Review Report

To
The Board of Directors
Siemens Limited,
Birla Aurora, Level 21, Plot No. 1080,
Dr. Annie Besant Road, Worli,
Mumbai – 400030

1. We have reviewed the standalone unaudited financial results of Siemens Limited (the "Company") for the quarter ended June 30, 2025 and the year to date results for the period October 1, 2024 to June 30, 2025, which are included in the accompanying 'Statement of standalone unaudited financial results for the quarter and nine months ended 30 June 2025' together with notes thereon (the "Statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been digitally signed by us for identification purposes.

2. This Statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Price Waterhouse Chartered Accountants LLP

5. We draw attention to Note 1 to the Statement in respect of the Scheme of Arrangement (the 'Scheme') between the Company, Siemens Energy India Limited and their respective shareholders and creditors for demerger of the Energy business of the Company (disclosed as discontinued operations in the accompanying Statement), which has been approved by the National Company Law Tribunal (the "NCLT") vide its order dated March 25, 2025. The Company has given effect of the Scheme from the 'appointed date' of March 1, 2025, as approved by the NCLT, while the applicable accounting standards require accounting for the Scheme in the books of the Company to be carried out as a distribution of non-cash assets to owners when the distribution is appropriately authorised and is no longer at the discretion of the Company, which is the date of the final order passed by the NCLT sanctioning the Scheme as aforesaid (i.e., the 'effective date' per the Scheme).

   Our conclusion is not modified in respect of this matter.

* Upto 30 September 2024, the assets and liabilities directly associated with assets held for distribution pertains to "Energy" segment (refer note 1).

Notes :

1 During the previous year, the Board of Directors of the Company, at its meeting held on 14 May 2024, basis the recommendations of the Audit Committee and Committee of Independent Directors, approved a scheme of arrangement amongst the Company, Siemens Energy India Limited (“SEIL”) (a wholly owned subsidiary of the Company, which was incorporated on 7 February 2024) and their respective shareholders and creditors, providing for the demerger of the Company's Energy business to SEIL in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the “Scheme”).

During the previous quarter, on 25 March 2025, the Scheme was sanctioned by the Hon'ble National Company Law Tribunal (the "NCLT"). Pursuant to receipt of necessary statutory approvals and in accordance with the Scheme, the Company has demerged the Energy business effective 25 March 2025, with appointed date being 1 March 2025, as per the Scheme.

Upon the Scheme being effective, the Company has transferred the assets and liabilities pertaining to Energy business to SEIL as on the appointed date. The Company has accordingly derecognized from its books of account the carrying amount of such assets and liabilities. The excess of the carrying amount of assets transferred over the carrying amount of liabilities transferred aggregating Rs. 37,846 million had been adjusted to retained earnings in accordance with the Scheme in the standalone unaudited financial results. Additionally, in accordance with the Scheme, the Company had also made certain consequential adjustments to applicable reserves within equity.

As at 31 March 2025, Rs. 24,203 million of cash and cash equivalents which was pending to be distributed had been reflected as "Assets pending transfer pursuant to the Scheme" and "Liabilities relating to assets pending transfer pursuant to the Scheme". Subsequently, this has been transferred in the current quarter ended 30 June 2025.

Further, pursuant to the requirements of the Indian Accounting Standards (Ind AS), the results of the Company's Energy business up to the appointed date of demerger have been disclosed as discontinued operations; accordingly, the previous period figures have been re-presented.

The results of the Company's Energy business included in the above standalone unaudited financial results and segment results are as follows:

Review Report

To
The Board of Directors
Siemens Limited,
Birla Aurora, Level 21, Plot No. 1080,
Dr. Annie Besant Road, Worli,
Mumbai – 400030

1. We have reviewed the consolidated unaudited financial results of Siemens Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries hereinafter referred to as the "Group") (refer paragraph 4 below) for the quarter ended June 30, 2025 and the year to date results for the period October 1, 2024 to June 30, 2025, which are included in the accompanying 'Statement of consolidated unaudited financial results for the quarter and nine months ended 30 June 2025' together with notes thereon (the "Statement"). The Statement is being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015"), which has been digitally signed by us for identification purposes.

