in-one approach encompasses expert consultancy, flexible supply agreements, and ongoing support, ensuring a seamless customer experience and fostering long-term partnerships built on trust and shared sustainability goals.

State-of-the-Art Manufacturing Capabilities

Our cutting-edge, in-house manufacturing facilities harness advanced technologies to deliver scalable, innovative, and high-precision biofuel products, reinforcing our commitment to continuous improvement and market leadership.

Unwavering Commitment to Sustainability

Central to our mission is converting agricultural waste into clean, renewable energy — reducing environmental impact, preventing crop residue burning, and supporting India's ambitious renewable energy targets. Our sustainability ethos drives economic empowerment in rural communities and contributes meaningfully to a greener future.

Together, these strengths have powered our transformation “From Waste to Worth,” enabling Shubhshree Biofuels to lead India's bioenergy revolution while creating lasting value for our stakeholders, the environment, and society at large.

Exhibitions Attended

Shubhshree Biofuels Energy Limited (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) participated as a bonafide exhibitor in Biofuel Expo 2025, held from June 4–6, 2025 at the India Expo Centre, Greater Noida. The event, organized by the Green Society of India and Indian Exhibition Services, brought together industry leaders, innovators, and policymakers to advance the biofuel and sustainable energy sector.

By attending, Shubhshree Biofuels gained industry exposure, networked with potential clients and partners, accessed new market opportunities, and stayed updated on the latest technologies and trends in biofuels. The exhibition accelerated business collaboration and reinforced the company's commitment to sustainable energy solutions.

Financial Highlights & Analysis

FY 2024-25

Shubhshree Biofuels Energy Ltd. (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) delivered another year of outstanding financial performance, underscoring its rapid growth trajectory and strengthening its leadership in the Indian bioenergy sector. The following key financial highlights for FY 2024-25 showcase the scale of our expansion, operational excellence, and robust profitability.

Exceptional Revenue Growth

◇Revenue from Operations soared to ₹16,266.05 lakh, registering a remarkable 72.77% year-on-year growth from ₹9,414.60 lakh in FY 2023-24 and nearly tripling from ₹5,861.60 lakh in FY 2022-23.

◇3-Year CAGR for Revenue: 66.50%, reflecting sustained upward momentum and deeper market penetration.

Profitability on the Rise

◇EBITDA surged to ₹1,126.87 lakh, up by 126.68% from the previous year, demonstrating strong operating leverage. The EBITDA margin improved to 6.93% from 5.28% last year.

◇PAT (Profit After Tax) more than doubled to ₹808.93 lakh (up 144.90% YoY), with PAT margin rising to 4.97% from 3.51% last year, driven by higher volumes, scalable operations, and optimized costs.

◇EPS (Earnings Per Share) climbed to 17.54, more than doubling year-on-year, reflecting enhanced shareholder value.

Strengthened Balance Sheet

◇Total Assets grew to ₹5,075.04 lakh, up significantly from ₹1,396.85 lakh in FY 2023-24, and ₹591.44 lakh in FY 2022-23, infusing scale and resilience into the business.

Our Clientele

Message from Chairman's Desk

Dear Valued Shareholders,

It is with immense pride and deep gratitude that I present to you the 12th Annual Report of Shubhshree Biofuels Energy Limited for the financial year 2024-25—a year that stands as a significant milestone in our company's journey.

A Landmark Year: Transition to Public Listing

Originally incorporated in 2013 as Shubhshree Bricks Private Limited, we have undergone a strategic evolution over the years. This culminated in a major milestone in September 2024, with our successful listing on the SME Platform of the National Stock Exchange of India Limited (NSE Emerge). Our Initial Public Offering (IPO) received an overwhelming response, being oversubscribed by approximately 133 times. Our shares debuted at ₹189, representing a 58.8% premium over the issue price of ₹119—an emphatic endorsement of our vision and business model by the investor community.

In FY 2024–25, we achieved an impressive sales volume of 230794.151 tonnes of biomass fuels, including pellets and briquettes. Our clientele expanded to include industry stalwarts such as Reliance Industries Limited, NTPC, Lupin, Hindalco, and Mother's Dairy, Nabha Power Limited, Maharashtra State Power Generation Company Limited, Sanathan Polycot Private Limited, reaffirming our position as a trusted and reliable energy solutions provider.

To support this robust growth, we strategically incorporated two subsidiary companies and one wholly-owned subsidiary, thereby strengthening our footprint in key states such as Madhya Pradesh, Chhattisgarh, and Rajasthan. These developments underscore our operational agility and lay a strong foundation for scalable and sustainable growth.

At the heart of our operations lies a commitment to environmental sustainability. Our biomass fuels serve as clean, renewable alternatives to fossil fuels. We have obtained multiple certifications that validate our adherence to environmental norms and quality standards, reinforcing our dedication to responsible business practices.

Our success would not have been possible without the unwavering commitment of our highly experienced team—from industry veterans to skilled supervisors and technicians—whose expertise has been instrumental in delivering on our strategic objectives.

With favorable government policies and the rising demand for renewable energy, Shubhshree Biofuels Energy Limited is well-positioned to seize the emerging opportunities within the biomass fuel sector.

In closing, I extend my heartfelt gratitude to our employees, clients, vendors, advisors, and most importantly, to you—our valued shareholders—for your continued trust and support. I also thank our Board Members and Independent Directors for their steadfast guidance and vision.

We look forward to your continued association as we embark on this exciting new chapter in our company's evolution.

Yours Sincerely,
Sagar Agrawal
Chairman & Managing Director

With respect to Rule 5(2), no employee of the company is drawing salary as specified in the Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014. Therefore, particular of the employees of the Company to be given as required is NIL.

32. CORPORATE GOVERNANCE REPORT

As per Regulation 15(2) of the Listing Regulations, the compliance with the Corporate Governance provisions shall not apply in respect of the following class of companies:

- a. Listed Entity having paid up equity share capital not exceeding Rs.10 crore and Net Worth not exceeding Rs.25 crore, as on the last day of the previous financial year;
- b. Listed Entity which has listed its specified securities on the SME Exchange.

