**Dear Sir / Madam,**

This is with reference to your email dated 12<sup>th</sup> March, 2026 in reference to the discrepancies observed between the financial results submitted for quarter and nine months ended 31st December, 2025 in XBRL format and the PDF version filed with the Exchange.

We would like to clarify that the difference in figures between the XBRL filing and the PDF document has arisen solely due to rounding off of amounts to nearest lakhs. In the PDF version of the financial results, figures are rounded off to the nearest thousand while in the XBRL utility the figures were rounded off to the nearest lakhs and not reported upto two decimal places.

We would like to confirm that the Company has duly submitted the Revised Integrated Financials results.

We trust the above clarifies the observation. Please let us know in case any further information or clarification is required.

Thanking you