2. This Statement, which is the responsibility of the Holding Company's Management and has been approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33 (8) of the Listing Regulations, 2015, to the extent applicable.

4. The Statement includes the results of Holding Company and the following entities:

   Subsidiaries:
   C&S Electric Limited
   Siemens Rail Automation Private Limited
   Siemens Energy India Limited (up to March 1, 2025)

Price Waterhouse Chartered Accountants LLP

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

6. We draw attention to Note 1 to the Statement in respect of the Scheme of Arrangement (the 'Scheme') between the Holding Company, Siemens Energy India Limited and their respective shareholders and creditors for demerger of the Energy business of the Holding Company disclosed as discontinued operations in the accompanying Statement, which has been approved by the National Company Law Tribunal (the "NCLT") vide its order dated March 25, 2025. The Holding Company has given effect of the Scheme from the 'appointed date' of March 1, 2025, as approved by the NCLT, while the applicable accounting standards requires accounting for the Scheme in the books of the Holding Company to be carried out as a distribution of non-cash assets to owners when the distribution is appropriately authorised and is no longer at the discretion of the Holding Company, which is the date of the final order passed by the NCLT sanctioning the Scheme as aforesaid (i.e., the 'effective date' per the Scheme).

   Our conclusion is not modified in respect of this matter.

Notes:

1 During the previous year, the Board of Directors of the Holding Company, at its meeting held on 14 May 2024, basis the recommendations of the Audit Committee and Committee of Independent Directors, approved a scheme of arrangement amongst the Holding Company, Siemens Energy India Limited ("SEIL") (a wholly owned subsidiary of the Holding Company, which was incorporated on 7 February 2024) and their respective shareholders and creditors, providing for the demerger of the Group's Energy business to SEIL in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the "Scheme").

During the previous quarter, on 25 March 2025, the Scheme was sanctioned by the Hon'ble National Company Law Tribunal (the "NCLT"). Pursuant to receipt of necessary statutory approvals and in accordance with the Scheme, the Holding Company has demerged the Energy business effective 25 March 2025, with appointed date being 1 March 2025, as per the Scheme.

Upon the Scheme being effective, the Holding Company has transferred the assets and liabilities pertaining to Energy business to SEIL as on the appointed date. The Holding Company has accordingly derecognized from its books of account the carrying amount of such assets and liabilities. The excess of the carrying amount of assets transferred over the carrying amount of liabilities transferred aggregating Rs. 37,846 million had been adjusted to retained earnings in accordance with the Scheme in the consolidated unaudited financial results. Additionally, in accordance with the Scheme, the Holding Company had also made certain consequential adjustments to applicable reserves within equity.

As at 31 March 2025, Rs. 24,203 million of cash and cash equivalents which was pending to be distributed had been reflected as "Assets pending transfer pursuant to the Scheme" and "Liabilities relating to assets pending transfer pursuant to the Scheme". Subsequently, this has been transferred in the current quarter ended 30 June 2025.

Further, pursuant to the requirements of the Indian Accounting Standards (Ind AS), the results of the Group's Energy business up to the appointed date of demerger have been disclosed as discontinued operations; accordingly, the previous period figures have been re-presented.

The results of the Group's Energy business included in the above consolidated unaudited financial results and segment results are as follows:

Sunil Mathur, Managing Director and Chief Executive Officer, Siemens Limited, said, “The Indian economy has remained resilient despite the uncertainties arising from impending tariffs, bilateral trade agreements and supply chain disruptions. This is reflected in the Company’s strong performance across all businesses during the quarter, including two significant order wins in the Mobility business. While Smart Infrastructure business continued to demonstrate strong execution, the performance at Digital Industries business is now showing signs of recovery indicating that the destocking phase is now largely over. Siemens Limited continues its focus on strengthening its position as a leading technology-focused company in Industry, Infrastructure and Mobility combining the real and the digital worlds.”