Since, the Company falls in the ambit of aforesaid exemption (b); hence compliance with the provisions of Corporate Governance shall not apply to the Company and it also does not form part of the Annual Report for the Financial Year 2024-25.

However, our Company has complied with all the disclosures and requirements which are applicable under all the rules, regulations for the time being in force.

33. CODE OF CONDUCT

The code of conduct has been circulated to all the members of the Board and Senior Management Personnel and they have affirmed their compliance with the said code of conduct for the financial year ended on March

31, 2025. The code of conduct has been posted on the Company's website at <https://shubhshreebiofuels.co.in/wp-content/uploads/2024/03/code-of-conduct-of-board-senior-management.pdf>.

34. MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Management Discussion & Analysis Report for the year under review, as stipulated under Regulation 34(2) (e) of SEBI (LODR) Regulations is annexed herewith as Annexure-IV.

35. COMPLIANCE WITH SECRETARIAL STANDARDS

The Company has complied with all the applicable Secretarial Standards issued by the Institute of Company Secretaries of India.

36. LISTING OF SHARES

Your Company's shares are listed at Emerge SME Platform of National Stock Exchange of India Limited (NSE Emerge) and the listing fee for the year 2025-26 has been duly paid.

37. DIRECTORS' RESPONSIBILITY STATEMENT

As required by Section 134(3) (c) of the Act, your Directors state and confirm that:

- a) In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2025 and of the profit and loss of the Company for the year ended on March 31, 2025;
- c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors have prepared the annual accounts on a 'going concern' basis;
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

38. DETAILS OF APPLICATION MADE OR ANY PROCEEDING PENDING UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 (31 OF 2016) DURING THE YEAR ALONGWITH THEIR STATUS AS AT THE END OF THE FINANCIAL YEAR

During the Financial Year under review, the Company has neither made any application nor any proceeding is pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016), therefore, it is not applicable to the Company.

39. DISCLOSURE OF CERTAIN TYPES OF AGREEMENTS BINDING ON THE COMPANY

There is no agreement impacting management or control of the company or imposing any restriction or create any liability upon the company as specified in Clause 5A of Para A of Part A of Schedule III of Listing Regulations.

40. OTHER DISCLOSURES

Other disclosures with respect to Board's Report as required under the Companies Act, 2013 and the Rules notified there under are either **NIL** or **NOT APPLICABLE** during the period under review.

41. APPRECIATION

Your Directors wishes to place on record their appreciation towards the contribution of Bankers, all stakeholders, business associates of the Company, Central and State Government departments, their local authorities for their co-operation, guidance and support and look forward to their continued support in future.

“ANNEXURE-II”**Form No. MR-3****SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Shubhshree Biofuels Energy Limited
(Formerly known as Shubhshree Biofuels Energy
Private Limited and Shubhshree Bricks Private Limited)
Plot No. 8, Ganesh Vihar B,
Pandit T.N Mishra Marg, Nirman Nagar,
Shyam Nagar, Jaipur – 302 019 (Rajasthan)

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Shubhshree Biofuels Energy Limited (Formerly known as Shubhshree Biofuels Energy Private Limited and Shubhshree Bricks Private Limited) (hereinafter called “the Company”)**. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2025 (**‘Audit Period’**) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers)

Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 ('SEBI PIT Regulations');
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 **(Not applicable to the Company during the Audit Period);**
 - (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 **(Not applicable to the Company during the Audit Period);**
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 **(Not applicable to the Company during the Audit Period);**
 - (h) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 **(Not applicable to the Company during the Audit Period);**
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations'); and
 - (j) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018
- (vi) As confirmed by the management, there are no sector specific laws that are applicable specifically to the company.

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standards issued by The Institute of Company Secretaries of India;
- ii. The Listing Agreements entered into by the Company with National Stock Exchange of India Ltd.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above **except that:**

1. The Company has made delayed entries in the Structured Digital Database maintained under regulation 3(5) of the SEBI PIT Regulations; and
2. The Company has, for the half year ended September 30, 2024, not submitted the Statement of deviation or variation for proceeds of public issue prepared in accordance with Regulation 32 of the SEBI Listing Regulations, within the timeline prescribed under SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were

sent at least seven days in advance. Further, independent director(s) were present at Board Meetings which were called at shorter notice to transact business which were considered urgent by the management in compliance of Section 173(3) of the Act. A system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the Company has:

- (a) Completed the Initial Public Offering (IPO) of 13,92,000 (Thirteen Lakh Ninety Two Thousand) equity shares of Rs. 10/- (Rupees Ten Only) each at a price of Rs. 109/- (Rupees One Hundred and Nine Only) per share, vide Prospectus dated September 12, 2024 and the equity shares of the Company were listed at the EMERGE SME Platform of National Stock Exchange of India Ltd. and admitted to dealings with effect from September 16, 2024;
- (b) Incorporated wholly owned subsidiary in the name of Shubhshree Recycling Private Limited in the State of Rajasthan;
- (c) Incorporated two subsidiaries in the name of Ruralgreen Energy Private Limited and Ecodensify Solutions Private Limited, in the State of Chhattisgarh and Madhya Pradesh respectively.
- (d) Duly passed resolution under Section 185 of the Act read with its applicable rules, as amended, to authorize the Board of Directors of the Company to advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by its Subsidiary Companies (i.e. Ruralgreen Energy Private Limited and Ecodensify Solutions Private Limited) which together with the existing loans, guarantee and security shall not exceed Rs. 10,00,00,000/- (Rupees Ten Crores Only);

MANAGEMENT DISCUSSION AND ANALYSIS

GLOBAL ECONOMY OVERVIEW

The global economic context has become modestly more favorable since last June, following several years characterized by overlapping negative shocks. Inflation appears to be moderating without a substantial slowdown in key economies, and monetary policy easing has now become widespread. In the next couple of years, deceleration in the two main engines of the global economy—the United States and China—is expected to be offset by firming growth elsewhere, including in many emerging market and developing economies. In all, the post-pandemic global economic expansion is forecast to remain on a steady path. However, the global economy appears to be settling at a relatively low level of growth—one insufficient to foster sustained economic development and catch up in per capita incomes—with the possibility of further headwinds from heightened policy uncertainty, growing trade fragmentation, slower than-anticipated progress in reducing inflation, and weaker activity in major economies. Global trade growth rebounded last year, despite weak manufacturing activity in some key advanced economies. The recovery was driven by goods trade, which firmed in the third quarter of last year, partly owing to inventory buildups. Meanwhile, services trade growth continued to moderate. In 2025-26, trade growth is set to pick up further but will still remain below its 2010-19 average pace in nearly two-thirds of economies. Recourse to trade restrictions remains prevalent—with the number of new measures implemented in 2024 five times higher than the 2010-19 average.

