LOSING STEAM

Core sector growth slows to 6-mth low

Normalisation of base effect partly behind output moderation in July, say experts; there was a contraction sequentially

SHREYA NANDI
New Delhi, 31 August

Output growth of India's eight infrastructure industries decelerated to a six-month low of 4.5 per cent year-on-year in July this year, according to data released by the Department for Promotion of Industry and Internal Trade (DPIIT) on Wednesday. The July number was sharply less than the double-digit core sector growth figures for the previous two months.

During July last year, core sector growth was 9.9 per cent. Slower YoY growth in July 2022 could partly be attributed to base-effect normalisation, economists said. On a sequential basis, there was a contraction of 2.3 per cent.

These eight sectors in June and May this year witnessed double-digit growth at 19.3 and 13.2 per cent, respectively.

"Normalisation of the base effect has resulted in softening of core sector growth to 4.5 per cent in July against double-digit growth recorded in the previous two months. It is important to note that the core sector output has expanded by 6.1 per cent when compared with July 2019, reflective of continued improvement over the pre-pandemic level," said Rajni Sinha, chief economist, CARE Ratings.

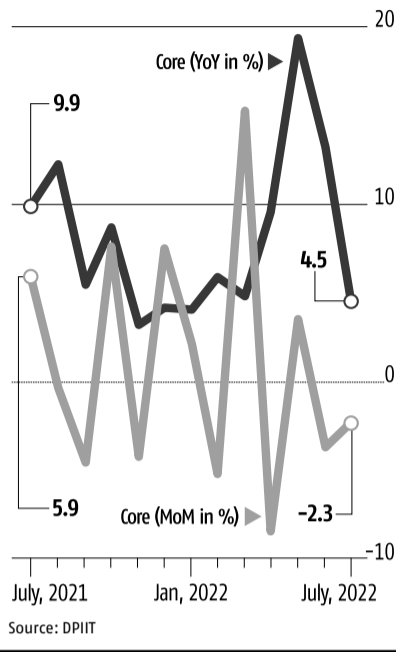

The eight sectors — coal, steel, cement, fertilisers, electricity, natural gas, refinery products, and crude oil — comprise two-fifths of India's total industrial production. The data released by the industry department showed that barring crude oil and natural gas, the remaining six sectors witnessed growth.

Production of coal, steel, refinery products, fertiliser, electricity, and cement witnessed YoY growth of 11.4 per cent, 5.7 per cent, 6.2 per cent, 6.2 per cent, 2.2

ILLUSTRATION: BINAY SINHA

DECCELERATION

per cent, and 2.1, per cent, respectively, in July. Sluggish growth in cement and electricity can be attributed to a slowdown in construction activity during the monsoon, economists said.

Sluggish growth in cement and electricity can be attributed to a slowdown in construction activity in the monsoon season

Crude oil and natural gas output contracted 3.8 per cent and 0.3 per cent, respectively.

"Capital expenditure by the central government and new investment projects announced data for the current fiscal year have been encouraging," Sinha said, adding that the improving investment scenario in the economy bodes well for the core sector performance in the coming months.

Sunil Kumar Sinha, principal econ-

omist at India Ratings, said the ongoing recovery has still a long way to go because the output of some of the core segments is still lower than the pre-pandemic level.

"The coal output despite registering double-digit growth in July 2022 is still only 77.6 per cent of the pre-Covid production level (February 2020). Even the output of the cement sector is only 98 per cent of the pre-Covid level. Additionally, on a seasonally adjusted month-on-month basis, the core sector output in July 2022 shows a contraction of 1.2 per cent over June 2022. The core sector output has now declined sequentially for three consecutive months. However, Ind-Ra expects the core sector to grow around mid-single digits in August 2022," Sinha said.

MIXED SIGNALS

Fiscal deficit at 20.5% of full year's target; July sees a surplus

NIKUNJ OHRI
New Delhi, 31 August

India's fiscal deficit during the first four months of the ongoing financial year was at ₹3.4 trillion or 34.4 per cent of the annual target, according to government data. In April-July 2021, the Centre's fiscal deficit was ₹3.2 trillion or 21.3 per cent of last year's target.

