Dear Sir,

Subject: Disclosure of material impact of CoVID-19 pandemic on the Company under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (LODR Regulations)

This is with reference to your e-mail dtd. 8th July, 2020 with respect to disclosure of material impact of CoVID 19 pandemic on ; listed entities pursuant to SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020.

We had submitted a letter dtd. June 17, 2020 and had disclosed the impact of the CoVID-19 pandemic on the business, performance and financials, to the extent possible. We also covered the areas illustrated in the aforementioned circular-impact on the business, ability to maintain operations, office functioning, restarting of operations, steps taken for smooth functioning of operations, execution capabilities, liquidity position, revenues, profitability, supply chain , etc.

The prevailing uncertainties about the disease control, migrant labour, client readiness and local regulatory permissions make it extremely difficult to quantify and make future estimates for our 170 project contracts spread across the country. Therefore, it is difficult to estimate the full impact of Covid-19 pandemic at this moment.

You are requested to take the same on your records.

Thanking you,
For Simplex Infrastructures Limited