Aggregate commodity prices softened by about 3 percent in 2024, primarily reflecting improving supply conditions for energy and food commodities, despite heightened geopolitical tensions. Commodity prices are projected to ease further over the forecast horizon. A small decline in oil prices last year reflected ample potential oil supply amid decelerating global oil consumption. A significant further decrease in oil prices is expected in 2025-26 as production expands while global oil demand growth remains modest. Base metals prices are set to stabilize over the forecast horizon, mirroring steady global growth. Meanwhile, prices for staple food crops, having fallen notably in 2024, are expected to post a small further decline. Global headline inflation has continued to gradually ease, in part reflecting falling commodity prices and the lagged effects of monetary tightening.

Fiscal policy is estimated to have been broadly neutral for global growth in 2024, with previously expected fiscal consolidation plans delayed in some major economies. Going forward, fiscal policy is generally anticipated to be modestly contractionary. The pace of fiscal consolidation is expected to pick up in EMDEs excluding China, and in some advanced economies—although not in the United States—as governments intensify efforts to realign spending with revenues. This is likely to exert a modest drag on near-term global growth.

Global growth is stabilizing as inflation returns closer to targets and monetary easing supports activity in both advanced economies and emerging market and developing economies (EMDEs). This should give rise to a broad-based, moderate global expansion over 2025-26, at 2.7 percent per year, as trade and investment firm. However, growth prospects appear insufficient to offset the damage done to the global economy by several years of successive negative shocks, with particularly detrimental outcomes in the most vulnerable countries. From a longer-term perspective, catch-up toward an advanced economy, income levels have steadily weakened across EMDEs over the first quarter of the twenty-first century. Heightened policy uncertainty and adverse trade policy shifts represent key downside risks to the outlook. Other risks include escalating conflicts and geopolitical tensions, higher inflation, more extreme weather events related to climate change, and weaker growth in major economies. On the upside, faster progress on disinfla-

tion and stronger demand in key economies could result in greater-than-expected global activity. The subdued growth outlook and multiple headwinds underscore the need for decisive policy action. Global policy efforts are required to safeguard trade, address debt vulnerabilities, and combat climate change. National policy makers need to resolutely pursue price stability as well as boost tax revenues and rationalize expenditures in order to achieve fiscal sustainability and finance needed investments. Moreover, to raise longer-term growth and put development goals on track, interventions that mitigate the impact of conflicts, lift human capital, bolster labor force inclusion, and confront food insecurity will be critical.

INDIAN ECONOMY OVERVIEW

India continues to demonstrate robust economic performance amid global uncertainties, maintaining its status as the world's fastest-growing major economy. The International Monetary Fund (IMF) projects India's real GDP growth at 6.2% for 2025, supported by strong domestic demand and resilient private consumption. Inflationary pressures have eased significantly, with the Consumer Price Index (CPI) inflation declining to 3.16% in April 2025, the lowest since July 2019. This moderation is largely attributed to a substantial drop in food prices, notably an 11% year-on-year decrease in vegetable costs. The Reserve Bank of India (RBI) has responded by reducing the policy repo rate by a total of 50 basis points in 2025, bringing it down to 6.00% as of April 9, 2025.

The RBI's accommodative monetary policy stance aims to stimulate investment and consumption, further bolstering economic growth. With inflation under control and supportive fiscal measures in place, India's economic outlook for 2025 remains positive, underpinned by structural reforms and a focus on infrastructure development.

BIOFUEL SECTOR

Bio-fuels provide a strategic advantage to promote sustainable development and to supplement conventional energy sources in meeting the rapidly increasing requirements for transportation fuels associated with high economic growth, as well as in meeting the energy needs of India's vast rural population. Bio-fuels can increasingly satisfy these energy needs in an environmentally benign and cost-effective manner while reducing dependence on import of fossil fuels and thereby providing a higher degree of National Energy Security. The Indian approach to bio-fuels is based solely on non-food feedstocks to be raised on degraded or wastelands that are not suited to agriculture, thus avoiding a possible conflict of fuel vs. food security.

(Source: <https://pib.gov.in/newsite/PrintRelease.aspx?relid=56469>)

India boasts a strong agricultural and allied sector that contributes approximately 20% to the country's GDP and supports the livelihood of over 50% of the population. This vast agricultural base provides an abundant and widespread availability of biomass feedstock, positioning India uniquely for biomass fuel production. Biomass has long been an essential energy source in India, offering multiple benefits including renewability, carbon neutrality, and the potential to generate significant rural employment opportunities.

The cultivation of bioenergy crops such as jatropha, sugarcane, maize, and mustard alongside traditional crops pro-

motes agricultural diversification. This not only provides farmers with additional income streams but also enhances soil health through effective crop rotation practices. Additionally, converting agricultural residues—such as crop straw, husks, and other biomass—into biofuels supports waste reduction, offers farmers supplementary income, and improves overall agricultural productivity by optimizing resource utilization.

KEY STRUCTURAL DRIVERS FOR THE SECTOR

The biomass fuel sector in India is shaped by a combination of strategic, economic, and environmental factors that collectively drive its growth and development. These structural drivers establish the foundation for sustained expansion and innovation within the industry, positioning biomass as a pivotal component of India's renewable energy landscape.