The country's fiscal deficit is projected at 6.4 per cent of GDP for the year ending March 2023, as against 6.71 per cent for the previous year.

The Centre's total receipts stood at ₹7.86 trillion or 34.4 per cent of this year's target; during the corresponding period a year ago, the figure stood at 34.6 per cent of last year's Budget Estimate.

Total expenditure during April-July 2022 was ₹11.26 trillion or 28.6 per cent of the year's target.

The government was able to record a fiscal surplus in July as it cut its expenditure during the month. The Centre's total expenditure in July was ₹1.78 trillion against ₹3.62 trillion in June. Total receipts in July were ₹1.89 trillion.

Relatively stronger receipt growth and weak expenditure growth in July 2022 led to a fiscal surplus, which was last witnessed in March 2020, said Sunil Kumar Sinha, principal economist at India Ratings.

In the April-July period, the Centre's tax revenue was ₹6.6 trillion or 34.4 per cent of the full-year target. Non-tax revenue took a hit with ₹89,583 crore mopped up in the first four months, meeting 33 per cent of the year's target; this was 36 per cent lower than last year. This was mostly because of a major decline in dividend received by the Centre; the Reserve Bank of India in May announced it would transfer ₹30,307 crore as dividend against ₹99,122 crore last year.

The Union government's gross tax revenue during April-July was 25 per cent higher than last year, and stood at ₹8.69 trillion. The corporate tax collected in the first four months was ₹1.96 trillion, against ₹1.46 trillion collected in the same period last year. Income tax collected was ₹2.42

STATUS REPORT

*As on July 31

Source: CGA

trillion as compared to ₹1.61 trillion last year.

"Based on present growth and inflation trend, Ind-Ra expects the Union government to exceed its FY23 net tax revenue target (INR19,347 trillion)," said Sinha. Non-tax revenue collections in the first four months were 33.2 per cent of FY23 Budget target, and if envisaged disinvestment does not go through, there may be challenges for the Union government's finances, Sinha said.

The Centre spent ₹1.1 trillion or 35 per cent of the full year's estimate for food, fertiliser, and petroleum subsidies.

WEAK SENTIMENT

GDP figures may weigh on markets

SUNDAR SETHURAMAN
Thiruvananthapuram, 31 August

The disappointing gross domestic product (GDP) numbers, coupled with weak global cues, are likely to weigh on investors' sentiment during Thursday's trade.

India's GDP rose 13.5 per cent year-on-year in the April-June period. Though it is the fastest expansion in a year, it was below the predictions made by the Reserve Bank of India (RBI; 16.2 per cent) and other analysts.

India was expected to post robust economic growth on the back of a demand revival after the government eased Covid-related restrictions. Optimism about India's growth prospects fuelled the rally in recent months in domestic equities.

"India is largely on the growth path but it may not be as good as expected. Though the GDP numbers optically look very high, these won't fire up the markets," said U R Bhat, co-founder, Alphaniti Fintech. He noted that the equity markets had run up a lot on Tuesday and they shall correct now. Most global equity markets were trading in the red on Wednesday amid heightened volatility. The Indian markets were closed on Wednesday due to Ganesh Chaturthi celebrations.

Analysts said there are signs of the waning of the intensity of tailwind generated by economic reopening. Instead in the coming months, India's economy shall face headwinds because of a widening trade deficit as a result of decelerating exports because of a global demand slowdown, they said. Investments in the economy may also get hindered due to costlier borrowing and elevated input costs. "Deteriorating global growth prospects, higher inflation impacting consumption, and gradually tightening financial conditions eventually start to impact the pace of growth momentum as the year progresses," said Aurodeep Nandi, India economist and vice-president, Nomura, in a media statement after GDP figures were released.

The RBI has raised its benchmark rates by 140 basis points since May in a bid to bring down inflation. Concerns about rate hikes by major central banks are likely to weigh on investors' sentiment in the coming days.

Soaring inflation in Europe and possible energy crisis in Europe and geopolitical tensions are other headwinds the markets are grappling with.

