the chance to take corrective measures and apply for rein statement of licence after 7 days. "The action taken by FD Pune—including the decision to revoke the license of the corner mess operator—in response to serious complaints regarding food quality at the girls mess is welcome. However, given the recurring nature of such incidents, it is essential for the university administration to implement permanent measures to ensure safe and nutritious food for students. An immediate decision should be taken to start a central mess under the university's direct control," said Abhishek Shelkar, President of University Students Struggle Action Committee and a student member of Canteen Quality Control Committee.