Here is a list of a few structural drivers for the sector:

- **Abundant Agricultural Biomass Availability:** India's vast agricultural landscape generates significant quantities of biomass in the form of crop residues, forestry waste, and dedicated energy crops.. Over 700 MMT of agri-residue is generated annually; 220 MMT is surplus and underutilized. The large-scale availability of this feedstock provides a reliable raw material base essential for biomass fuel manufacturing. The strong linkage with the agricultural sector also helps in rural job creation and income diversification for farmers.
- **Supportive Government Policies and Regulatory Framework:** Governments across the globe, including India, have strengthened renewable energy mandates and carbon reduction targets, promoting biomass adoption.

India, in particular, is advancing policies to encourage biomass fuel integration. Notably, the Ministry of Power has mandated vide a notification dated June 16, 2023 that coal-based thermal power plants incorporate biomass pellets blended with coal. Effective from FY 2024-25:

- All coal based thermal power plants of power generation utilities with bowl mills, shall on annual basis mandatorily use minimum 5% blend of biomass pellets made, primarily, of agro residue along with coal with effect from FY 2024-25. The obligation shall increase to 7% with effect from FY 2025-26.
- All coal based thermal power plants of power generation utilities with ball & race mills, shall on annual basis mandatorily use 5% blend of biomass pellets (torrefied only) made, primarily, of agro residue along with coal with effect from FY 2024-25. The obligation shall increase to 7% with effect from FY 2025-26.
- All coal based thermal power plants of power generation utilities with ball & tube mills, shall on annual basis mandatorily use 5% blend of torrefied biomass pellets with volatile content below 22%, primarily made of agro residue along with coal with effect from FY 2024-25.
- Recently, pursuant to the Statutory Directions issued by the Commission for Air Quality Management (CAQM), all brick kilns located in districts beyond the NCR region of Haryana and in the State of Punjab are mandated to adopt co-firing using paddy straw-based pellets or briquettes. To support this directive, the States of Haryana and Punjab have outlined a phased implementation plan, aiming to achieve at least 50% co-firing by November 1, 2028. The year-wise co-firing targets are as follows:
 - o 2024-25: Minimum 5% co-firing

- o 2025-26: Minimum 10%co-firing
- o 2026-27: Minimum 20%co-firing
- o 2027-28: Minimum 35%co-firing
- o 2028-29 onwards: Minimum 50%co-firing

This initiative is part of a broader strategy to reduce stubble burning, manage agricultural residue sustainably, and curb air pollution from brick kiln operations.

- **Benchmark Pricing:** Industry norms suggest a sustainable ex-factory price range to cover costs of raw material procurement, processing, logistics, and quality assurance. While not officially fixed by the government, this range ensures product quality and long-term viability.
- **Capital Subsidies (MNRE):** Financial incentives are provided for setting up pellet manufacturing units, with additional benefits for plants in priority regions to address stubble burning and air pollution.
- **Electricity Duty Exemption:** A multi-year exemption of Electricity duty in several states helps reduce operational costs for energy-intensive pelletizing processes.
- **Infrastructure & Finance Support:** Includes collateral-free loans, interest subvention, priority lending, and support for mechanized biomass collection and rural aggregation.
- **Climate Change Mitigation and Renewable Energy Targets:** India's commitment to reducing greenhouse gas emissions and increasing the share of renewables in its energy mix has positioned biomass fuels as a key contributor to national goals. Biomass is recognized for its carbon-neutral properties, helping the country meet international climate agreements while reducing reliance on fossil fuels.
- **Technological Advancements and Innovation:** Continued improvements in biomass processing technologies—such as pelletization, torrefaction, gasification, and anaerobic digestion—have enhanced fuel quality, efficiency, and cost-effectiveness. Innovation in supply chain management and storage also addresses challenges related to feedstock seasonality and transportation.
- **Waste Management and Environmental Sustainability:** By converting agricultural and forestry waste into usable fuel, the biomass sector plays a critical role in managing waste, reducing open-field burning, and minimizing environmental pollution. This enhances soil quality and helps achieve zero-waste targets aligned with circular economy principles.
- **Energy Security and Import Substitution:** Biomass fuels contribute to reducing India's dependence on imported coal and petroleum products. Developing indigenous biomass resources enhances national energy security and reduces exposure to global energy price volatility.
- **Rural Economic Development and Employment Generation:** Biomass fuel manufacturing plants are typically situated close to biomass sources in rural areas, creating direct and indirect employment opportunities. This fosters rural development, supports agrarian economies, and promotes sustainable livelihoods through value addition to agricultural residues.

SEGMENT-WISE PERFORMANCE

The Company deals only in one segment i.e. manufacturing and trading of biomass fuels which includes biomass pallets and briquettes, accordingly there is only a single reportable segment.

OPPORTUNITIES AND THREATS

India's biofuels sector is undergoing rapid evolution, driven by progressive government policies, growing energy needs, and the global imperative to reduce carbon emissions. As a company committed to sustainable energy and agricultural recycling, Shubhshree Biofuels Energy Ltd is well-positioned to leverage sectoral growth, while also remaining mindful of the challenges that could impact long-term scalability.

Opportunities

- **High Green Energy Potential:** India's biomass sector offers a generation potential of over 28,000 MWe, creating vast room for renewable energy substitution.
- **Environmental Impact:** Biofuels can help reduce up to 90 million tons of CO₂ emissions annually, enabling industries to align with carbon neutrality goals.
- **Large Market Size:** The estimated Total Available Market (TAM) from biomass co-firing in the power sector alone is over ₹55,000 crore, presenting significant business potential.
- **Cost-Effective Infrastructure Use:** Existing power plant infrastructure can be utilized for biomass co-firing, lowering capital outlay.
- **Support for ESG Goals:** Growing focus on sustainability and clean energy adoption across sectors supports long-term demand for biofuels.

Threats

- **Lack of Standardization:** The absence of a robust quality assurance framework for biomass fuels affects market credibility.

