Dear Sir,

Considering that I have attained the age of 65 this year, I have decided to reorganize my professional assignments. In the process, I have decided to resign as an Independent Director of Sintercom India Limited with immediate effect. Consequently I will also be stepping down from the Committees of which I am a member.

I confirm that there is no other material reason other than mentioned above.

I thank the Chairman, Managing Director, CEO/ CFO and all other past and present Directors on the Board and wish the Company all the success in years to come.

Thanks and Regards,
