Dear Sir/Madam,

**Sub: Disclosure under Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Commencement of Commercial Production of Phase II of Colour Coated Sheets Facility**

With reference to the captioned subject and in compliance with Regulation 30 read with Schedule III of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Regulations"), we are pleased to inform you that Shyam Sel and Power Limited ("SSPL"), a step-down subsidiary of Shyam Metalics and Energy Limited, has successfully commissioned the Phase II of its Cold Rolling Mill (CRM) Facility for Colour Coated Sheets at its plant in Jamuria, and has commenced commercial production thereof with effect from 16<sup>th</sup> April, 2026.

With the commissioning of Phase II, the Company has added an incremental capacity of 0.15 Million Tonnes Per Annum (MTPA) for Colour Coated Sheets. The total installed capacity for this facility now stands at 0.40 MTPA, comprising the existing Phase I capacity of 0.25 MTPA and the newly added Phase II capacity of 0.15 MTPA. This enhancement will significantly strengthen SSPL's production capabilities and product offerings in the value-added steel segment.

This development marks a significant milestone in the Company's phased capacity expansion strategy and is expected to further enhance its manufacturing competitiveness and market presence in the Colour Coated Sheets segment.

This is for your information and record.

Thanking you,

**For Shyam Metalics and Energy Limited**

  
Birendra Kumar Jain  
Company Secretary  
Membership No. F13320