- **Procurement and Policy Gaps:** Inconsistent or unsupportive procurement mechanisms may hinder secure supply arrangements.
- **Underdeveloped Ecosystem:** Limited ecosystem development affects scalability, especially in logistics, supply chain, and end-user integration.
- **Technical and Workforce Challenges:** Shortages of skilled manpower and technical know-how constrain efficient manufacturing and innovation.
- **Market Acceptance Barriers:** Resistance to switch from conventional fuels and behavioral inertia among potential customers limit adoption.
- **Seasonal and Regional Dependence:** Biomass availability and demand are often seasonal and geographically concentrated, impacting operational consistency.
- **Competitive Pressure:** Low entry barriers in biomass fuel production may lead to increased competition and price pressures.

Despite these challenges, the Company is proactively addressing risks through strategic planning, stakeholder collaboration, and investments in quality, innovation, and operational excellence. We remain confident in the sector's long-term growth and our ability to play a leading role in India's clean energy transition.

RISKS AND CONCERNS

The biomass fuel sector, while promising, presents several operational and strategic risks, particularly for early-stage players like Shubhshree Biofuels Energy Ltd. As a company operating in a relatively nascent and evolving industry, we face challenges related to market acceptance, cost volatility, and supply chain reliability.

Some of the key risks impacting our business include:

- A limited track record of profitability and ongoing stabilization of our manufacturing operations, which may affect near-term financial performance.
- The undeveloped nature of the biomass fuel market compared to conventional fuels, requiring significant efforts in customer education and market penetration.
- High client concentration, geographical dependency (primarily Northern India), and seasonal fluctuations that could impact revenue consistency.
- Raw material availability and price volatility, along with limited long-term supply agreements, could adversely affect manufacturing continuity and margins.
- The absence of strong entry barriers may intensify competition from both organized and unorganized players, exerting pressure on pricing and market share.
- Dependency on third-party logistics and power availability also pose operational risks, especially in regions with infrastructure constraints.

Given our limited operating history, the business remains exposed to uncertainties in demand forecasting, customer acquisition, and supply chain planning.

The Company continues to identify, monitor, and mitigate these risks through strategic initiatives including supply diversification, customer base broadening, operational efficiencies, and technology investments. While challenges persist, our long-term outlook remains positive, backed by sectoral growth drivers and our mission-driven approach to sustainable energy solutions.

OUTLOOK

Shubhshree Biofuels Energy Ltd remains highly optimistic about the long-term prospects of the biofuels sector, which is emerging as a cornerstone of India's clean energy and sustainability roadmap. With strong policy momentum, expanding market potential, and heightened global emphasis on carbon reduction, the sector offers significant opportunities for innovation, inclusion, and impact.

In alignment with our mission to be a leading agricultural recycling company, we are leveraging technology, sustainability, and innovation to transform agricultural waste into clean energy. Our approach ensures not only value creation but also inclusive growth—empowering rural communities, supporting local economies, and advancing environmental stewardship.

Our vision to lead India's biofuel sector by delivering quality, sustainable energy solutions shapes every strategic decision we make.

Backed by our core values of trust, passion, fairness, and relationship-building, we foster partnerships that enhance stakeholder confidence and support a cleaner, greener future. As we continue to grow, we remain deeply rooted in our commitment to integrity, sustainability, and long-term impact.

With a clear strategic direction and a purpose-driven approach, Shubhshree Biofuels Energy Ltd is well-positioned to drive growth, lead sectoral transformation, and contribute meaningfully to India's bio-economy.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company maintains a robust framework of internal controls tailored to its operational scale and complexity. The internal control framework is designed to ensure proper safeguarding of assets, maintaining proper accounting records and providing reliable financial information and other data. This system is supplemented by internal audit, reviews by the management and documented policies, guidelines and procedures. The Company has a well-defined organizational structure, authority levels, internal rules and guidelines for conducting business transactions. The Company intends to undertake further measures as necessary in line with its intent to adhere to the procedures, guidelines and regulations, as applicable, in a transparent manner. The internal financial controls with reference to the Financial Statements are commensurate with the size and nature of business of the Company.

Furthermore, a firm of Chartered Accountants conducts internal audit periodically and presents report to the Audit Committee of the Company. These internal control system, coupled with internal audit procedures, provide reasonable assurance to the Statutory Auditors regarding the reliability of financial reporting and compliance with the applicable Indian Accounting Standards (Ind AS), Companies Act and its rules, SEBI Regulations and other relevant regulations.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED

The Company firmly considers its employees as its most valuable and strategic assets. Our growth and expansion are driven by the dedication, skills, and consistent efforts of our people. We continue to remain an equal opportunity employer, fostering an inclusive, merit-based culture that encourages leadership, innovation, and responsibility.

In line with our long-term vision, we are focused on:

- Upskilling and reskilling our workforce through structured learning and development programs.
- Mentoring employees to take on broader roles and responsibilities within the organization.
- Embedding industry best practices and stakeholder feedback into our people strategies to enhance the overall employee experience.

We also emphasize the importance of work-life balance, professional development, and a supportive work environment. Employees are encouraged to take ownership of projects and contribute meaningfully to organizational goals.

The Company is deeply committed to women empowerment and has taken several steps to promote leadership opportunities for women and create an inclusive work culture.

As on March 31, 2025, the Company had 40 permanent employees. Our team remains united in its mission to contribute meaningfully to sustainable development and environmental conservation.

