Item No. 4

To consider and approve the proposal for alteration of the Articles of Association of the Company

The Company, in order to meet its funding requirements for growth, expansion, working capital needs, or other general corporate purposes, may consider raising funds through the issue of securities such as warrants, convertible debentures, or other convertible instruments. These instruments typically provide investors with an option to convert their holdings into equity shares of the Company at a future date, and are often used as efficient and flexible mechanisms to attract strategic investors or financial partners.

However, the current Articles of Association ("AOA") of the Company do not specifically contain enabling provisions to issue such convertible instruments. Therefore, keeping in view the proposed preferential issue of warrants, the Board of Directors of the Company, in its meeting held on **July 22, 2025**, considered and approved, subject to the approval of the members by way of a **Special Resolution**, a proposal to alter the AOA by inserting a **new Article 4(iii)** that empowers the Company to raise funds through the issue of warrants or other convertible securities, in compliance with the applicable provisions of the Companies Act, 2013 and other relevant laws and regulations.

The Board believes that this amendment is necessary and in the best interest of the Company as it will provide greater flexibility to raise capital through various instruments.

A copy of the Articles of Association of the Company, showing the proposed amendment (duly signed and initialled by the Chairman for the purpose of identification), is available for inspection by the members at the Registered Office of the Company during business hours on all working days (except Saturdays, Sundays, and public holidays) up to the date of the Annual General Meeting, and will also be available for inspection at the meeting in physical or electronic form.

Pursuant to Section 14 of the Companies Act, 2013, any alteration to the Articles of Association requires the approval of the shareholders by way of a **Special Resolution**.

Accordingly, the Board of Directors recommends the passing of the resolution as set out in the accompanying Notice as a Special Resolution.

None of the Directors, Key Managerial Personnel (KMP), or their relatives is, in any way, concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of their shareholding in the Company, if any.

Item No. 5

To consider and approve the increase in the Authorized Share Capital of the Company and consequent alteration in the Capital Clause of Memorandum of Association of the Company:

SILGO RETAIL LIMITED

CIN: L36911RJ2016PLC049036

The existing Authorised Share Capital of the Company is **Rs. 25,00,00,000/- (Rupees Twenty-Five Crores only)** divided into **2,50,00,000 (Two crore Fifty Lakhs) Equity Shares** of Rs. 10/- each.

To accommodate the proposed issuance of Equity Shares and Fully Convertible Warrants exercisable into equity shares and future requirements, the Company proposes to increase the Authorised Share Capital of the Company from the existing Rs. 25,00,00,000/- (Rupees Twenty-Five Crores only) divided into 2,50,00,000 (Two Crore Fifty Lakhs) Equity Shares of Rs. 10/- (Rupees Ten only) to Rs. 45,00,00,000/- (Rupees Forty-Five Crores only) divided into 4,50,00,000 (Four Crore Fifty Lakh) Equity Shares of Rs. 10/- each by creation of additional 2,00,00,000 (Two Crores) Equity Shares of Rs. 10/- each.

The increase in Authorised Share Capital of the Company will also require consequential amendment of the Share Capital clause of the Memorandum of Association of the Company. In terms of the provisions of Sections 13, 61 and other applicable provisions of the Companies Act, 2013, the alteration of the Share Capital clause requires consent of the Members of the Company by way of passing of an Ordinary Resolution.

The Board of Directors approved the above proposal at its meeting held on **July 22, 2025** and the Board recommends passing of the Resolution as set out at Item No. 05 of the Notice as an **Ordinary Resolution**.

None of the Directors or Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise, in the proposed resolution, except to the extent of securities that may be offered or allotted to them, if applicable.

Item No. 6

To consider and approve the alteration of the Main Object Clause of the Memorandum of Association of the Company (MOA):

The Company proposes to expand its business operations by entering into the renewable energy sector, including but not limited to solar, wind, hybrid energy solutions, and related infrastructure and services. The proposed activities will encompass setting up of solar power plants, energy trading, manufacturing of renewable energy components, and providing Engineering, Procurement and Construction (EPC) as well as Operation and Maintenance (O&M) services.

To enable the Company to legally undertake these business activities and remain in compliance with applicable laws and regulatory requirements, it is necessary to amend the Main Object Clause of the Memorandum of Association (MOA). The Board of Directors recommends the insertion of a new sub-clause under Clause 3rd (a), specifically **Clause 3rd (a) 2**, to reflect the Company's proposed foray into renewable and non-renewable energy businesses.

This addition will allow the Company to engage in renewable and non-renewable energy generation, energy storage and transmission, carbon credit trading, solar infrastructure development, and the promotion of special purpose vehicles (SPVs) or joint ventures for such purposes, among other activities as set out in the proposed clause.

The Board believes that this amendment is necessary and in the best interest of the Company, as it will enable the Company to enter into the renewable and clean energy sector, an area with high growth potential, long-term sustainability, and alignment with national and global clean & sustainable energy goals. The proposed object will provide the Company with the flexibility to engage in a wide range of energy-related business activities, including generation, trading, and infrastructure development.
