## **Business Update Release**

### **Silver Touch Technologies Receives Purchase Order from Food Safety and Standards Authority of India (FSSAI)**

**Ahmedabad, 23<sup>rd</sup> February 2026:** Silver Touch Technologies Limited, a leading provider of end-to-end IT solutions with deep expertise in e-Governance, secure digital platforms, and large-scale public sector programs, is pleased to announce that it has been selected by the FSSAI for a strategic digital transformation engagement. The Food Safety and Standards Authority of India (FSSAI) is the apex food regulatory authority under the Ministry of Health & Family Welfare, Government of India, responsible for protecting and promoting public health through regulation and supervision of food safety.

Under the current mandate, Silver Touch will be as Managed Service Provider (MSP) for Application Development, Enhancement, Operations & Maintenance of FSSAI Portals and Applications.

#### **Scope of Work Includes:**

- Development of new portals and mobile applications (Android & iOS)
- Enhancement of existing portals and dashboards
- Microservices-based architecture upgrades
- Cloud-based deployment and management
- API integrations with external Ministries/Departments
- Payment gateway integrations
- AI enabled Chatbot development (multilingual intelligent chatbot)
- Database management and architecture enhancement
- Document compression system implementation (40+ TB scalable solution)
- Ongoing Operations & Maintenance with defined SLAs

This engagement is structured as a long-term contract encompassing development and multi-year maintenance phases, providing strong revenue visibility and continuity for the company while reinforcing its leadership in strategic government digital transformation programs.

**Commenting on the development, Mr. Minesh V. Doshi, Executive Director, Silver Touch Technologies Limited, said:**

“The order strengthens the Company’s position in large-scale Government digital transformation programs and reinforces its capabilities in enterprise portal development, cloud-native architecture, cybersecurity compliance, and mission-critical system management. “