Independent Auditor's Report

To the Members of

Shubhshree Biofuels Energy Limited

(Erstwhile known as Shubhshree Bricks Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Shubhshree Biofuels Energy Limited ("the Company")**, **(Erstwhile known as Shubhshree Bricks Private Limited)** which comprise the Balance Sheet as at 31st March, 2025, and the Statement of Profit and Loss, the Statement of Cash Flow for the year the ending 31st March, 2025 and notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the companies (Accounting Standards), Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and the profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1.Revenue Recognition	Principal Audit Procedures
<p>Revenue is a material line item in the Company's financial statements and a key performance indicator for stakeholders. The Company is engaged in the manufacturing and sale of briquettes, and revenue is recognised when the significant risks and rewards of ownership are transferred to the customer, as per the terms of sale.</p> <p>We identified revenue recognition as a key audit matter due to the following reasons:</p> <p>The volume of transactions and their widespread nature across various customers and locations,</p> <p>The timing of dispatches near the year-end, which increases the risk of cut-off errors,</p> <p>The nature of contractual terms (e.g., ex-works, FOR delivery) affecting the timing of revenue recognition,</p> <p>Inherent risk of possible management bias in recognition of revenue to achieve desired results.</p> <p>Given the judgment involved in determining the timing of revenue recognition and its quantitative significance, this area required our focused attention.</p>	<p>Our audit procedures included, inter alia:</p> <p>Understanding and evaluating the design and implementation of internal controls relevant to revenue recognition.</p> <p>Assessing the Company's accounting policy for revenue recognition in accordance with AS 9 – Revenue Recognition.</p> <p>Verifying, on a sample basis, the sales transactions recorded throughout the year and particularly around the year-end to test proper revenue cut-off.</p> <p>Examining supporting documentation such as sale invoices, delivery challans, lorry receipts, and customer acknowledgments to validate the transfer of risks and rewards.</p> <p>Carrying out analytical procedures on revenue trends and corroborating them with operational data and explanations from management.</p> <p>Testing journal entries related to revenue to identify unusual or irregular postings.</p> <p>Based on the above procedures, we found that revenue had been recognized in accordance with the Company's accounting policies and the applicable financial reporting framework under Indian GAAP.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these annual financial results that give a true and fair view of the financial position, financial performance and other financial information in accordance with the Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company uses an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one

resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone Financial Statements system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control with reference to financial statements that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. Share capital amounting to Rs. One Lac is not paid by the shareholders of ECODENSIFY SOLUTIONS

PRIVATE LIMITED (**Subsidiary**) due to banking difficulties.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

 - b) The Company does not have any long-term contracts including Derivative Contracts for which there is any material foreseeable losses.
 - c) There is no amount which is required to be transferred to the Investor Education and Protection Fund by the company.

d)

- a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any persons or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- e) The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year. In our opinion and according to the information and explanation given to us, the provision of section 123 of the Act is not applicable to the company. Hence reporting under this clause is not required.
- f) Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the year ended 31st March, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

“ANNEXURE B”

To The Independent Auditor’s Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to Standalone Financial Statements of **Shubhshree Biofuels Energy Limited (“the Company”) (Erstwhile known as Shubhshree Bricks Private Limited)** in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the ‘Guidance Note’) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company’s business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgment including the assessment of the risks of material misstatement of the Standalone Financial Statements whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s IFCoFR.

Meaning of Internal Financial Controls Over Financial Reporting

A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI).

Rounding Off:

The financial statements are presented in Indian rupees. The financial figures given in the financial statements has been rounded off to the nearest thousands and decimals thereof.

iii) Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates, and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, and any revisions to accounting estimates are recognised in the period in which the estimate is revised.

iv) "Current and Non-Current Classification of Assets and Liabilities:"

"All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The operating cycle is assumed to be of 12 months."

v) Cash and Cash Equivalents:

Cash and cash equivalents comprises cash at bank and in hand and short term investments with an original maturity of three months or less.

vi) Property, plant and equipment (PPE) and Intangible assets and Depreciation thereon:

Tangible Assets:

"Property, Plant and Equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Cost includes purchase price, non-refundable duties and taxes, borrowing cost, and any directly attributable cost of bringing the asset to its working condition for intended use."

Subsequent expenditure related to PPE is capitalised only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing PPE, including repairs and maintenance, are charged to the Statement of Profit and Loss.

Depreciation is provided using the Straight-Line Method over the useful life of the assets, as prescribed under Schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of PPE are reviewed at each financial year-end and adjusted prospectively, if appropriate.

Intangible Assets:

The Company doesn't have any intangible assets.

vii) Investments:

"Investments are classified as long-term or current based on the intention of management at the time of acquisition. Investments are accounted for in accordance with AS 13 – Accounting for Investments."

Current Investments are carried at lower of cost and fair value.

Long-term Investments are carried at cost. Provision for diminution is made only if such decline is other than temporary.

viii) Inventories:

"Inventories are valued in accordance with AS 2 – Valuation of Inventories as follows:

Raw Materials: Valued at cost or net realisable value, whichever is lower. Cost is determined on a FIFO basis.

Work-in-Progress (WIP): Valued at cost or net realisable value, whichever is lower. Cost includes direct materials, labour and a proportionate share of manufacturing overheads.

Finished Goods: Valued at cost or net realisable value, whichever is lower. Cost includes direct material, direct labour and a proportion of manufacturing overheads including excise duty.

Traded Goods: Valued at cost or net realisable value, whichever is lower, on FIFO basis."

ix) Borrowing Cost:

General and specific borrowing costs (including exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost) directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are charged to Statement of Profit and Loss over the tenure of the borrowings.

x) Revenue Recognition:

Revenue is recognized to the extent, that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from Sale of Goods:

Revenue from sale of goods is recognized, when the title of goods has been transferred to the buyer and ultimate collection is certain.

Revenue from Services:

Revenue from services, if any is recognized pro-rata over the period of the contract as and when services are rendered and the collectability is reasonably assured.

Interest Income:

"Interest income, if any is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate. Interest on refund of taxes is booked in the year of receipts.
"

Other Income:

All other income, if any is recognized on accrual basis.

xi) Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit / loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

xii) Taxes on Income:

Income-tax expense comprises current tax and deferred tax.

Current Income-tax is measured at the amount expected to be paid to the tax authorities after considering tax allowances, deductions and exemptions determined in accordance with Income Tax Act, 1961 and the prevailing tax laws.

Deferred tax assets (DTA)/ liabilities (DTL): DTA or DTL is recognized for timing differences between the profit/loss offered for income tax and profit/loss as per the financial statements. DTA tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date.

DTA is recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, DTA is recognized only if there is a virtual certainty of realization of such asset. DTA is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

DTA/DTL are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the DTA and deferred taxes relate to the same taxable entity and the same taxation authority.

xiii) Foreign Currency Transactions:

(i) Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction or at the rates covered by the forward contracts. Monetary assets & liabilities denominated in foreign currency are translated into Indian Rupees at the rate of exchange prevailing at the balance sheet date.

