Bhoomi Pujan Ceremony

On December 1st, 2024, the much-anticipated commencement of factory construction at the Savli site was marked with a grand Bhoomi Pujan ceremony. This milestone event signifies the start of a new chapter in industrial development for the region, contributing to economic growth and job creation.

The Chairman cum Managing Director, Mr. Tushar Sanghavi expressed gratitude for the support received from local authorities and the community and highlighted the positive impact the new factory would have on the region.

Establishment of the Factory at Savli

**Setting up of
Manufacturing Unit**

**11.18 Acres Land
Located on Savli, Vadodara, Gujarat**

**2025
Expected Completion**

Factory Construction Overview

The new factory at the Savli site will focus on advanced manufacturing processes, incorporating state-of-the-art machinery and technology. The facility is expected to cater to both domestic and international markets, providing high-quality products across various sectors. The factory will cover an expansive area, with provisions for future expansion as demand grows. It is expected to create hundreds of job opportunities for local residents, ranging from skilled labor to managerial positions.

The management has also highlighted that environmental sustainability will be a key aspect of the factory's operations, with plans to integrate eco-friendly practices and energy-efficient technologies in the facility's design and functioning.