NOTICE OF 15TH ANNUAL GENERAL MEETING OF THE COMPANY AND E-VOTING INFORMATION

Notice is hereby given that the (Fifteenth) 15th Annual General Meeting of the Members of Sintercom India Limited ("the Company") will be held on Friday, 23rd September, 2022 at 5.00 PM IST through two way video conference (VC)/Other Audio Visual Means (OAVM) facility only, to transact the business as set out in the Notice of the AGM.

Notice of the AGM in compliance with the applicable provisions of the Companies Act, 2013 read with rules thereunder and provision of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, read with all applicable circulars on the matter issued by Ministry of Corporate Affairs, Government of India and Securities and Exchange Board of India. Members participating through the VC / OAVM shall be reckoned for the purpose of quorum under Section 103 of the Act.

In terms of MCA Circulars and SEBI circular, the Notice of the AGM and Annual Report of the Company, inter alia, containing the financial statements and other statutory reports for the year ended 31st March, 2022 is being circulated by the Company through electronic mode on Thursday, 1st September, 2022 only to those Members whose e-mail address are registered with the Company/Registrar & Share Transfer Agent(RTA) or Depository Participant(s). The requirement of sending physical copies of the Notice of the AGM has been dispensed with vide MCA Circulars and the SEBI Circular. The aforesaid documents are available on the website of the Company at www.sintercom.co.in and the websites of the Stock Exchange viz. www.nseindia.com. The Notice of the 15th AGM is also available on the website of National Securities Depository Limited ("NSDL") at www.evoting.nsdl.com.

The documents referred to in the Notice and Explanatory Statement will be available for inspection in electronic mode from date of circulation of this Notice up to the date of AGM. Members are requested to write to the Company on investor@sintercom.co.in for inspection of the said documents.

Mr. Sunil Nanal (Membership No. F5977, C.P.No: 2809), Partner M/s. Kanj & Co. Secretaries has been appointed as Scrutinizer to scrutinize the entire e-voting in a fair and transparent manner. Instructions for Remote e-voting and e-voting during the AGM: In compliance with Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, the Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India and Regulation 44 of the SEBI Listing Regulations, the Company is providing to its Members the facility to exercise their vote by electronic means in respect of the business to be transacted at the AGM and for that purpose, the Company has appointed NSDL to facilitate voting through electronic means. Members holding shares as on the "Cut-off date" i.e. Friday, 16th September, 2022, can cast their votes electronically through electronic voting systems ("Remote e-voting") of NSDL at www.evoting.nsdl.com. *The entire Shareholding of the Company is in Dematerialised form. *

The detailed instructions for Remote e-voting are given in the Notice of the AGM. Members are requested to note the following:

- The ordinary and special business, as set out in the Notice of the AGM will be transacted through voting by electronic means only;
- The Remote e-voting period commences on Monday, 19th September, 2022 (9.00 a.m. IST) and ends on Thursday, 22nd September, 2022 (5.00 p.m. IST). Remote e-voting module will be disabled by NSDL after 5.00 P.M. (IST) on 22nd September 2022. Once the vote on a resolution is cast, the Members cannot modify it subsequently;
- The facility of E-voting system shall also be made available during the Meeting and the Members attending the Meeting, who have not cast their vote by Remote e-voting shall be eligible to cast their vote through e-voting during the Meeting. The voting rights of Members shall be proportionate to their share of the paid-up equity share capital of the Company as on the Cut-off date i.e. Friday, 16th September, 2022. The Members who have cast their vote(s) by Remote e-voting may also attend the AGM but shall not be entitled to cast their vote(s) again at the AGM;
- Any person who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the user ID and password by sending a request at evoting@nsdl.co.in. However, if a person is already registered with NSDL for e-voting then the existing User ID and Password can be used for casting their vote. A person who is not a Member as on the Cut-Off date should treat this Notice of AGM for information purpose only. The login credential used for E-voting may be used to attend the AGM through VC/OAVM.
- In case of any queries/ grievances connected with Remote e-voting and e-voting during the meeting, any person may refer the Frequently Asked Questions (FAQS) for Shareholders and e-voting user manual for Shareholders available in the download section of www.evoting.nsdl.com. Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login Type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Individual Shareholders holding securities in demat mode with NSDL Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30