(ii) Non monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

(iii) Exchange difference arising at the settlement of monetary items or on reporting the company's monetary items at the rate different from those at which they were initially recorded during the period or reported in previous financial statement are recognized as income or as expenses in the period in which they arise except in case of Long Term Liabilities.

xiv) Leases

"The Company recognises lease payments under operating leases as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term as per AS 19 – Leases. The Company has not undertaken any finance lease"

xv) Employees Benefits:

"Employee benefits are accounted for in accordance with AS 15 – Employee Benefits:

Short-term Benefits: Recognised in the period during which the employee renders the related services.

Post-employment and Long-term Benefits: Such as gratuity and leave encashment are provided based on actuarial valuation using the Projected Unit Credit Method at year-end."

xvi) Provisions, Contingent Liabilities and Contingent Assets:

Provisions: Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent assets are neither recognized nor disclosed in the financial statements.

xvii) Extraordinary, Exceptional, Prior Period Items and Changes in Accounting Policies

a) Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events/transactions is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

(b) On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure Improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

Independent Auditor's Report

To the Members of

Shubhshree Biofuels Energy Limited (Erstwhile known as Shubhshree Bricks Private Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Shubhshree Biofuels Energy Limited ("the Parent"), which includes its 3 subsidiaries, (the Parent and its subsidiaries together referred to as "the Group")**, (Erstwhile known as **Shubhshree Bricks Private Limited**) which comprise the Consolidated Balance Sheet as at 31st March, 2025, and the Consolidated Statement of Profit and Loss, the Consolidated Statement of Cash Flow for the year the ending 31st March, 2025 and notes to the Consolidated Financial Statements including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with the companies (Accounting Standards), Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Group as at March 31, 2025, and the profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group's in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit Matter	Auditor's Response
1.Revenue Recognition	Principal Audit Procedures
<p>Revenue is a material line item in the Group's financial statements and a key performance indicator for stakeholders. The Group is engaged in the manufacturing and sale of briquettes, and revenue is recognised when the significant risks and rewards of ownership are transferred to the customer, as per the terms of sale.</p> <p>We identified revenue recognition as a key audit matter due to the following reasons:</p> <p>The volume of transactions and their widespread nature across various customers and locations,</p> <p>The timing of dispatches near the year-end, which increases the risk of cut-off errors,</p> <p>The nature of contractual terms (e.g., ex-works, FOR delivery) affecting the timing of revenue recognition,</p> <p>Inherent risk of possible management bias in recognition of revenue to achieve desired results.</p> <p>Given the judgment involved in determining the timing of revenue recognition and its quantitative significance, this area required our focused attention.</p>	<p>Our audit procedures included, inter alia:</p> <p>Understanding and evaluating the design and implementation of internal controls relevant to revenue recognition.</p> <p>Assessing the Group's accounting policy for revenue recognition in accordance with AS 9 – Revenue Recognition.</p> <p>Verifying, on a sample basis, the sales transactions recorded throughout the year and particularly around the year-end to test proper revenue cut-off.</p> <p>Examining supporting documentation such as sale invoices, delivery challans, lorry receipts, and customer acknowledgments to validate the transfer of risks and rewards.</p> <p>Carrying out analytical procedures on revenue trends and corroborating them with operational data and explanations from management.</p> <p>Testing journal entries related to revenue to identify unusual or irregular postings.</p> <p>Based on the above procedures, we found that revenue had been recognized in accordance with the Group's accounting policies and the applicable financial reporting framework under Indian GAAP.</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statements / financial information of the subsidiaries audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, is traced from their financial statements / financial information audited by the other auditors.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these annual consolidated financial results that give a true and fair view of the consolidated financial position, consolidated financial performance and other financial information in accordance with the Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

going concern basis of accounting unless the respective Board of Directors either intend to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls with reference to financial statements that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“ANNEXURE B”

To The Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Consolidated Financial Statements of Shubhshree Biofuels Energy Limited ("the Group") (Erstwhile known as Shubhshree Bricks Private Limited) in conjunction with our audit of the Consolidated Financial Statements of the Parent and its subsidiary companies which are companies incorporated in India, which has been audited by other auditors whose audit report has been provided to us by the management as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control with reference to Consolidated Financial Statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Parent, its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of

the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated Financial Statements of the Parent, its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A Group's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Group's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisations of management and directors of the group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls were operating effectively as at 31st March, 2025, based on the criteria for internal financial control with reference to Consolidated Financial Statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Financial Statements insofar as it relates to 3 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

"Property, Plant and Equipment are stated at historical cost less accumulated depreciation and impairment losses, if any. Cost includes purchase price, non-refundable duties and taxes, borrowing cost, and any directly attributable cost of bringing the asset to its working condition for intended use.

Subsequent expenditure related to PPE is capitalised only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing PPE, including repairs and maintenance, are charged to the Statement of Profit and Loss.

Depreciation is provided using the Straight-Line Method over the useful life of the assets, as prescribed under Schedule II of the Companies Act, 2013. The residual values, useful lives and method of depreciation of PPE are reviewed at each financial year-end and adjusted prospectively, if appropriate."

Intangible Assets:

The Group doesn't have any intangible assets.

vii) Investments:

"Investments are classified as long-term or current based on the intention of management at the time of acquisition. Investments are accounted for in accordance with AS 13 – Accounting for Investments.

Current Investments are carried at lower of cost and fair value.

Long-term Investments are carried at cost. Provision for diminution is made only if such decline is other than temporary."

viii) Inventories:

"Inventories are valued in accordance with AS 2 – Valuation of Inventories as follows:

Raw Materials: Valued at cost or net realisable value, whichever is lower. Cost is determined on a FIFO basis.

Work-in-Progress (WIP): Valued at cost or net realisable value, whichever is lower. Cost includes direct materials, labour and a proportionate share of manufacturing overheads.

Finished Goods: Valued at cost or net realisable value, whichever is lower. Cost includes direct material, direct labour and a proportion of manufacturing overheads including excise duty.

