Dear Sir/Madam,

Sub: Press Release- Sigachi Industries Accelerates Growth with New MCC Capacity at Dahej SEZ; Reaffirms Commitment to Safety, Resilience, and Global Leadership

Sigachi Industries Limited ("Company"), India's leading manufacturer of pharmaceutical excipients, APIs, and specialty ingredients, has announced the initiation of civil works for its next phase of capacity expansion—an advanced 12,000 MTPA Microcrystalline Cellulose (MCC) project at its Dahej SEZ unit in Gujarat. This strategic move aligns with Sigachi's long-term vision of operational resilience, safety-first design, and continued global leadership in the excipient industry.

A press release to this extent is enclosed for your information and records.

Thanking you.

Yours Faithfully,
For Sigachi Industries Limited

Vivek Kumar
Company Secretary & Compliance Officer

Sigachi Industries Accelerates Growth with New MCC Capacity at Dahej SEZ; Reaffirms Commitment to Safety, Resilience, and Global Leadership

Hyderabad, August 7, 2025: Sigachi Industries Limited, India's leading manufacturer of pharmaceutical excipients, APIs, and specialty ingredients, has announced the initiation of civil works for its next phase of capacity expansion—an advanced 12,000 MTPA Microcrystalline Cellulose (MCC) project at its Dahej SEZ unit in Gujarat. This strategic move aligns with Sigachi's long-term vision of operational resilience, safety-first design, and continued global leadership in the excipient industry.

While the investigation committee continues its work on the recent tragedy at Sigachi's Pashamylaram unit, the Company is actively building forward. The Dahej MCC Project reflects Sigachi's determination to rise stronger, with smarter systems, globally benchmarked safety features, and capacity augmentation focused on uninterrupted supply to its valued global clientele.

Key Highlights of the Expansion Strategy:

- **12,000 MTPA MCC Capacity** to be added at Dahej SEZ, operational within 9 months.
- **Designed for Safety & Excellence:** The new Spray Dryer system is being procured in consultation with reputed equipment manufacturers and safety experts.
- **Total Installed MCC Capacity** will rise to **30,000 MTPA**, cementing Sigachi's position as the Largest Manufacturer in India and among the top in the world.
- **Reinforced Business Continuity:** This new capacity at Dahej SEZ, along with increased production at our Jhagadia and Dahej SEZ (existing) facilities, will help us continue serving our customers without any disruption in supply

Quote from the MD & CEO – Amit Raj Sinha:

“The incident at Pashamylaram was a moment of deep sorrow. Yet, Sigachi stands tall—resolute in our values, committed to learning, and determined to build back stronger. This new capacity at Dahej is a testament to that spirit. It is not just about volumes, but about creating the safest and most reliable excipient manufacturing ecosystem in the world.”

Deep Appreciation for Stakeholder Support:

Sigachi extends its heartfelt gratitude to its **customers across 65+ countries**, many of whom have personally reached out with messages of support and solidarity during these difficult times. The trust and compassion shown by the global pharmaceutical and nutrition community have reaffirmed Sigachi's purpose and values. The Company also acknowledges the continued support from its **supply chain partners, equipment vendors, and domain experts**, who are playing a key role in ensuring that Sigachi's systems are rebuilt with world-class safety and operational integrity.

About Sigachi Industries Ltd

Sigachi Industries Limited is a global player in the pharmaceutical industry dedicated to pioneering advancements in Active Pharmaceutical Ingredients (APIs), Intermediates, Excipients, vitamin-mineral blends, and Operations and Management (O&M) services. The company's diverse product portfolio is manufactured in 4 multilocal facilities, viz. Telangana, Gujarat, and Karnataka. Aligned with its ethos of customer centricity, Sigachi established subsidiaries in UAE and USA to be closer to its clients and improve responsiveness. With a strong focus on innovation, quality, and regulatory compliance, we leverage cutting-edge technology and global expertise to develop high-value pharma, food and nutrition solutions that enhance healthcare outcomes. Committed to excellence, we continuously invest in Research and Development, ensuring the highest standards of quality and safety. With 36 years of industry experience, Sigachi is a trusted partner for pharmaceutical and nutraceutical companies spread across 65+ countries. At Sigachi, we collaborate with healthcare partners, regulatory bodies, and global stakeholders to expand access to reliable, high-quality pharmaceutical ingredients.