Traded Goods: Valued at cost or net realisable value, whichever is lower, on FIFO basis."

ix) Borrowing Cost:

General and specific borrowing costs (including exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost) directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are charged to Statement of Profit and Loss over the tenure of the borrowings.

x) Revenue Recognition:

Revenue is recognized to the extent, that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Revenue from Sale of Goods:

Revenue from sale of goods is recognized, when the title of goods has been transferred to the buyer and ultimate collection is certain.

Revenue from Services:

Revenue from services, if any is recognized pro-rata over the period of the contract as and when services are rendered and the collectability is reasonably assured.

Interest Income:

"Interest income, if any is recognized on a time proportion basis taking into account the amount outstanding and applicable interest rate. Interest on refund of taxes is booked in the year of receipts."

Other Income:

All other income, if any is recognized on accrual basis.

xi) Earnings per Share:

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are calculated after adjusting effects of potential equity shares (PES). PES are those shares which will convert into equity shares at a later stage. Profit / loss is adjusted by the expenses incurred on such PES. Adjusted profit/loss is divided by the weighted average number of ordinary plus potential equity shares.

xii) Taxes on Income:

Income-tax expense comprises current tax and deferred tax.

Current income-tax is measured at the amount expected to be paid to the tax authorities after considering tax allowances, deductions and exemptions determined in accordance with Income Tax Act, 1961 and the prevailing tax laws.

Deferred tax assets (DTA)/ liabilities (DTL): DTA or DTL is recognized for timing differences between the profit/loss offered for income tax and profit/loss as per the financial statements. DTA tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted at the Balance Sheet date.

DTA is recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, DTA is recognized only if there is a virtual certainty of realization of such asset. DTA is reviewed as at each Balance Sheet date and written down or written up to reflect the amount that is reasonably/virtually certain to be realized.

DTA/DTL are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the DTA and deferred taxes relate to the same taxable entity and the same taxation authority.

xiii) Foreign Currency Transactions:

(i) Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction or at the rates covered by the forward contracts. Monetary assets & liabilities denominated in foreign currency are translated into Indian Rupees at the rate of exchange prevailing at the balance sheet date.

(ii) Non monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of transaction.

(iii) Exchange difference arising at the settlement of monetary items or on reporting the group's monetary items at the rate different from those at which they were initially recorded during the period or reported in previous financial statement are recognized as income or as expenses in the period in which they arise except in case of Long Term Liabilities.

xiv) Leases

"The Group recognises lease payments under operating leases as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term as per AS 19 – Leases. The Group has not undertaken any finance lease."

xv) Employees Benefits:

"Employee benefits are accounted for in accordance with AS 15 – Employee Benefits:

Short-term Benefits: Recognised in the period during which the employee renders the related services.

Post-employment and Long-term Benefits: Such as gratuity and leave encashment are provided based on actuarial valuation using the Projected Unit Credit Method at year-end."

xvi) Provisions, Contingent Liabilities and Contingent Assets:

Provisions: Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

Contingent Assets: Contingent assets are neither recognized nor disclosed in the financial statements.

xvii) Extraordinary, Exceptional, Prior Period Items and Changes in Accounting Policies

a) Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Group are classified as extraordinary items. Specific disclosure of such events/transactions is made in the financial statements. Similarly, any external event beyond the control of the Group, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

(b) On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Group, is such that its disclosure Improves an understanding of the performance of the Group. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

NOTES:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ('the Act') read with the rules made thereunder, which sets out material facts relating to Special Business proposed to be transacted at the Annual General Meeting ("AGM"), is annexed to this Notice of AGM.
2. The Ministry of Corporate Affairs ('MCA') vide its General Circular No. 09/2024 dated September 19, 2024 and earlier circulars issued in this regard ('MCA Circulars') and Securities and Exchange Board of India ('SEBI') vide its Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 and earlier circulars issued in this regard ('SEBI Circulars'), have permitted the holding of AGM by companies through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. Accordingly, in compliance with the provisions of the Act, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), MCA Circulars and SEBI Circulars, the AGM of the Company is being conducted through VC/OAVM and the physical presence of members at AGM venue is not required. The Registered Office of the Company situated at Plot No. 8, Ganesh Vihar B, Pandit T.N Mishra Marg, Nirman Nagar, Shyam Nagar, Jaipur, Rajasthan- 302019 shall be the deemed venue of the AGM. Since the AGM is being held through VC/ OAVM facility, the route map is not annexed to this Notice.

Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility to appoint proxy to attend and cast vote for the members is not available for this 12th AGM. Therefore, the Proxy Form and Attendance Slip are not annexed to this Notice.

3. Pursuant to the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of Listing Regulations (as amended) and MCA Circulars, the Company is providing facility of remote e-voting and e-voting during AGM to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by NSDL.

The remote e-voting period begins on September 26, 2025 at 9:00 A.M. and ends on September 29, 2025 at 5:00 P.M. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. September 23, 2025, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being September 23, 2025.

4. Members will be provided with the facility for voting through the electronic voting system during the VC/OAVM proceedings at the AGM and Members participating at the AGM, who have not already cast their vote by remote e-Voting, will be eligible to exercise their right to vote at the end of discussion on the resolutions on which voting is to be held, upon announcement by the Chairman or Company Secretary. Members who have cast their vote on resolution(s) by remote e-Voting prior to the AGM will also be eligible to participate at the AGM through VC/ OAVM but shall not be entitled to cast their vote on such resolution(s) again.
5. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in this Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first serve basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
6. The attendance of the Members attending the 12th AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

7. In case of joint holders attending the Meeting, only such joint holder whose name appears as the first holder in the order of names as per the Register of Members of the company will be entitled to vote, provided the votes are not already cast by remote e-voting by the first holder.
8. Members of the Company under the category of Institutional Investors (i.e. other than individuals, HUF, NRI etc.) are encouraged to attend and vote at the AGM through VC. Corporate members and other non-individual members intending to participate in the AGM can authorize their representatives to participate and vote at the meeting and are requested to send a certified copy of the Board resolution / authorization letter to the Scrutinizer by email through its registered email address to cs.vmanda@gmail.com with a copy marked to evoting@nsdl.com and cs@biomassfuel.co.in.
